

## Late President's Body Being Carried to Ohio

The Funeral Train Passing  
Through Cities Delayed by  
Crowds That Gather to Pay  
Last Tribute.

FUNERAL WILL BE  
HELD TOMORROW

Train Stopped For a Minute  
at Home City of Late Pres-  
ident McKinley, Whose In-  
fluence Harding Felt.

(By the Associated Press.)  
Washington, Aug. 9.—Laden with all  
the honors the American people could  
bestow the nation today gave Warren G.  
Harding back to Ohio.

Yesterday while a republic mourned  
at his bier the great government of which  
he was head performed funeral ceremonies  
such as are reserved for departed  
Presidents.

Tomorrow in the shaded quiet of a  
grassy slope, Marion, Ohio, will entomb a  
citizen, the fifth man of Ohio, brought  
home from the Presidency, to rest.

For at the express command of his  
heroic widow there will be in Marion  
none of the solemn and impressive dis-  
play with which a nation entombs its  
chief magistrate. The rumbling caisson  
which carried his casket over the route  
traveled by the nation's great dead in  
Washington will be replaced by the loving  
hands of fellow townsmen, the calva-  
cade of troops which escorted the body  
of their commander-in-chief will be re-  
placed by home folks doing their last  
duty for a friend and neighbor.

The picture of the great vaulted dome  
of the capitol where the shades of the  
nation's other great dead looked down on  
the solemn ceremony will be given way  
to simple scenes in Marion cemetery  
which will commit Warren Harding to the  
tomb like other native sons before him.

Warren Harding left Washington for-  
ever last night; and today as he will be  
back among the home folks he loved so  
well; to remain until judgment. The  
same train which bore him away from the  
capitol confident and well a few  
short weeks ago, and then returned him  
for a short day of ceremony, a figure of  
history, departed from Washington at 6  
o'clock last night for the last part of  
his sorrowful journey. Immediately af-  
terward it will be disassembled and never  
run as one train again.

Tonight another train bearing a Pres-  
ident westward will roll out of Washing-  
ton. But it will not take Calvin Coolidge  
to represent at Marion the govern-  
ment over which he now presides. He  
will go rather to pay the homage of a  
plain American at the tomb of a fallen  
chief and to give expression to his  
personal sorrow over the loss of a dear  
friend. At yesterday's funeral ceremonies  
his was among the most solemn of the  
many solemn faces in the great pro-  
cession of woe that passed up Pennsylv-  
ania avenue. For to know Warren Hard-  
ing well was to love him and Calvin  
Coolidge had come thus to know and love  
him through the months of close association.

Stopped at Canton.  
On Board President Harding's Fun-  
eral Train, Canton, O., Aug. 9 (By the  
Associated Press).—The funeral train  
bearing the body of the late President  
Harding to Marion was stopped for one  
minute at Canton today as a mark of  
respect to William McKinley, often  
called the political mentor of Mr. Hard-  
ing.

Later another stop of a minute was  
planned at Caledonia where the late  
Chief Executive spent his boyhood days.  
The train arrived in Canton at 9:25 a.  
m., nearly two hours behind schedule.

Newspapers to Suspend Publication.  
New York, Aug. 9.—Publishers of the  
New York evening newspapers at a meet-  
ing today decided to suspend publica-  
tion tomorrow as a tribute to the late  
President and fellow publisher who is  
to be laid to rest tomorrow afternoon  
at Marion, Ohio.

The newspapers which will not appear  
are the Evening Post, Evening World,  
Sun and Globe, Evening Telegram, Mail  
& Journal, Brooklyn Eagle, and The  
New York Herald.

Funeral Train at Mansfield.  
Mansfield, Ohio, Aug. 9.—The Hard-  
ing funeral train arrived here at 11:45  
a. m., Eastern standard time and the  
transfer from the Erie to the Pennsylv-  
ania Railroad, which will carry the  
remains of the President on the last lap  
to Marion, immediately was made.

