STATE REGENT OF D. A. R. ISSUES INVITATIONS

Mrs. Tillett Sends out Circular Letter Concerning State Convention at Pinehurst in November. Following is the circular letter which has been sent to all state officers and regents of the Daughters of the American Revolution, relating to the state convention to be held at Pinehurst in November:

September 9, 1923. My Dear Madam Regent: The annual state conference of the North Carolina D. A. R. will take place at Pinehurst, N. C., November 7, 8 and 9. The opening session will be the night of the seventh at 8:30.

Invitations have been issued to Mrs. Anthony Wayne Cook, president general and other prominent women, who will address the convention, insuring a brilliant opening evening. It is the desire of your state regent that every loyal member will find it possible to be present and give the newly elected president general a cordial welcome.

In addition to the usual interesting business of the convention, there will also be some attractive social features. May I not depend upon you to help make this one of the largest and most enthusiastic conventions ever held in the state.

For your information I am quoting below, from article VI, page 8, of the state by-laws of the D. A. R.:

"Section 1. State conference shall be held annually. It shall convene on the first Wednesday in November. "Section 2. Each chapter shall be entitled to representation by its regent and one delegate (or their alternates) for the first 12 members; and one delegate or alternate for each additional 25 members. Names of delegates and alternates must be sent to the hostess chapter at least two weeks prior to the conference.

Convention headquarters will be at the Carolina hotel, and rates per day (including meals) are as follows: Single room with bath, \$10.50 per day; single room without bath, \$7 per day; double room with bath, \$16 per day; double room without bath, \$12 per day.

Pinehurst, as you know, is one of our most noted North Carolina winter resorts and is a "paradise" for golfers, may be reached by hard surface and sand clay roads from any point in the state. Also good railroad and Pullman service. Further information and schedule will be furnished you by your local railroad agent on application.

Looking forward with much pleasure to seeing you and feeling sure of your loyal support and co-operation, I am, Yours most sincerely, CARRIE PATTERSON TILLET, State Regent.

Patterson-Lippard. Announcement was made here today of the wedding last Wednesday, September 5th, of Miss Ruth Lippard and Dr. John A. Patterson, popular young couple of this city. The wedding was performed in Charlotte, and came as a surprise to the many friends of the couple.

Miss Lippard is a daughter of Mr. and Mrs. R. T. Lippard, and is popular with a wide circle of friends in this county. She is an alumna of Meredith College, where she attended college last year.

Dr. Patterson is a native of Cleveland county, but has made his home here for a number of years. He enjoys a lucrative practice in Concord, and in addition to his general practice for some time has been specializing in ear, eye and throat diseases. He was the first operator of the Concord Hospital, and the hospital property belongs to him now.

Dr. and Mrs. Patterson have just returned from a wedding trip to western North Carolina. For the present they are at the St. Cloud Hotel.

COOLIDGE GIVEN MORE PLEDGES OF SUPPORT

Rush to the Bandwagon Continues From All Parts of the Political Map. Washington, Sept. 13.—Assurances of support for President Coolidge in the 1924 political campaign continued today to reach the White House. They were brought by Republicans from several states who were among an unusually large number of visitors received by the executive during the day.

The callers included J. P. Spencer, chairman of the Wyoming Republican state committee; former Representative Bowers of West Virginia; Chandler, of Oklahoma, and Millsap, of Missouri; W. D. Sutton, state treasurer of Utah; Mrs. Lon Hooker, of Missouri, and associate members of the Republican national committee; and P. Giordano, of New York City, president of the Italian-American Republican league.

Mr. Giordano expressed the opinion that the Republicans of Oklahoma were solidly behind Mr. Coolidge for the Republican nomination and predicted that the Republicans would carry his state next year by an even greater majority than that in 1920. A similar view with respect to West Virginia was voiced by Mr. Bowers, who declared that Mr. Coolidge was very close to the people.

Mr. Giordano said he had assured the President of the support of the Italian-American league, which he stated has an aggregate membership of 500,000 distributed in 1,127 clubs over the country. The immigration and prohibition questions are subjects of great interest to Italian-Americans, Mr. Giordano said, adding that he hoped to discuss these with the executive at a later date.

The opinion that Mr. Coolidge has the full support of Utah Republicans was expressed by Mr. Sutton, who stated, however, that he had not talked politics with the President.

"Burbank" of Cape May Grows Apples With Pictures in Them.

