Paderewski Once Ordered Out of Russia By Czar.

Paris, Aug. 1.—Ignace Jap Paderewski, the famous Polish pianist and composer, received one of the heartiest welcomes accorded him since his return to the concert stage when he appeared before a Paris audience recently. Thousands of people thronged to see him pass on his way to the theater, and he was again besieged when the concert, a benefit affair, was concluded.

The French press re-told at great length the story of how the noted artist was expelled from Russia years ago by Emperor Alexander III, after Paderewski had played before the court.

"You are a great artist, and an honor to Russia," the emperor is reported to have said.

"Pardon, your majesty," replied Paderewski. "To Poland."

The next day the pianist received an order to leave Russia, and he had never returned since.

The newspapers here also mentioned the fact that on the day of his first concert, Paderewski drove to the theater box office and purchased nearly a hundred seats at regular prices, which he distributed among his friends.

His only request to the management was that he be given a dressing room, so that he could let his hands soak in very hot water for half an hour before the concert. He explained that he had found this the best way to make them supple.

FORMER JUDGE JONES SHOT BY F. C. TUTTLE

Son-in-Law Declares He Fired in Self-Defense—Pistol Duel in Kitchen. Greensboro News.

Former City Judge C. A. Jones was shot and dangerously wounded by F. Clyde Tuttle, his son-in-law, in a pistol duel in the kitchen of the Jones' residence, 110 Pearson street, shortly after 7 o'clock last night.

Judge Jones was taken to Wesley Long hospital where surgeons pronounce his condition as very serious. An operation performed immediately after the shooting revealed that the intestines were perforated in seven places by the bullet. Surgeons say that while not necessarily critical, the wounded man's condition is serious, the greatest danger being in the possible development of peritonitis.

Tuttle was placed in the country jail about midnight and is held without bail pending the outcome of his father-in-law's injuries.

Judge Jones was shot through the right lower abdomen. Although he remained on his feet and walked several hundred feet to a motor car which carried him to the hospital it is said that he was in a greatly weakened condition from loss of blood when he reached the operation table.

The shooting occurred during an altercation between the two and was the culmination of a long series of domestic difficulties, according to Mrs. Jones, wife of the wounded man.

Mr. Tuttle told a Daily News reporter that he shot in self-defense, declaring that Judge Jones fired one shot point blank at him, missing and that he drew his gun and shot to frighten his father-in-law to keep him from firing again.

The shooting occurred in the kitchen, there being only one eye witness, Mrs. Tuttle, Judge Jones' daughter. She was in a hysterical condition last night and could give no coherent account of the happening.

NEW ENOCH ARDEN CASE

Lee Hoyle Returns After 27 Years to Find Her Married to Another Man and the Mother of a New Family. Hickory, Aug. 1.—Another experience stranger than that which befell him early Saturday morning when a three week old baby was left on his front porch came into the life of William O. Hoyle, local automobile mechanic, today.

His father, Lee Hoyle, after wandering around 27 years, drove up in an automobile with Pink Hoyle, of Gastonia, and declared his identity to the son.

Some 15 years ago, Mrs. Lee Hoyle married again and is now living with her husband, Rufus McMillan, three miles from Lenoir, in Caldwell county. This couple have five children, the oldest being less than 15 and the youngest about six.

When Lee Hoyle disappeared 27 years ago his wife, then living near Cagus mountain, in Burke county, was told by Linberry Hoyle, his uncle, that Lee had been killed by a runaway team at a lumber mill in Catawba county. The wife and mother accepted the story as true.

Later she married and reared five other children besides the little boy and girl by her first marriage. William Hoyle is a good automobile mechanic in Hickory. His only sister, Mrs. W. S. McKnight, lives in Danville, Va.

Lee Hoyle left this afternoon in an automobile for Danville to visit his daughter. He said he would return to Hickory next week and from there would go to Greenville, S. C., to engage in the cotton business. He has been in Birmingham for the past six years, he said.

Had Lee Hoyle, like Enoch Arden, found the facts in the situation in his home, and silently departed, his story might never have been written. But he said he felt the urge to return home to see friends and loved ones. He said he had written twice, but had received no answer.

William Hoyle, who is growing accustomed to strange events said this afternoon that the infant girl left at his home was doing well and that he and his wife, who have been married 12 years and are childless, are becoming more attached to her every day.

ROTARIANS GET SOLIDLY BEHIND CABARRUS FAIR

Coming Fair and Music Feature Program of Concord Rotarians at Regular Weekly Meeting.

Music and the Cabarrus Fair were the chief features of the program at the regular weekly meeting of the Concord Rotary Club yesterday at the Y. M. C. A.

Major W. A. Foil, representing the Cabarrus Fair Association, made a brief talk in which he called attention to the exhibits building at the fair ground and pointed out the advantages of the building for advertising purposes. Rotarians promptly responded and representatives of various lines of business contracted for space in the building.

Cotton manufacturers present eagerly responded and a motion was made that the president appoint a committee to consult with the Cabarrus Cotton Manufacturers' Association with a view to the association contracting for space sufficient to give an exhibit by all the members.

E. Sauvain, A. R. Howard and A. R. Hoover were appointed. Allan Prindell, chairman of the music committee, which was in charge of the program, introduced Miss Helen Fisher and Mrs. H. G. Black. Miss Fisher rendered a vocal selection which was received with marked approval. Mrs. Black, who has favored the club with selections at previous meetings, rendered several piano numbers, which again emphasized her splendid musical talents.

Following the selections, Mr. Prindell made a brief talk on music and concluded the program by leading the club in a number of selections from the Rotary song book.

Mr. George Edwards, of Rocky Mount, was the guest of Rotarian C. B. Wagener.
