Secretary Weeks Lodges Protest Against the Proposed Practice in an Address in Washington.

OPPOSES GENERAL USE OF THE ARMY FOR ENFORCEMENT OF ANY CIVIL LAW UNLESS ALL CIVIL POLICE POWER SHALL HAVE BEEN EXHAUSTED.

Washington, June 28.—Flat opposition to any project for using the army to aid in any prohibition enforcement work was lodged here today by Secretary Weeks, speaking at the graduating exercises at the American War College.

The War Secretary said he was "opposed to the use of the army for the enforcement of civil laws unless all civil police power shall have been exhausted and those results that state of insurrection and rebellion which Federal law provides shall alone justify the use of troops in affording the protection guaranteed to state governments by the constitution."

DAUGHERTY MOVES TO DROP NUMBER OF CASES AGAINST MINE OPERATORS

Washington, June 28.—The Department of Justice announced today that Attorney General Daugherty had moved in Federal court at Indianapolis to drop the long pending indictments returned there against mine operators and union leaders, and certain corporations charging conspiracy to restrain trade in the production and sale of bituminous coal.

Careful investigations, Mr. Daugherty told the court, strongly supported the protests of the defendants that many of the things complained of were in no small measure due to the efforts of government officials during the war to bring about more intensive co-operation between the operators, miners and railroad, in the production and transportation of coal.

THE ATHLETIC FIELD IS SOON TO RECEIVE A GRAND STAND LONG NEEDED

The Athletic field at the Jackson Training School is to receive a long needed addition—a grand stand. It will be 25x100 feet, seating over eight hundred people. It will have two dressing rooms, a store room and a lavatory. The Tribune is informed that the grandstand will be of substantial construction and in keeping with the other buildings at the institution. It represents an outlay of \$2,500.

It comes to The Tribune that there is much rejoicing at the school among the boys, who heretofore had to sit in the hot sun when watching a game or witnessing other athletic stunts, and to the officials because the cost is provided for by the family of the institution. Messrs. J. Archie Cannon, William H. Gibson and George S. Klutz, prominent and substantial Concord citizens, generously and liberally made it possible when the matter was called to their attention as a fine opportunity for a helpful service.