May Finally Rest in Mausoleum.  
Marion, Ohio, Aug. 9 (By the Associ-  
ated Press).—Eventually the body of  
Warren G. Harding may find a final  
resting place on the top of an old Indian  
mound just east of this city and over-

## NEGRO PRISONER CAUSES UPROAR

(By the Associated Press.)  
New York, Aug. 9.—Washington  
Heights Court was thrown into an  
uproar today when a negro who had  
been summoned to court on com-  
plaint of his wife, shot her dead in a  
corridor, fired on a policeman who  
who attempted to capture him and  
was himself shot dead by the police-  
man.

Looking the home where he lived for so  
many years and where he made his fam-  
ous front porch campaign for the presi-  
dency.

Close friends of the late President  
have started a movement to that end and  
which may include the erection of a suit-  
able mausoleum with funds to be de-  
rived from the sale of gold dollars—the  
same plan followed in obtaining funds  
for the memorial to President William  
McKinley at Niles, Ohio.

Train Passes Wooster.  
Wooster, Ohio, Aug. 9.—The Harding  
funeral train passed through Wooster at  
10:35 a. m., Eastern standard time, trav-  
eling slowly toward Marion. A large  
crowd was at the station.

Service to Be Simple.  
Marion, Ohio, Aug. 9 (By the Associ-  
ated Press).—His home town of Marion  
awoke today eagerly awaiting the ar-  
rival of the funeral train bearing back  
to Ohio for eternal rest the body of War-  
ren G. Harding.

The train with the body of the dead  
President arrived at 12:38 Central  
Standard Time preparatory to final fun-  
eral services, tomorrow that will be in  
direct contrast to the official services  
held yesterday in the capitol at Washing-  
ton.

The elaborate services yesterday were  
for Warren Gamaliel Harding, President  
of the United States; the services here  
tomorrow will be for Warren Gamaliel  
Harding, citizen, friend, neighbor—and  
husband.

For two days his friends and neighbors  
will accord the late President the cus-  
tomary funeral rites of the small town  
of the Middle West, and then with strict  
simplicity they will accompany Mrs.  
Harding and the body to the cemetery  
where it will be entombed tomorrow af-  
ternoon. The only funeral services here  
will be at the cemetery and they will be  
extremely brief and simple, in accordance  
with the wishes of Mrs. Harding.

Only relatives and intimate friends  
will make up the small party going to the  
cemetery. Even newspaper men will be  
excluded from the services at the tomb.  
At his father's home, where the cas-  
ket was taken the body will lie in pri-  
vate until 2 p. m. today. From then  
until 10 p. m. the public will be per-  
mitted to gaze upon the kindly face of  
the former Marion newspaper publisher  
who became Chief Executive of his  
country. Again tomorrow from 9 a.  
m. to 2 p. m. the public will have the  
opportunity to pass by the bier of Mr.  
Harding. At 2 o'clock the funeral pro-  
cession will form for the journey to the  
cemetery and at 3 o'clock the body of  
Warren G. Harding will be laid to rest.  
It will be placed in a vault until the  
mausoleum can be erected.

Only members of the party who made  
the trip to Alaska with President Hard-  
ing were aboard the funeral train.

Thousands in Marion.  
Marion, Ohio, Aug. 9 (By the Associ-  
ated Press).—Since daylight today  
roads leading into Marion have been  
pouring people into the city. Long be-  
fore daylight crowds started to assemble  
at union station where the body of the  
late President was to arrive. All along  
the line which the funeral cortege will  
take from the station to the home of Dr.  
George T. Harding, father of the former  
President on East Center Street, peo-  
ple were crowding and jamming the side-  
walks.

No one is permitted on the streets,  
troops constantly forcing them to re-  
main outside the curb. Every one is or-  
derly and there was little noise.

Military officials in charge of patrol-  
ling the roads leading into Marion said  
today from present indications more  
than 100,000 people will be here before  
nightfall.

No vehicular traffic was permitted on  
the city's streets except cars of the of-  
ficial reception committee and the mili-  
tary automobiles.

The residence of Dr. George T. Hard-  
ing and the Harding home made famous  
during the front porch campaign three  
years ago were the centers for the out-  
pour of town throngs.

After the age of 50 the average brain  
loses an ounce every 10 years.

## BEAR AND FORBEAR ADVICE DIVORCE JUDGE GIVES YOUNG

Chicago Jurist Speaks Out of Years in  
Dealing With Wedded Woe, Saving  
500 Homes.

Chicago, Aug. 9.—Judge Sabath, who  
holds the Chicago divorce record, who  
has reunited 500 couples who sought di-  
vorce and who was rendered so melanc-  
choly and depressed by his experience,  
gave some advice today to young mar-  
ried persons and those seeking matri-  
mony.

"Bear and forbear" is the secret of  
happy marriage," he said. "There are  
too many marriages based on lusty im-  
pulses, too many one-night marriages,  
too many marriages due to liquor. It  
isn't all looks, you know, what you have  
to know about your mate is his ways,  
his disposition—even his faults, for we  
all have them."

"I hope some time to get a law pass-  
ed, obliging a couple to wait 30 days  
between the issuance of the license and  
the wedding," the judge went on.

"Money at the start is not necessary,"  
according to this marriage expert. "If  
you have to work together, you'll know  
each other much better, live together  
better and be happier. A great deal de-  
pends on the wife, the real help. If the  
wife gives a man a good breakfast in  
the morning and kisses him good-by,  
he'll want to hurry home at night to  
see her again," he explained.

"But think of another kind of home—  
not really a home at all. The wife out  
all afternoon playing cards. Husband  
gets home. No wife, no supper. That's  
finds one of the most common causes  
of divorce."

## FIND BODY OF WOMAN, SLAVEY'S FIRST VICTIM

Battle Creek Man Later Murders His  
Wife, Then Kills Himself.

Battle Creek, Mich., Aug. 7.—The  
body of Mrs. B. H. Stewart, 58 years  
old, was found by a posse of searchers  
late today 10 miles southeast of this  
city, bringing to three the number of  
persons whose deaths are blamed on  
John H. Wells, 70 years old, retired  
merchant and reputed to be wealthy.

Wells earlier today shot and killed his  
wife, Ella, 68 years old, and himself. He  
left word with a nephew that he had  
killed Mrs. Stewart and placed her body  
in a clump of bushes some distance from  
this city.

Jealousy is the theory advanced by  
police as the cause of the triple killing.  
The body of Wells and his wife were  
found in their apartment when de-  
tectives, called by neighbors, broke down  
the door. Both the man and the woman  
had been shot through the head, and a  
revolver was gripped in Wells' lifeless  
hand.

Mrs. Stewart was last seen this morn-  
ing when, according to those living near  
the home, she drove away in an auto-  
mobile with "an elderly man." Police  
are working on the theory that Wells  
drove the woman to the woods, shot and  
killed her and then returned, killing his  
wife and himself.

## Laundry Owners' Association Meets.

(By the Associated Press.)  
Rocky Mount, Aug. 9.—The annual  
convention of the North Carolina Flori-  
da Laundryowners' Association will meet  
in this city on August 27, according to  
announcement just made by R. N. Bis-  
hop, vice president of the organization.

In sending out circulars announcing  
the date of the convention, Mr. Bishop  
extended invitations to both members  
and non-members of the association,  
urging them to attend. J. W. Powell,  
Greenville, S. C., president of four state  
organizations, will be among the promi-  
nent speakers at the convention.

"It is hoped that the getting together  
of a large number of the laundryowners  
of the state on this occasion will be pro-  
ductive of many profitable suggestions  
and constructive ideas," said Mr. Bishop,  
"not only valuable to larger laundries  
but to the smaller ones as well."