Cape May, N. J., Sept. 13.—Professor Edward R. Brunyate, superintendent of the Cape May county public schools, said tonight that Cape May county, in the village of Cold Springs, has a rival of Luther Burbank. To prove his assertions Professor Brunyate displayed two big apples, under the peel of which were the initials J. C. E. and the words Cape May. Another apple showed a likeness of a pig. The initials are those of Joseph C. Elnott, the farmer who grows the fruit. Prof. Brunyate said Elnott could grow apples reproducing any scene on his farm he chose. The method is being kept a secret.

Firpo's Only Knockout Came From an Amateur. New York, Sept. 14.—Luis Angel Firpo was knocked out in his first ring appearance as an amateur in Argentina, but since then he has never met defeat, his record reveals.

Firpo's solitary defeat was at the hands of a gentleman amateur, Angel Rodriguez, now retired from active ring competition. It was in January, 1917. The Argentine followed this setback with a string of victories, first as an amateur, and then as a professional in various parts of South America. He won a score or more bouts by knockouts against leading South American heavyweights before he made his debut in the United States early in 1922.

Firpo has fought 13 times since then, six of his bouts occurring on exhibition tours of this country, Mexico and Cuba. He won all but two by knockouts. The record of these fights follows:

1922—Sailor Maxted, K. O., 7 rounds; Joe McCann, K. O., 6 rounds; Jack Herman, K. O., 5 rounds; Jim Tracey, (at Buenos Aires) K. O., 4 rounds.

Catawba College Sold to University of Asheville. Newton, Sept. 13.—At a meeting of the trustees of Catawba college in Newton Tuesday the building and grounds were sold to the University of Asheville for \$60,000. Dr. Hubbell, president of the Asheville institution, accepted the offer of the Catawba college trustees, subject to the approval of his board. Sixty days was agreed on as the time for closing the deal, conditioned on the approval of the Asheville trustees. The University of Asheville is now running a junior college in the property under a one-year lease. The enrollment is not large but satisfactory to the management, considering the short time for publicity work before the opening. The students in attendance are enthusiastic in their admiration of the faculty and the class of work being done.

"Miss Alaska" Ruled Out and So She Sues For \$150,000. Atlantic City, Sept. 13.—Suit for \$150,000 damages was instituted today against the Atlantic City carnival committee by "Miss Alaska," otherwise Miss Helmar Liederman, of Jeneau, who came here to participate in the recent beauty contests.

The young woman came here as representative of an Alaskan newspaper, but she was not permitted to participate in the beauty contests on the alleged ground that the pageant committee had not authorized that newspaper to hold a beauty contest to determine Alaska's entry. Last year the same newspaper sent an entry here who was permitted to compete.

Miss Liederman, in papers on file, sets forth that she was the object of unjust and humiliating discrimination on the part of the committee.

BRITT GETS BETTER OF TWO MEMBERS OF KLAN

Meets Kluckers on Field of Honor and Mauls 'Em, But Police Get Him.

Asheville, Sept. 13.—To the consternation of James J. Britt, Jr., to remove from the parade of the Ku Klux Klan last Thursday night O. K. Bennett and Bill McConnell, and bore their physiognomies to the multitude, was traced the inception of the trouble which resulted in Britt's arrest for interference with an officer. He was held not guilty of that offense today by Judge Cameron F. MacRae of city police court, who said his language toward Patrolman Fisher was such that he might have been convicted of disorderly conduct, although there was nothing about his action to hold him for preventing a policeman from discharging his duties.

The hearing before Judge MacRae was followed soon after by a trial of Britt in the court of Magistrate Johnnie Will Hunneycutt for assault on McConnell and the issuance of a warrant for McConnell for an assault on Britt. The two are said to have gone to the field of honor following the acceptance of a challenge immediately after the city court sitting. McConnell having heard in police court Britt's statements as to his desire to show the phiz of McConnell, who is said to have accented Britt as he passed from the municipal chamber and told him he was ready for a fight.

Familiarity with the duello accorded Britt the choice of weapons, and he selected nature's fists. A private alley was the scene of the duel, according to witnesses. Britt has the best of the encounter. Following the fight, both were taxed the costs by the magistrate. A warrant for Britt's arrest was later issued at the police court station, and he was placed under \$100 bond. McConnell hasn't been arrested.

Britt is the son of James J. Britt, former congressman from the tenth district, and now solicitor of prohibition at Washington. He served overseas. McConnell is a former organizer for the Ku Klux Klan, and the son of a prominent merchant.

Britt has been one of the klans' bitterest opponents, and sensational developments are promised in the near future.

TURN HAIR DARK WITH SAGE TEA
If Mixed with Sulphur It Darkens So Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.
