CONCORD WRESTLERS LOSE TO DAVIDSON

Colleagues Take Six of the Seven Matches But the Locals Force Them to Extend Themselves.

Concord's wrestling team lost to Davidson College Saturday night by a score of 30 to 5 in one of the most interesting meets ever staged in the local gymnasium.

The individual matches were very close and, despite the one-sidedness of the score, the Concord matmen forced the collegians to extend themselves throughout the contests.

Denny, coach of the locals, was the only man who won his match, taking his opponent, Brinkley, into time in the shortest time of any during the evening. His time was one and one-half minutes.

Among the other matches, Deaton held Fryerson for 5-2 minutes of the possible nine minutes. Fryerson is considered one of the best wrestlers in the state, defeating every man he was against last year and winning from the naval academy opponent in an extra period. It was only during the last stages of the match Saturday night that Fryerson was able to do anything with Deaton.

Another match which was very close was that of Gaddell, for Concord, and Paul Maulden, Kannapolis boy who is wrestling for the collegians. This match went to 8-12 minutes before Gaddell's shoulders were pinned to the floor. The Morgan and Davis match went to 8-12 minutes before it was completed.

A change in rules this year shortens the time of each match from ten to nine minutes.

The boxing match, scheduled between the lightweights of Concord and Davidson, was called off at the last moment.

Following are the wrestling events: 110-pound class—Deaton (Concord) vs. Fryerson (Davidson). Fryerson winning in 8-12 minutes. 120-pound class—Morgan (Concord) vs. Davis (Davidson). Davis winning in 8-12 minutes. 130-pound class—Wallace (Concord) vs. Barringer (Davidson). Barringer winning in 5 minutes. 140-pound class—Easley (Concord) vs. Cox (Davidson). Capt. Cox winning in 5-12 minutes. 150-pound class—Denny (Concord) vs. Brinkley (Davidson). Denny winning in 1-12 minutes. Light heavyweight class—Hoover (Concord) vs. Vance (Davidson). Vance winning in 2-12 minutes. Heavyweight class—Caddell (Concord) vs. Maulden (Davidson). Maulden winning in 8-12 minutes. Referee: Wenes, Davidson.

"Bohemian Girl" Advance Sale Opens Tomorrow

The interest shown by the music lovers of Concord is very noticeable in the intense enthusiasm with which the appearance here of this popular opera is being received. Manager Bumgardner feels confident a capacity business will greet Miss Valentine and her excellent organization, when they appear Thursday night, especially inasmuch as his efforts to arrange the very lowest prices obtainable on such an organization, were finally agreed to. When one stops to consider a production of such magnitude, presenting an all-star cast of principals, orchestra of symphonic players—and one of the greatest singing choruses ever brought to this city, it is not hard to understand the conviction of the knowing ones. Miss Valentine will personally conduct. The scale of agreed prices range from \$1.50 down.

The production is staged by American's well known producer, Hamilton Clemens, who has given us some of our very finest musical organizations. Do not let other engagements interfere with your attending "The Bohemian Girl," which will prove the season's outstanding society and musical event.

"The Bohemian Girl" will reveal a cast and chorus of American artists fresh in voice and striking in personality. There is, however, always need for more talent and Miss Valentine is ever on the alert for material to be used in her various productions. An artist of the highest type, she is always anxious to aid the ambitious student and talented musician.

At 5:30 p. m. at the Concord Theatre, Miss Valentine, operatic impresario, will meet in person any singer who would like to sing for her and solicit her opinion and advice. This audition is open to every one who may be interested and particularly to the ambitious who are operatically inclined.

Roman Bloodhounds Work at Churchland.

Salsbury Post.

Officer L. D. H. Brown, of Granite Quarry, was called to Churchland, in Davidson county last night at about midnight with his bloodhounds for the purpose of endeavoring to get a trail of a party that had broken into the bedroom of Mr. J. L. Ruisell, one of the teachers in the Churchland high school, and stealing \$28 in cash. The theft took place some time between dark and midnight and the officer and dogs were called in as soon as the robbery was discovered.

The dogs got a trail and followed it to a house not far away, but no one was at the place and Officer Brown said no arrest was made but that this would probably be done this morning. A hamper left at the dormitory by the supposed robber was said to have been identified as belonging to a party under suspicion.

The Concord-Salisbury Highway, at the Cemetery, showed a big drop in number of vehicles, only 457 being counted.

Y PRESSED FOR SPACE ON SATURDAY NIGHT

Estimated That Over a Thousand People Gathered There to View Picture and Wrestling Match.

Every nook and cranny of the Y. M. C. A. was pressed into service on Saturday night when a record breaking crowd attended the movies and wrestling match.

The crowd, estimated at over a thousand, completely filled the downstairs lobby, the reading room, used all available standing room in the gymnasium, pressed into the upstairs lobby and in the dining room, and overflowed the balcony of the gym. Every inch of standing space was occupied.

Owing to the fact that the wrestling match was to be held in the gymnasium, the pictures had to be shown in the dining room. Three showings of the films were made and a large number of those present clamored for a fourth. The late hour made it impossible to have another show.

Those who gathered in the dining room filled the seats and stood round the walls and in the doorways. A large crowd witnessed the wrestling match between Davidson and the Y.
