BIBLE THOUGHT FOR TODAY

HUMBLE YOURSELVES:—Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time: Casting all your care upon him, for he careth for you.—1 Peter 5:6, 7.

CORN BREAD.

A theoretical cook, one who makes a living by giving advice rather than by producing the goods, published a formula for a new kind of corn bread, and the formula justly aroused the wrath of some of the most prominent writers in the South.

Colonel Henry Watterson, then in retirement near Louisville, saw this attack by Bailey, upon the newest view, and, though more than eighty years of age, the intrepid Colonel rushed to the side of the Texas colonel to strengthen his arm in the attack.

"Corn bread with sugar in it was an invention born to the Devil, planted in New England and sent South by our enemies. It is threatening the life of real corn bread right in the land of its birth. It has done, and is doing, worse. It makes men trifling and women frivolous. It is responsible for most of the murders, suicides and divorces. It is the mother of Bolshevism and the dady of anarchy. It weakens the brain, infuriates the liver and grows people pot-bellied. It brings corns and baldness and sallowness to the complexion. It makes the nose shiny and the skin pimply.

"It is the underlying cause of Pnyrrhea. It emboldens a man to refuse his wife's request for money. But for sugar in corn bread, there would be no war, no flies, no mosquitoes, no roaches, no I. W. W., and no Republican party.

THE "WISCONSIN IDEA"
At a recent meeting of State Treasurers and Auditors, held at Asheville, the Treasurer of Wisconsin explained what is meant by the "Wisconsin idea" as applied to his method of dealing with State funds.

cises the previous policy of buying bonds or investing State funds outside of the State. "Sending money out of the State in times like these," he says, "is like feeding all your pure fresh Holstein milk to your pigs and buying skinned milk for your babies."

PAUPER VETERANS TO BE BURIED BY GOVERNMENT

Veterans' Bureau Officer Describes Manner in Which Federal Aid Can Be Secured.
Raleigh, N. C., Sept. 17.—The procedure necessary to be followed in securing federal aid for the burial of veterans of certain wars who die indigent is outlined in a circular letter sent out by M. Bryson, district manager of the United States Veterans Bureau, Atlanta, Ga., a copy of which has been received here.

"Congress enacted at the last session," says the circular letter, "a law providing that a veteran of any war who died after discharge, or resignation from service, and who served in the military or naval forces of the United States during any period of the Mexican War, the Civil War, the Spanish-American War, the Philippine Insurrection, the Boxer Expedition, Cuban Pacification, Nicaragua Campaign, Vera Cruz Expedition or the Punitive Expedition to Mexico, and the world War, would be entitled to burial at the expense of the government.

"The intent of the law enacted by Congress is to provide burial expenses and transportation to place of burial for deceased veterans up to \$100, provided that no provision is made either by the state, city or county, or by the deceased relatives or by any other means for his burial, and before this office can authorize the burial, this information must be available.

"The law provides that a sum not exceeding \$100 should be allowed for actual burial expenses, and in addition, an amount not to exceed \$5 for furnishing a flag to drape the casket; also the actual and necessary cost of transporting the body of the deceased to the place of burial within the continental limits of the United States.

"It is essential, however, that when reporting the death of any of the veterans of the wars mentioned above for who it is desired to obtain authority for burial or transportation to place of burial, that each post (American Legion) and chapter (of any other veterans' organization) submit with the request to the bureau that it authorize burial expenses up to \$100, the following information:

"1. Evidence should be furnished that the deceased veteran was honorably discharged from the military or naval forces in any of the wars mentioned, by submission of a certified copy of his discharge or other evidence of a similar nature which will show that he was a veteran of one of the wars above referred to.

"2. Whether the deceased veteran died a pauper, and whether or not he was entitled to insurance benefits from any fraternal organization, and whether application will be made therefor.

"3. Whether any money or property was due the deceased veteran from solvent debtors to the deceased veteran at the time of his death.

be made to ship the remains to the nearest national cemetery of the government for burial.
"In the event that a request is made by telegram for the disposition of the body of the deceased veteran, the telegram should embody as far as possible, the information requested herein. Failure to do so, will cause delay in disposing of the remains of the deceased veteran, and the telegram should be supplemented by an affidavit from the person having custody of the body incorporating the information requested. After authority is received from this office for burial expenses up to \$100 the undertaker's bill should be forwarded to this office for approval and transmittal to our central office for payment.

Greasy Neale Starts Virginians to Work.

University, Va., Sept. 18.—More than 1500 football candidates have been issued equipment and although the routine of registration has prevented all of them from reporting for the same practice periods all of these and more will be out on the field next week. This number is divided somewhat evenly between varsity and first year squads. This is twice as many as were out the same time in 1922.

Sam Ward, who came on Friday afternoon, is the last to arrive of all the letter men expected back and his return assures Coach Earle Neale of eleven veterans from the 1922 season around which he can build his team. With Ward and Tom Hall, 1922 captain, both back in the guard positions and Fred Thesmar playing center great strength is assured in the middle of the line.

Captain Staige Blackford will fill one of the tackle positions and Coach Neale has a good group of men from which to select some to replace Charlie Fenwick on the other side of the line. Until Ward returned the coach was somewhat bothered about finding the needed guard but with such men as Jim Winston, the Weaver brothers, Buck and Jim, and George Rainey to pick from no trouble is expected in training a tackle.

Although Bill Dietrick is the only varsity end on the squad Coach Neale is not bothered about his flank positions, but he is going to put some of his candidates through a long period of hard work before the ends of the line are properly cared for.

Training has reached the signal practice stage early this year and a few light scrimmages have also been on the program. Both varsity and freshman candidates have been divided into elevens and put to rushing the ball up and down the field.

In addition to Henry Foster and Tom McCoy, quarterback last year, Benny Arnold has also been running the team as have Carter Diffe, Hal Little and Bruce Carney. Under Coach Neale's system of plays the quarterback is used to carry the ball just as any of the other men behind the line.

Sam Mamphis, Paul Walp, and Mait Wilson from the varsity of a year ago with Bobby Taylor and Matthew Gibson, first string substitutes, and Joe Baldwin, Don Darby, Willis Jones, Sam Taylor, Charlie Groselove and a good many others from the former first year squad are working as running backs.

SHORTAGE OF LABOR IS REPORTED IN STATE

Employment Agencies Has Calls For Workers They Could Not Secure.
Raleigh, N. C., Sept. 18.—Requests for help made by employers during the week ending September 15 to the federal state employment offices in North Carolina exceeded the number of applications for employment by nearly 100, according to the weekly report of M. L. Shipman, state commissioner of Labor and printing, who is also director of the employment service in North Carolina.

In announcing the weekly employment returns, Commissioner Shipman advised that the commissioners of Charlotte and the county of Mecklenburg had increased their local appropriations to the Charlotte employment office for the next two years. He expressed great satisfaction in the action of the commissioners of Charlotte and Mecklenburg county which he termed as "manifest approval of the service rendered."

Senators Tie Own Double Play Record.
Washington, Sept. 18.—Washington tied its major record of 168 double plays in one season, established last year, in the second game with St. Louis here today. Bluege took Ezzell's grounders, tagged Gerber on the base line and retired the batter at first to complete the play which tied the mark. The Nationals have 16 more games to play this season.

DINNER STORIES

"Mr. Daring," said the movie director, "in this scene a lion will pursue you for 500 feet."
"Five hundred feet?" interrupted the actor.
"Yes, and no more than that—understand?"

The hero nodded. "Yes, I understand, but does the lion?"

Clerk—Yes, ma'am.
Customer—Invisible?
Clerk—Yes, ma'am.
Customer—Let's see one.

Both were wireless enthusiasts, and after the manner of those who fish and those who grow vegetable marrows, they told each other that each possessed the finest apparatus in the world.
"Do you know," said the first, "I distinctly head the scene shifters talking the other night?"

His companion took a deep breath. "Why, listening in to the performance of 'The Merchant of Venice' the other night, I not only heard the applause, but could distinctly hear the cries of 'Author!'"

Nell: "She never takes a man seriously."
Helle: "No, she has been divorced at least five times."
Blobs: "Hardruppe comes from a swell family, doesn't he?"
Slobs: "I suppose so. At least he's a sponge."

Miss Caustique: "Why so silent?"
Mr. Saphedde: "I am occupied with my own thoughts."
Miss Caustique: "I wondered why you had such a vacant look."

"Think hard, sister, and be sure you are right," replied the wise wisdom seeker.
"I'm married to a blonde."