Cable N. Brown, member of the ex-  
ecutive committee of the Laundryown-  
ers' National Association, has indicated  
that he will attend the convention, Mr.  
Bishop stated.

## Simmons Unable to Attend the Funeral.

New Bern, Aug. 8.—Acting upon the  
advice of his physician, Senator F. M.  
Simmons telegraphed the Sergeant At  
Arms of the Senate that owing to a  
temporary indisposition and to the ex-  
treme hot weather he found it inadvis-  
able to go to Washington to be present  
at the funeral ceremonies for the late  
President Harding in the capitol.

Senator Simmons has been slightly  
indisposed for several days, his secre-  
tary, W. W. Leinster, adding that he  
was very much gratified that the Sen-  
ator had decided to abandon the trip  
because he said, he feared the heat and  
excitement coupled with his slight ill-  
ness might have unfavorable results.

## Cleared His Conscience.

Uniontown, Pa., Aug. 9.—"How much  
is the fare between Greensburg and  
Scottsdale?" was asked yesterday by a  
man who appeared before the ticket  
window in the local Pennsylvania Rail-  
road station. When informed by Agent  
Jacobs that the fare was 53 cents,  
the stranger remarked: "I owe the com-  
pany this money; I just want to pay  
my debts." Explaining that about 30  
years ago he beat a conductor out of a  
ride between the two towns and that  
the latter had preyed upon his mind, he  
then paid 53 cents and cleared his  
conscience.

## Judge Winston and Friend Get Jailed.

Wilson, Aug. 8.—Judge Francis D.  
Winston and his friend, E. S. Perry, of  
Windsor, got jailed late last night when  
they drove over to Wilson on a busi-  
ness trip. Reports of the occurrence  
differ, but Policeman J. C. Fulgham,  
who did the arresting, said his attention  
was attracted to a car that was zig-  
zagging along the street.

The officer entered charges of  
operating the car while under the in-  
fluence of liquor. The case was not called  
for trial in municipal court today,  
but the two men were permitted to go  
with the payment of fines and costs  
amounting to \$87.

## CUNO'S ADDRESS TO REICHSTAG WORRIES PEOPLE OF GERMANY

In Address the Chancellor  
Declared Passive Resist-  
ance in the Ruhr Would  
Be Continued.

Called "TRAITOR"  
BY OPPONENTS

But Many Reichstag Mem-  
bers Applauded—British  
Proposal Described as  
"Impossible."

Berlin, Aug. 9 (By the Associated  
Press).—Chancellor Cuno's address to the  
reichstag in which he declared that pas-  
sive resistance in the Ruhr and Rhine-  
land would continue to be supported by  
the nation, has been received as the most  
depressing statement yet made to the  
national legislature by the present gov-  
ernment. The condition parties regard  
it as a disappointing utterance.

The chancellor was visibly disconcerted  
by the boisterous hecking of the  
communist members, who when he arose  
to speak hailed him a "traitor," "swind-  
ler" and "President of the Stinnes Com-  
pany." He was continually interrupted  
as the address progressed but when it  
was finished there was prolonged ap-  
plause.

Asserting that the last British reply to  
the German note contained much that  
was impossible of fulfillment, Herr Cuno  
said it appeared that England had gone  
extraordinarily far in her concessions to  
the French viewpoint.

It is necessary to continue with all  
our strength passive resistance, free from  
mad acts of violence and terror," he said,  
"and to support actively from the unoc-  
cupied territory the population which is  
persevering in a passive resistance."

Agree to French Terms.  
London, Aug. 9 (By the Associated  
Press).—The British cabinet council to-  
day agreed to the terms of the reply to  
the French and Belgian governments in  
the reparations negotiations, it was au-  
thoritatively stated this afternoon. A  
reply will be dispatched shortly to the  
allied government.

