IN AND ABOUT THE CITY

THE "Y" FOLK NEWS

Concord's business men will send their volley ball team to Greensboro for a match with the representative business men's team of that city. Concord has some splendid material, and although they have been defeated the last two times, the fact that other teams are using the best material that the leading colleges have had the honor of claiming as star players explains the reason for these defeats. Concord will play Charlotte next Friday evening for recreation in the State meet in this zone. Charlotte has had claim to the title in this section and will play Asheville for the western section if Concord is defeated, Friday evening.

The Business Girls' Class.

The business girls of Concord have the benefit of the Y. M. C. A. gymnasium floor on Monday evening from 7:30 to 8:30 p. m., and also on Thursday evening at the same hour. There are several business girls who have over missed a class since it was organized the latter part of last year. Other business girls of the city are letting a mighty fine opportunity for healthy recreation and fun slip through their hands when they pass up a chance to visit the classes regularly.

Big Outing For Girls.

The junior "A" girls and the High School girls of the Y. M. C. A. gymnasium classes will be given a big outing on Saturday, the 29th. The girls will leave the "Y" in trucks for a trip out into the open. Each girl who owns a camera or a kodak will take it and some fine opportunities will be open for some nice pictures. The weather will be warm enough, and if the weather man will make it a fair day, some real enjoyment is in store for the girls on the outing. Dinner will be cooked while away, and the outing will last all day long. Start will be from the Y. M. C. A. at 8 a. m. and will return at 6 p. m.

First Advance Man For Big "Y" Circus Due.

The big "Y" circus will hit this town on April 11th. The first advance man is due here tomorrow or next day. Everybody will be anxiously waiting for the day for the circus, and the kiddies will more than likely be a bit impatient if the calendar leaves don't move faster. The circus will be the biggest thing yet that has hit the town, and over one hundred and eighty boys and girls of Concord will take part. Costumes, rigs, and outfits are being rapidly shaped and constructed, and the men in charge of construction are rushed for time to get material and build equipment, properties, etc., in time for satisfactory rehearsal, but it will be put through on schedule, time or the construction bosses will get the air.

Many letters are being received from both people and organizations commending the first Y paper issued several weeks ago. A number of papers have made remarks concerning the Bible story telling contest and it is hoped not only to carry a message of news and good will to our own community, but to let the outside world know that the people of our city are doing things worth while.

Mr. Parks to Return.

Albemarle News-Herald.
The News-Herald is quite sure that the people of Albemarle and Stanly county will read with much satisfaction the announcement that Mr. C. E. Parks, of Concord, is to return to Albemarle to assume the management of the Belk-Parks Department Store here. Mr. Parks acted in that capacity for quite a while several years ago, and when here, made many warm friends throughout this and adjoining counties. His return to Albemarle as a resident will not only be a source of pleasure to his personal friends, but will mean quite an addition to Albemarle's business life. Mrs. Parks is quite well known in social circles here, having been a teacher in the local schools prior to her marriage to Mr. Parks. The announcement of his return of this popular couple will in a way balance the disappointment felt at the department of Mr. J. W. Gudger, who goes to Mooresville to take charge of the management of the latest chain of the Belk-Park link, the new store just opened there last week.

Concord Track Meet to Be Held on Saturday.

Charlotte Observer, 21st.
The Charlotte "Y" track team has been putting in a lot of hard work in preparation for the visit of Concord. The Cabarrus county boys who come to Charlotte Saturday are likely to find some stiff opposition. From all accounts they have a splendid team and therefore a good meet is expected.

The Boys will be divided into weight divisions, those between 60 and 80 pounds, 80 and 95 pounds, 95 and 110 pounds, 110 and 125 pounds and above 125 pounds.

The events are broad jump, high jump, long and short potato race, far-throw and snap under bar for distance. For those in the 125-pound class and the unlimited class shot put and fence vault will be added in place of target throw and snap under bar.

At The Theatres.

The screen version of "Little Red Riding Hood" is being offered today at the Pastime. A big comedy is also on the program.
The Star today is offering a big drama with several screen stars in the leading roles.
"Gold grabbers," a western feature starring Franklyn Farum is being offered today at the Piedmont.

A Delightful Row

"My wife had suffered from stomach and liver trouble for many years and had taken medicine enough to sink a ship; so when I brought home a bottle of May's Wonderful Remedy, on the advice of my employer, she refused to take it. Her liver trouble hadn't helped her disposition any. We had a big row, but she took it the next week. Her ailments have all disappeared. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Gibson Drug Store and druggists everywhere."

AUTOPSY PERFORMED ON BODY OF DEAD NEGRO

One Bullet Found in Body of Henry Davis, Alleged to Have Been Killed by Alonzo White.

Dr. J. A. Hartsell, county coroner, Thursday morning performed an autopsy on the body of Henry Davis, negro killed Wednesday night in a shooting affair at Tincup, celebrated colored suburb of Kannapolis. Alonzo White, another negro, is held here for the death of White. The examination of the body of Davis, Coroner Hartsell stated, showed that he was shot three times instead of twice as the coroner at first thought. One bullet entered the head, another the shoulder, and the third a leg. Only the one in the leg was found, the other two having gone completely through the body.

White was injured during the fight, having been shot through one foot. He alleges that Davis pulled a gun and he knocked the barrel down, thus sending a bullet through his foot. It is understood that the State will contend that White himself pulled the gun and that he was shot when Davis knocked the barrel down.

Junior Kings Daughters to Take Prominent Part in May Day Festivities at Y

A unique Fairy Booth with sprites of many colors and types will be the official home of the Junior King's Daughters on the lawn of the Y May Day. From this home fairies of every description will dispense the sweetest of sweets for the benefit of the Junior King's Daughters' Free Book Fund for the under privileged boys and girls.

One of the most beautiful English mazes around the May Pole will be given by the Juniors. Mr. Blanks, Secretary of the Y, explained some of the beautiful scenes and especially were those present interested in The Great Hoop Rolling Contest which will be one of the features of the celebration. The carolling of characters and parts will begin the first week in April and as hundreds of characters will be needed it will be well for all children to see Mr. Blanks at the Y for entry as soon after the first as possible.

Mr. Latspeich Here Saturday.

Mr. E. S. Latspeich, extension professor and lecturer on Boys' Work Methods of Southern College of Y. M. C. A.'s, will be a guest of Messrs. Blanks, Johnson and Denny of Y tomorrow. Mr. Latspeich is an authority on Y. M. C. A. work, and especially on Boys' Work, and he comes here primarily for the purpose of discussing Y work with any man or boy who may be interested. This is a wonderful opportunity for any High School considering Y work to talk things over with a man who knows.

By the time a straw hat feels comfortable it looks so bad you need a new one.

Harmless Means of Reducing Fat

Many fat people fear ordinary means for reducing their weight. Here is an extraordinary method. Extraordinary because while perfectly harmless, no dieting or exercise is necessary. Marmola Prescription Tablets are made exactly in accordance with the famous Marmola Prescription. You reduce steadily and easily with no ill effects. Procure them from your druggist at one dollar for a box or send price direct to the Marmola Company, 4612 Woodward Avenue, Detroit, Mich.

For Coolidge.

Marguerite D'Alvarez, Peruvian contralto, sister of Marquis de Buena Vista of the Peruvian embassy in Washington, will sing at the White House on March 24 and Mrs. Coolidge on March 24.

May Establish an Episcopal Church in Albemarle.

Albemarle News-Herald.
Local Episcopalians are very much interested in the establishment of a church of that denomination in Albemarle. There are quite a number of members of that church in this town and surrounding sections, but up to this time there is not a single parish or mission in this entire county. Archdeacon William H. Hardin, of Salisbury, is in the city today looking over the field and conferring with local Episcopalians with the view to starting regular services here, at least once a month. The Archdeacon, when seen by the News-Herald, talked very enthusiastically of the possibilities in Albemarle, and stated that he hopes that his church can arrange for services here soon. He was not certain as to just when the first service will be held, but said it would be at an early date.

Rockingham Post-Dispatch.

Last week a new customer happened in the store just as Mr. Brewer was opening up a shipment of chitterlings, and he bought a couple of pounds as a trial. He had them cooked that night, and so good did they taste that he ate the entire two pounds at one sitting. And he couldn't understand why he got sick—he had simply made a hog of himself.

But Things Ain't What They Seem.

Immer Items, Troy Montgomerian.
It seems that Messrs. Claude and Herman Morris went o'possum hunting Friday night.

It will be impossible for spring to wear out her welcome.
