Things are getting brighter right along. Even the leaves on the trees are turning.

Winter is coming pretty quick. Lay in some more coal and take a few more baths.

One cause of trouble is fall is so pleasant you have to fuss other things besides the weather.

Many a small boy is kept in after school because his father worked his arithmetic wrong.

Hairdressers say bobbed hair must go. Their cry is "The hair, long may it wave."

Since oysters came back nine million pieces of shell have been mistaken for pearls.

Better start letting your whiskers grow now as preparedness against Christmas neckties.

Don't keep your wife at home too much. If you do she may learn to make salads.

There is money for some one in putting up coal like cough drops to be sold in drug stores.

You can't convince those who take up tickets at the movies that marriage makes two people one.

A man will fuss his stenographer all day because his wife refused to cook him any breakfast.

One girl tells us she has a fellow so stingy he figures out how much it costs him yer hug.

Great success is a doubtful prize. To get it you either work too much or too much.

CALL FORD-FOR-PRESIDENT CLUBS TO MEET IN DETROIT

Movement in Behalf of Manufacturer Takes Major Step Forward. Detroit, Oct. 23.—The movement initiated by a small group of Henry Ford's friends and neighbors to make him President of the United States took its first major step forward today in the announcement that Ford-for-President clubs, scattered throughout the country, will be called into conference here December 12, 13 and 14.

Formation of a new national political party with Mr. Ford as its standard-bearer was announced as the object of the conference.

Admitting the sponsors of the movement had no assurance from Mr. Ford that he would accept leadership of the proposed new party, William Kronberg, Dearborn editor, and one of the founders of the original Ford club, announced that decision to call the conference was at the insistence of similar organizations throughout the country.

The calling of the December conference as decided upon at a meeting of representatives of three Michigan clubs held here last night. Resolutions inviting the cooperation of the National Grange, the American Federation of Labor, the Farm Bureau, the Farmer-Labor party and kindred organizations were adopted by the meeting.

Leading Mr. Ford as representing fully 100 per cent of what American institutions stand for, the formal call for the conference will say:
