W. D. HARRY DIED AT HOME EARLY THIS MORNING

Death Came Suddenly From Stroke of Apoplexy—Was One of County's Most Prominent Men.

W. D. Harry, one of the most prominent farmers in the county and member of the board of county commissioners, died this morning about 7 o'clock at his home at the "Morsehead Place," death being caused by a stroke of apoplexy. Mr. Harry was in his usual health when he arose this morning and he was fatally stricken while washing his face. He lived only a few minutes. Funeral arrangements have not yet been made, the hour to be determined after relatives have been advised. Mr. Harry suffered a stroke of paralysis a number of months ago and was critically ill for several weeks, when he suffered the second stroke. For the past year, however, he had been able to conduct his business affairs as he retained all his faculties, and he was as well as usual when he arose this morning. The announcement of his death spread rapidly over the city and county and came as a distinct shock to his host of friends.

Mr. Harry was born September 13, 1850, and on October 23, 1888, was married to Miss Alice Patterson, of Huntersville, N. C. Mr. Harry was 64 years of age and had made his home in Cabarrus county for 36 years, moving with his family from the Hopewell community of Mecklenburg county. He took keen interest in all public matters, and was an enthusiastic supporter of all community movements. He was recognized as a very successful farmer, and in addition to his farming interests was connected with several business enterprises. His home, "Morsehead Place," is known throughout Cabarrus and Mecklenburg counties and the genial hospitality of Mr. Harry, together with the interest shown by other members of his family, made it a pleasure for friends and relatives to visit there.

Surviving are his wife, several children and several brothers and sisters. The children are: Mrs. George Trotter, Albemarle; Miss Mary Harry, who lives at home; Mrs. R. V. Caldwell, Jr., of Concord; Miss Julia Bonnie Harry, of Roanoke Rapids, N. C.; Mrs. Lois Orr Stephens, of Charlotte; Miss Addie Sue Harry, of Windsor; William Harry, who lives at home, and John Harry, of Albemarle. Surviving also are two sisters, Mrs. F. C. W. Kramer, of Leesburg, Fla., and Miss Addie M. Harry, who lived with her brother.

Mr. Harry, at the time of his death was serving as county commissioner, having been elected last year. He was preparing to attend a meeting of the board here today when stricken. He was a member of the Harrisburg Presbyterian Church and was at all times an active worker for his church. He was also intensely interested in school matters and was a liberal contributor to school funds. The death of Mr. Harry removes from Cabarrus county one of its most useful citizens.

Mt. Pleasant Defeats Albemarle High School

Mt. Pleasant, Nov. 3.—Playing with machine-like precision and exhibiting a versatility of attack which their opponents could not fathom, the Mount Pleasant Collegiate Institute football team overcame Albemarle High School here yesterday afternoon by a score of 46 to 6. Although the visitors fought hard and put up a clean game, they were completely outclassed and seldom were able to register first downs, being forced to do a great deal of punting. The locals smashed their way to victory through the excellent work of the backfield men who could not be held by the opposition. The outstanding feature of the game was contributed by Charles MacLaughlin, captain and quarterback of the locals, who made a broken field run of 90 yards for the first touchdown of the game. Other feature plays were made by A. MacLaughlin, Stroup, Joe Smith, and Beaver, all of whom went over the line for touchdowns. Buchanan and Goodman also were noted for good work as backs. The line of M. P. C. I., composed of Watson, Beaver, Little Walters, Shaw, Thomas, together with Amick and Stroup as ends, held like a stone wall, the opposition having many of its attempted plays spoiled before they got under way. During the last half of the game many second string men were sent in, all of whom gave good accounts of themselves. As this is the first year of football at the Institute and as the team has already won three victories, the students are highly jubilant over the good record of their team. The next game will be with Huntersville High in Charlotte on Friday, November 9th, at which time the boys expect to do their best. M. P. C. I. is very anxious to schedule a game with Concord High School in order that the championship of Cabarrus county may be settled beyond all doubt. It is hoped that such a game can be arranged later in the season. Concord ought to feel keen interest in the Institute team, as three Concord boys, Roy Beaver, Harry Watson and Joe Teal, are making names for themselves on the gridiron here. The score by periods: M. P. C. I. 13 6 14 13 46 Albemarle 6 0 0 0 6 Jealousy is the fear of our own inferiority.

