Seeks Solicitorship in the Sixteenth District. Morganton, Feb. 26.—Formal announcement is made by Attorney Sam Ervin, Jr., that he will be in the primary on June 5th for the Democratic nomination for solicitor of the sixteenth judicial district. This position is now held by R. L. Huffman, who has not yet definitely announced whether or not he will again make the race.

Practically every county in the district has one or more candidates for the nomination and the contest promises to be a hard-fought one. (Mr. Ervin is a son-in-law of Mr. and Mrs. W. L. Bell, of Concord.—Ed.)

To avoid payment of William Pitt's tax on hair powder some of the Whig leaders met in September, 1795, at Woodburn Abbey to cut off their queues.

Members of the club voted unanimously to hold a joint meeting with the members of the Rotary Club on April 7th, when Dr. F. B. Short will deliver an address to the two clubs.

C. W. Swink was heard with pleasure when he discussed briefly some of the high spots in his recent trip to Florida and Cuba.

Dr. King, after calling for a Kiwanis roll call, introduced Dr. Carr, of Mooresville, who gave a more instructive talk on the work of the standard training school for Sunday School workers.

President Clarence Barrier announced his acceptance of an invitation to be present at the charter presentation of the Mooresville club. Presidents of all clubs in the district have been invited to be present.

The attendance prize given by Dr. King was drawn by Fred Shepherd. Gilbert Hendrix will be chairman of the program at next week's meeting.

Yes, They Use Trucks For Everything. There seems to be no limit to the uses of the motor vehicle.

Take this case for instance. Dry Agents Widenhouse and Culp stopped an undertaker's truck in Montgomery county several nights ago, says a story current here, and instead of a dead body they found a very live so-called "soldier" kicking with all the strength possible in a gallon and a half of Montgomery corn.

The driver of the truck explained that he had been down in the county to deliver a coffin box and just picked up the "soldier" for company on the way back.

He and the truck were released when bond in the sum of \$450 was furnished.

Walter Schang, who has figured in one of the biggest trades made in the major leagues this year, began his baseball career with a semi-professional team at Buffalo in 1912.

True friendship shows up best at the darkest hour.

IN AND ABOUT THE CITY

BIRD DAY PROGRAM AT Y ATTRACTED SCORES

Many Children and Number of Adults Present For Instructive Program Friday Evening.

The Bird Day program offered at the Y. M. C. A. Friday evening under the auspices of the Woman's Club proved one of instruction and entertainment to those present. The program was carried out in the gymnasium of the building, which was entirely filled by many children and a number of older persons.

A number of bird houses, built by boys of the city, were on exhibit in the gym during the meeting, while quite a number of posters, all except one made by girls, were strung about the walls of the gym where they could be plainly seen by those present.

The purpose of the meeting was to impress upon the children the importance of conserving our birds, and in this connection they were told of the need of paying more attention to our flowers.

The program opened with a song by a group of children from Central Primary School, and a recitation by Billy Pike followed.

Mrs. W. H. Gorman spoke most instructively on the subject "Story About Birds," and at the conclusion of her talk the children sang again.

Mrs. Charles B. Wagoner, who has composed a number of musical numbers of note, played one, "Breath of Spring," as a piano solo.

Dr. J. C. Rowan, pastor of the First Presbyterian Church, talked for a short time on "Conservation of Birds and Flowers," and Miss Janie Klutz presented the prizes.

Margaret Best of No. 2 school, was awarded first prize for the best paper and second prize went to Francis Gray Loftin, of Central school.

For the best bird box made by boys over 12 years of age, Ira Hall won first prize, George Klutz, Jr., second prize and Coy Klutz third prize. In the younger group first prize went to Joe T. Kearns, Jr., second to Roy Crooks and third to James Talbot.

The prizes to the older boys, \$3, \$2 and \$1 were given by Mrs. A. B. Pounds and similar prizes to the winners in the second group were given by the Woman's Club.

Miss Janie Klutz and Mrs. J. W. Pike gave the prizes awarded to the winners in the poster contest.

TWO KANNAPOLIS YOUTHS HELD IN LANCASTER JAIL

Charged With Breaking in Griffin's Store and Stealing Goods.

A Lancaster dispatch dated February 27th to the Charlotte News is as follows:

Phillip Overcash and Leroy Wright, two white boys, 10 years of age, of Kannapolis, are in jail here charged with breaking into Griffin's store, about sixteen miles up the Charlotte road and stealing a quantity of merchandise Wednesday night. They deserted the Ford in which they were traveling and were picked up along the road and brought to Lancaster.

They were detained by Jim Hunter until Police Chief Bell arrived and they acknowledged to him that they entered the store.

They are school boys, one of them having his report card.

In the meantime Sheriff Hunter was on their trail. Wright states that the car is his property and Overcash says a disagreement with his father caused him to leave home.

KIWANIS MEETING

Members Vote to Hold Joint Meeting With Rotarians of City on April 7th.

Dr. R. M. King was chairman of a very interesting program at the weekly meeting of the Concord Kiwanis Club Friday at the Y. M. C. A. Various business matters were discussed at the meeting.