## Trainmen Holding Meeting.

(By the Associated Press.)  
Cleveland, O., Aug. 9.—Approximately  
125 general chairmen of the Eastern  
Association of General Chairmen of the  
Brotherhood of Railway Trainmen and  
the Order of Railway Conductors on  
eastern trunk line railroads met here  
this morning to consider the question of  
increased compensation.

This is the third and final meeting of  
the general chairmen of the two organiza-  
tions on increased wage questions.  
Previous meetings have been held by  
the western association in Chicago in  
July and by the southern association in  
Washington on July 24.

The Chicago meeting went on record  
for a restoration of the 8 cents an hour,  
or 64 cents a day reduction ordered by  
the United States Railway Labor Board  
on July 1, 1921, which has been in ef-  
fect since that time, and in addition re-  
quested a small additional increase it is  
understood.

## Four Governors Invited to the King's Mountain Celebration.

(By the Associated Press.)  
Kings Mountain, Aug. 9.—The govern-  
ors of North Carolina, South Carolina,  
Virginia and Tennessee, together with  
their staff officers, will be invited to at-  
tend the annual celebration here on Oc-  
tober 7th in commemoration of the Bat-  
tle of Kings Mountain, according to an-  
nouncement by the Kings Mountain  
chamber of commerce. Men from these  
states participated in the battle of  
Kings Mountain, which was the turning  
point in the American Revolution.

Dr. J. E. Anthony, chairman of the  
committee on conventions of the local  
commerce body, has the program of the  
celebration in charge. The program has  
not yet been completed.

## Salisbury Anxious For Junior Order Orphanage.

Salisbury, Aug. 8.—H. A. Rouser  
heads a committee that will try to land  
the Junior Order orphanage in Rowan  
county. Several sites have been offered  
free and citizens are interesting them-  
selves in the matter of raising funds  
for the institution.

The play "William Tell" is being pro-  
duced on every stage available through-  
out the occupied area of Germany to  
stiffen the passive resistance of the peo-  
ple to the French.

## TAX REFORM IN GEORGIA

Senate Leaders Awaiting the Action of  
the House on the Measures.

Atlanta, Ga., Aug. 9.—With the 1923  
session of the Georgia general assembly  
now in its closing days, leaders of the  
house today were confident that if any  
tax reform measure is enacted this sum-  
mer it will be one of four bills already  
proposed, three of which have been re-  
commended by the constitutional amend-  
ments committee.

The three recommended measures,  
framed by the committee after Govern-  
or Walker had urged a compromise on  
numerous bills being considered by the  
body, are as follows:

One proposing an income tax, limited  
to five percent.

Another which would establish both  
an income tax and classification levy.

A third proposing a classification tax.  
The three propositions were submitted  
by the committee, it was stated, so that  
either the income or classification tax  
could be selected, or if both systems  
were desired they could be adopted by  
voting for the second bill.

Representative Bussey, of Crisp, is of-  
fering a substitute for all three of the  
committee proposals. Briefly, his mea-  
sure contains provisions that no property  
now being taxed for state purposes, ex-  
cept during war, invasion or insurrec-  
tion, while all property returned to the  
Comptroller General of Georgia shall be  
taxed for state purposes. A three per  
cent. tax on insurance premiums also is  
proposed along with a limited income  
levy.

Mr. Bussey's measure is a revision of  
a bill he introduced early in the session  
and which was not adopted by the con-  
stitutional amendments committee.  
While these proposals are being con-  
sidered, the bill repealing the state tax  
equalization law, passed by the house,  
is hanging fire in the Senate. The  
leaders of the upper branch have stated  
they are awaiting action by the house  
on the tax reform measures before ac-  
tion on the repeal.

## THE COTTON MARKET

Reports of Showers Led to Renewal of  
Liquidation in the Market Today.