DEATH YESTERDAY OF H. G. RITZ IN CHARLOTTE

Had Been Ill For Some Time and Death Was Expected—Funeral Services Tomorrow Afternoon.

Henry G. Ritz, for 44 years a merchant in this city, died yesterday afternoon at 3 o'clock in the Charlotte Sanatorium, death being due to Bright's Disease. Mr. Ritz had been in ill health for several months and his condition during the past several days had been so critical that little hope was entertained for his recovery. Funeral services will be held tomorrow afternoon at 3 o'clock at the home on East Depot Street, and interment will be made in Oakwood cemetery. The services will be conducted by Rev. L. A. Thomas, pastor of St. James Lutheran Church.

Mr. Ritz was born in Anderson, S. C., on February 14, 1856, a son of the late Mr. and Mrs. Karl Frederick Ritz, who were born in Germany. As a youth he attended a German school in Baltimore and later, after moving to Salisbury, he attended North Carolina College at Mt. Pleasant, where he received his English education. Mr. Ritz moved to Concord in 1880, and had been in business here continually since that time. The deceased was married on August 11th, 1880, to Miss Carrie Elizabeth Heathcote of this city. To the union four children were born. Mrs. Ritz and the following children survive: Miss Studie Lee Ritz, of Concord; Charles H. Ritz, of Chicago; Mrs. Anna Ritz Paris, of Concord; and Daniel F. Ritz, of Pineville. One granddaughter also survives.

Mr. Ritz was a member of St. James Lutheran Church and was actively identified with the church for many years. At the time of his death he was Esteemed Leading Knight of Concord Lodge B. P. O. E., and during his membership with the Elks had held several other important offices. Mr. Ritz was one of the most popular merchants in Concord. He was especially popular with the children as he carried a variety of toys and candies at all times, and always had a pleasant word and smile for all the children, who entered his store. He was successful as a merchant and was recognized as a very useful citizen.

Surviving are his wife, several children and several brothers and sisters. The children are: Mrs. George Trotter, Albemarle; Miss Mary Harry, who lives at home; Mrs. R. V. Caldwell, Jr., of Concord; Miss Julia Bonnie Harry, of Roanoke Rapids, N. C.; Mrs. Lois Orr Stephens, of Charlotte; Miss Addie Sue Harry, of Windsor; William Harry, who lives at home, and John Harry, of Albemarle. Surviving also are two sisters, Mrs. F. C. W. Kramer, of Leesburg, Fla., and Miss Addie M. Harry, who lived with her brother.

HAVE DARK HAIR AND LOOK YOUNG. Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea. Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair. Well-known druggists say everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

KAPLAN CAN NOT RECOVER HIS PHYSICIAN SAYS. Car Stolen By His Assailant Is Found Parked 90 Greenboro Thoroughfare. Greenboro, Nov. 4.—The automobile in which an unidentified man escaped from here Saturday after shooting and clubbing A. W. Kaplan, a pawn broker here, in the latter's store, was found parked on a street here today, it had been run about 300 miles, the speedometer showed. H. K. DeVere, Lewiston, Pa., to whom the car belongs, and from whom it was taken, with \$150 by the desperado, identified the car as his. There is yet no trace of the man. Police believe that the unknown man brought it back here himself, fearing capture in the car, preferring to take his chances on getting away on train. One armed, it would be easier to escape detection on train than in car. Kaplan, who has been unconscious since Saturday at noon, underwent an operation this afternoon to have a blood clot on brain removed, physicians think. Winning Jockey to Glenn Nifty Check. Latonia, Ky., Nov. 3.—Owner Carl Wiedemann, who won \$50,000 as first prize for his Messenger's triumph today, presented the boyish-looking Jockey J. Garner with a check for \$10,000 as a reward for his victory. The fractional part of the race shows that Zev finished past the first quarter in 24 2/5; the half in 49 1/5; the three quarters in 1:14 3/5; the mile in 1:31; the mile and a quarter in 2:08 1/5, and the mile and a half in 2:34 4/5, where he lost the lead. The race in 3:00 2/5 was nearly six seconds slower than the American record. The result of the race, in the opinion of the "fast" experts, proved nothing except that neither Zev nor My Own is invincible, and that in Messenger is a fast and game colt. The experts, however, regard that controversy that has raged around the merits of Zev and My Own ever since Zev was named to race Papyrus was at least partly settled when Zev finished eight lengths in front of My Own.
