Tuesday afternoon, while the lot was being cleaned off and the trash being burned, the seven-year-old daughter of Mr. and Mrs. Burt Bass received injuries from burns which resulted fatally, death coming at 4 o'clock Wednesday morning in the Concord Hospital. The child's clothing was set on fire by getting in close contact with the burning rubbish. Interment took place this afternoon in the cemetery here.

Mrs. Charles Davall will entertain the Social Hour Club Tuesday at her home in Concord.

Miss Robbins, of Charlotte, who is attending school at Wincoff, spent the week-end with her sister, Miss Elizabeth Robbins.

Miss Bennett, of the Trotter staff of workers, gave a soul-stirring address Sunday afternoon at the Baptist Church to the ladies of the town. Mrs. R. T. Frye was in charge of the music. Both the address and the music was much enjoyed. During the same hour Mr. Trotter spoke very interestingly at the Y. M. C. A. auditorium filled with men.

The afternoon meetings will close tomorrow. These meetings which have been growing in interest, are much enjoyed. Mr. Trotter has been lecturing from Romans, and those who have been hearing Mr. Trotter have been much edified. Miss Bennett continues to teach the various grades at different hours. The High School meets with her this week at the A. R. P. Church. She meets with the children at the North School this week, having met the past week with the South School. The evening services, also continue with unabated interest. The singing in charge of Mr. Hammontree, with Mr. Hermansen as pianist, is much enjoyed, and adds much to the services.

Mrs. E. F. Carter, who was recently taken violently ill at a Rutherfordford hotel, is slightly improved.

Out of 480 or 485 votes cast here on the county-wide school tax, only about one-tenth were opposed to the tax.

The culinary skill of the ladies who prepared the supper was exhibited in a high degree, the supper being so much enjoyed that about half a hundred had to be turned away. Nearly \$70 was realized.

Friday night at the Wincoff school house the Missionary Society of Mt. Olivet Church will have an apron social and measuring party. Noodles will be served free.

## CONCORD PYTHIANS ASKED TO DONATE FOR ORPHANS

Campaign Will Be Waged in This County in Connection With State-Wide Campaign.

According to announcement of local officers of the Knights of Pythias here, a whirlwind campaign will be waged throughout North Carolina among the members of the Order during the Thanksgiving season for the purpose of raising \$50,000 balance of the \$100,000 needed to construct another big building at Clayton, where the Pythians have had in operation an orphan home for many years, supported by members of the order and which they regard as one of their greatest assets.

Already \$40,000 is in hand and it is proposed that during this season of bountiful giving, to all legitimate institutions, having the care of unfortunate and needy little ones under their supervision and direction, that this amount will be easily secured to meet the urgent demands of the Clayton home.

Every Pythian who has not already subscribed to this fund is urged to make his contribution at once, and those who have done so are requested to increase their subscription, where it is possible, as it is especially desired that the \$90,000 balance be raised at this time, and that work on the building be begun and completed.

All contributions should be sent to the officers of the local lodges at once, where proper credit will be given. The Pythians Home is rearing and educating children of deceased members of the Order and it is said that the facilities for the proper care of those seeking admission are inadequate, hence the necessity for the \$100,000 to provide additional facilities.

## FATHER FINDS WIFE AND BABY IN POOL OF BLOOD

Savannah Mechanic Returns Home With Son to Find Wife and Baby Murdered.

Savannah, Ga., Nov. 21.—In a pool of blood with several cuts on the throat and everything about indicating a severe struggle, the body of Mrs. Agnes Mudie was found by her husband, a mechanic, who returned to his bungalow home on La Roche avenue, seven miles from Savannah early tonight.

Beside the body of the mother, with her toys strewn all about, was the body of the baby daughter, Doris, who had been struck dead by a blow from a hatchet.

Mr. Mudie and his 14-year-old son, Lester, left home this morning shortly

after 6 o'clock for Savannah. They returned about 7 o'clock tonight and finding no lights burning in their home immediately made an investigation.

The body of Mrs. Mudie was found in the kitchen. Blood was spattered all about the room. By her body was a broken razor, the hatchet of the household was missing, and from the wounds on the woman's body it was evident that the slayer resorted to the hatchet when the razor was broken.

As soon as the alarm was given county police with trail hounds went to the scene. The coroner was called and it was found that both the mother and baby had been dead from six to eight hours. The trail-hound failed to pick up a scent and late tonight the county police declared they had no semblance of a clue to the slayer. Just behind the home is a dense swamp and it is thought, inasmuch as the slayer was undoubtedly despatched with blood, he made for this hiding place.

## EVIDENCE TO INDICATE HARRILL WAS MURDERED

Buncombe Hermit Found Lying in Pile of Trash and Ashes With Throat Cut.

Asheville, Nov. 21.—Theories of suicide and murder growing out of the mysterious death of Lindsey Harrell, 76 years old, in Haw Creek several days ago, have failed to offer a solution, Sheriff J. A. Lyster said today.

Harrell was found lying in a heap of trash and ashes near his two-room log cabin in which he lived like a hermit for some time. No weapon was found, although a close search was made of the area for many hundred yards around.

While relatives of the aged man, living several hundred yards below him in the cove, suggest that he killed himself, the sheriff is inclined to believe the deep knife wounds in his throat and side were inflicted by younger and stronger hand. The man was stabbed in the throat and twice in the side. The wounds were evidently inflicted while Harrell was near the spot where he was found later, for a large pool of blood was there.

Following the coroner's inquest and the verdict of the coroner's jury that the old man came to his death from knife wounds inflicted by unknown hands, the relatives were permitted to bury the body several days after the tragedy. Accepts a Call to Church in Concord.