(By the Associated Press.)  
New York, Aug. 9.—Private reports  
of showers in the southwest and pros-  
pects for lower temperatures in that  
section led to renewal of liquidation in  
the cotton market today. The fact  
that the market will be closed tomorrow  
when weather advice may be of great  
importance undoubtedly increased the  
disposition to even up commitments, and  
the opening was weak at a decline of  
3/4 to 5/8 points with October selling  
down to 22.87 and with all months  
ranging below the 23-cent level.

Cotton futures opened weak, Oct.  
23.10; Dec. 22.89; Jan. 22.70; March  
22.70; May 22.65.

## Heat is Cause of 170 Prostrations at Funeral.

Washington, Aug. 8.—Intense heat  
caused 170 prostrations today among  
those in the Harding funeral procession  
from the White House to the capitol,  
in the lines of spectators along the route  
and the crowd awaiting entrance to the  
rotunda to view the body. First aid sta-  
tions and hospitals reporting that this  
number was given treatment, said none  
was in serious condition.

The temperature registered 90 degrees  
on the streets during the march. The  
heat was particularly oppressive, due to  
the high humidity.

## Grand Jury Gets Evidence.

(By the Associated Press.)  
New York, Aug. 9.—United States At-  
torney Haywood this afternoon announ-  
ced that he had laid before a Federal  
grand jury evidence against several per-  
sons involved by Edward M. Fuller and  
Wm. F. McGee, bankrupt bookkeepers, in  
their recent confession and indicated that  
indictments might be expected shortly  
accusing these persons of illegal connec-  
tion with a widespread bucketshop syn-  
dicate.

## New Airplane Record Made.

(By the Associated Press.)  
Philadelphia, Pa., Aug. 9.—A new sea-  
plane record was made at the Philadel-  
phia Navy Yard today when Lieutenant

over the Delaware River course at an  
average of 177.5 miles an hour.

The previous record, made a few days  
ago at Port Washington, L. I., was 177  
miles an hour.

fight between deputy sheriffs and strik-  
ers of the American Zinc Company near

## VETERAN CORRESPONDENT DEAD AT WASHINGTON

Edwin M. Hood, Correspondent of the  
Associated Press, Died Suddenly To-  
day.

(By the Associated Press.)  
Washington, Aug. 9.—Edwin M.  
Hood, veteran correspondent of the As-  
sociated Press, died suddenly at his home  
here today. He had been in failing  
health for some time, but his end was  
not so soon expected.

Mr. Hood was just about rounding out  
50 years of service with the Associated  
Press. He entered it as a messenger boy  
and as he advanced to the rank of cor-  
respondent he chose fields of diplomacy  
and state affairs as his work. To re-  
ceive the list of news feats he achieved  
in his field would be to almost review  
American diplomatic history of his day.

## COURT UPHOLDS THE SENTENCE OF KNUFF

Court of Cassation Rejects Appeal and  
He Must Serve Term in Prison.

Paris, Aug. 9 (By the Associated  
Press).—The Court of Cassation today  
rejected the appeal of Baron Krupp von  
Bohlen, head of the Krupp plant at Es-  
sen, and the other directors of the Krupp  
Company from the sentence imposed on  
them by the French court martial at  
Cologne. The court overruled the con-  
tention of the Germans' counsel that the  
offense was not committed in enemy ter-  
ritory.

## Lightning Kills a Caddy and Stuns Four Golfers.

Chicago, Aug. 7.—Four prominent  
Chicago manufacturers were stunned, and  
a 10-year-old caddy was killed by light-  
ning today near the twelfth hole on the  
links of the Westmoreland Country  
Club.

The boy who was killed was Nils  
Lindell Jr., son of a blacksmith of  
Evanston.

J. F. Carroll, assistant manager of  
the Sanitary Manufacturing Company,  
was so seriously shocked that it took  
nearly two hours to revive him.

C. B. Fulton, Western District Man-  
ager of the Sanitary Manufacturing  
Company; William Byrd Jr., and C. D.  
Little, Assistant Secretary of the  
Crane company, were the other affect-  
ed.
