The Concert Friday Evening.
The concert given in Concord Friday evening under the auspices of the Woman's Club was an event in the life of the city.
The program was exceptionally fine and the execution of all the artists proved their ability.
The beautiful voices of the operatic singers gave us an idea what Grand Opera is. Mme. De Sain as a violinist, sings with the leading virtuoso's in interpretation and execution. Mme. Genevieve breathes the spirit of grand opera. She has been called the Carmen of Italy, and it is to be regretted that we could not hear her in that role. Mme. Everman charmed the listeners with the purity and youth of her voice. Beautifully she rendered each number. The pianist has been for many years an accompanist for famous violinists—Kreiser, Heifetz, Elman—and contributed to the harmony of the perfect ensemble Friday evening.
We thank Mrs. Womble, chairman of the Music Department, for bringing to Concord this wonderful array of talent.
"THE WOMAN'S CLUB"

Woman's Club Meeting.
An enthusiastic meeting of the Art and Literature Department of the Woman's Club was held with Mrs. Hinton McLeod, on Loan Street, Thursday largely attended of the present club year, and the following interesting program was given:
Short story form compared to the movie—Mrs. Paris Kidd.
Sketch of Irving, Hawthorne, a comparison—Miss Constance Cline.
Reading and criticism of short story—Miss Addie White.
Miss Helen Patterson rendered some Carolina folk songs to the delight of all present.
At the conclusion of the program Mrs. McLeod served delicious refreshments.
The next meeting will be held in December with Misses Addie and May White, and Elizabeth Black as joint hostesses.

Miller-Cooke.
The following announcements will be read with interest here:
Mr. and Mrs. Baxter H. Cooke announce the marriage of their daughter Flora Dixie to
Mr. Charles LeRoy Miller on Friday, November Sixteenth Nineteen Hundred and Twenty-three Kannapolis, North Carolina.
Mr. and Mrs. Miller left immediately after the ceremony for a wedding trip. Later they will be at home in Concord. Both are popular with a wide circle of friends and the announcement of their marriage will be of interest in social circles throughout the county. The groom is a son of Mr. and Mrs. John L. Miller, of Concord.

Mission Study Class to Meet.
The Mission Study Class of Central Methodist Church will meet Monday at 3 p. m. in the ladies' parlor of the Church. Rev. Clarence Norman, returned missionary from Japan, will make an address at the meeting. Mrs. W. C. Houston, Mrs. W. H. Fisher and Miss Pat Adams will be hostesses.

M. P. C. I. DEFEATS BELMONT ABBEY HIGH AT FOOTBALL.

Final Score Was 44 to 0 in Favor of Cadets Who Have Won Four Straight Games This Season.

Mt. Pleasant, Nov. 17—Sweeping down the field time and time again with irresistible force, the Mount Pleasant Collegiate Institute football team won its fourth consecutive victory of the season here yesterday afternoon when it downed Belmont Abbey High 44 to 0. While the score would indicate a one-sided game, such was not the case, for during the first half the cadets were able to put across only one touchdown, owing to the airtight defense of the Abbey boys. In the second half, however, the cadets struck their real stride and turned out touchdowns with great regularity. Credit for the victory must be equally divided between the line and the backfield; the linesmen held like a stone wall for the cadets on defense, and offensively tore great holes through the Belmont line into which plunged the backfield men for long gains. All of the backs for the Institute, Chas. MacLaughlin, Buchanan, Lex MacLaughlin, and Joe Smith performed in a high-class way, particular credit being due to Smith for his ability to break up forward passes. The giant fullback once received a visiting pass and ran 65 yards for a touchdown.

For Belmont the outstanding players were Capt. Milde, Kennedy, and the left end. The whole team showed great improvement over previous games, and surprised the spectators by their strong defensive work. The boys played hard, clean football, and the cadets were pleased to meet such good sports and strong players.

The score by periods:
M. P. C. I. 0 0 20 18 44
Belmont Abbey 0 0 0 0 0

Referee: Albergotti, Citadel. Umpire, Blume, Newberry. Headlinesmen, Hurt. Time of periods, 12 minutes.

Concord High Defeats Mooresville High.
Before a large and interested crowd of rooters, the Concord High School boys added another victory to their credit, when they defeated the Mooresville High School Friday, November 16th, at the score of 9 to 0. The local boys led throughout the game. The Mooresville boys put up a strong line of defense, but it was of no avail. The touchdown came in the third quarter, while they made a field goal in the first quarter. In the first quarter the ball was generally in the Concord territory. After three downs Sullivan made a place kick making the score 3-0. In the second quarter the ball was generally midship of the field. Many passes netted both sides gains. After two downs for Concord Sullivan, quarterback, made a run of forty yards. After many passes and end runs Concord was within ten yards of a touchdown. Sullivan made the touchdown through split formation.

For Concord Sullivan, Litaker, Verbie and Cleaver played best ball, while the rest of the players were on their toes at all times.
For Mooresville, Stafford, B. Evans Ferguson played the best ball.
Substitutes: For Concord: Fink for Krider; Brown for Fink; Brown for Verbie. Substitutes for Mooresville: Mills for Hartness; Hager for McConnell.

No Respector of Persons.
Raleigh News and Observer.
Nobody believes that Dr. McBrayer is dishonest or that he is unworthy. He confessed to being guilty of violating the law by selling to the institution of which he was the head, giving in extenuation that he did not know he was violating the law. The law in such a case is plain. It says that the person so dealing "shall be forthwith removed from his position in the public service, etc."
Judge Sinclair had no alternative except to enforce the penalty. He gave the minimum sentence. The law is no respector of persons.
This action should sharply call the attention of all men holding public positions to the statute which is published elsewhere in today's paper.

Going to Dress a Doll for Christmas?

Here's a modern doll's outfit—an envelope chemise, a fashionable frock with straight ruffled front and back panels, a cape with a collar and a hood trimmed with a pleated frill. The ensemble is one to delight the feminine heart.

Tradition Easily Acquired.
There is a peculiar flower growing in Central America which bears in the center of the petals a snow-white image of a dove. The Spaniards, upon discovering this peculiar blossom, called it the Holy Ghost flower, and soon created a tradition according to which it came down from heaven.
Rings of Trees.
The structure of the wood developed in the summer is different from that which is developed in autumn, and the alteration makes the lines of growth show plainly. Some tropical trees show no annual rings, probably indicating that the growth is identical throughout the year.

Question: What Causes some retreads to wear down faster than others?—Q. M., Kansas.

Answer: Maximum tread wear depends on a great many conditions. The tread may be overcured, causing an unnatural wear.

The tire may not be properly centered on the wheel, which will cause it to run out of line. Misalignment of wheels, results in treads wearing out prematurely. A 30x3 1-2 tire, 94 inches in circumference, will drag approximately 929 feet in running one mile, if it is out of line only one degree. In inches 1-16-inch misalignment causes the tire to add 13 feet per mile; and 1-2-inch, 115 feet per mile.

Tires of different size wear down in relatively the same ratio per degree of misalignment. Experiments show that the wheels of a car to give the best service should be "toed in" from 3-16 to 3-8 of an inch, and that they should be slightly farther apart at the top than at the bottom.

Other causes for unnatural wear are: Misuse of brakes. Sudden application of clutch. Driving in street car tracks. Sprung wheel. Worn hub. Bearings out of adjustment. Worn Knuckle bushings. Loose arms in a knuckle.