Members of the club voted unanimously to hold a joint meeting with the members of the Rotary Club on April 7th, when Dr. F. B. Short will deliver an address to the two clubs.

C. W. Swink was heard with pleasure when he discussed briefly some of the high spots in his recent trip to Florida and Cuba.

Dr. King, after calling for a Kiwanis roll call, introduced Dr. Carr, of Mooresville, who gave a more instructive talk on the work of the standard training school for Sunday School workers.

President Clarence Barrier announced his acceptance of an invitation to be present at the charter presentation of the Mooresville club. Presidents of all clubs in the district have been invited to be present.

The attendance prize given by Dr. King was drawn by Fred Shepherd. Gilbert Hendrix will be chairman of the program at next week's meeting.

ADVISE EX-SERVICE MEN TO KEEP INSURANCE

President Coolidge Gives Approval to Campaign to Get Ex-Service Men to Reinstatement Policies.

In a recent letter to General Frank E. Hines, director of the United States veterans bureau, President Coolidge has expressed his unqualified approval of the campaign recently inaugurated by the bureau to bring to the attention of all ex-service men and women the desirability of immediate reinstatement and conversion of their war risk insurance.

Commenting upon the insurance issued by the government, President Coolidge said, "It is unnecessary for me to dwell upon the merits of life insurance, and the benefits which would come to all veterans and their dependents by their taking advantage of the liberal provisions made by the government in the matter of insurance."

Under the terms and provisions of the world war veterans' act of 1924, all yearly renewable term insurance (war time insurance) may be converted, if now in force, or reinstated and converted to level, into some form of United States Government Life Insurance on or before July 2, 1926, after which date no application for reinstatement and conversion can be accepted.

The provisions for reinstatement are so lenient, the terms of the policies so liberal and the premiums so low, as to bring some one of the six converted policies within reach of every veteran, and Director Hines is concerned in seeing that every man or woman entitled to this insurance be advised of his or her rights in connection with it before it is too late.

NORTH CAROLINA COW EXCELS IN PRODUCTION

Silver Medal Goes to Selwyn Farm Jersey at Charlotte.

The Selwyn Farm Company of Charlotte, has developed and tested another outstanding Jersey cow in Poet's Tonona's Haldee. This cow was started on official test four years and four months of age, and in 365 days she yielded 696.13 pounds of butter-fat and 12,271 pounds of milk. Her milk thus averaged 5.67 per cent. for the year. With this splendid record she qualified for a silver medal by the American Jersey cattle club. She missed winning a gold medal by a matter of four pounds of butter-fat.

Poet's Tonona's Haldee was tested once previously as a senior two-year-old when she made the creditable 385-day record of 431.97 pounds of fat and 7,402 pounds of milk.

Her sire is Fox's Darkie Poet, a grandson of Royal Majesty, and her dam is Tonona's Haldee, a cow with a record of 518.66 pounds of butter-fat.

ABANDONS FLORIDA FOR NORTH CAROLINA STATE

"Bubbles" Clayton Comes Back to Tarheel to Make the Balance of His Fortune.

Kannapolis, Feb. 26.—"Bubbles" Clayton, known in Florida as "Professor Bub," the card artist extraordinary, will be in a position to leave the people of western North Carolina March 15, according to his own admission here today.

Clyburn, it will be remembered, is the young business man of Kannapolis who made a neat sum of money over night dabbling in paint. Several days after opening his business in Orlando he reached the pinnacle in card writing being appointed head designer for the Florida Safety System, covering the whole of Florida state.

When The Charlotte Observer's booster edition made its debut in Florida announcing the possibilities of Tar Heelia, Clyburn was fortunate to receive a copy. Taking for granted that "when you see it in The Observer, it's so," he had a tendency to investigate this section of the state. Result, Clyburn has forsaken the sunshine state for a more advantageous field.

BRIDE SCORES A FAILURE

Even the Janitor Jeers at Her Culinary Efforts.

A bride who had the slightest knowledge of cooking determined to make a noble effort to please her husband.

Her mother-in-law told her that he was extremely fond of Welsh rabbit, so she set about perfecting herself in the preparation of this dish, and spent several afternoons in her kitchen.

Her failures were many and varied, and finally she exhausted the supply of cheese in the neighborhood and gave up in despair.

A few mornings later her husband, while leaving the block of furnished flats in which they lived, was stopped by the caretaker.

"Look here, young man," said the latter, "just you tell your wife that she must stop throwing the linguine out of the window."

New Railroad Station For Morganton

A new railway station for Morganton is practically assured for this year. This is the substance of the good news brought back Tuesday afternoon from Charlotte by a committee appointed by the Morganton Kiwanis club to interview General Manager R. E. Simpson. The Morganton men came back enthusiastic over the assurance they received from Mr. Simpson that Morganton would be given every consideration and that there is every reason to believe that the new depot will be built at an early date. In fact Mr. Simpson told them that the work would be included in this year's budget and there seems to be little doubt but that it can be counted on for this year.

In the half century of its existence the National League has had baseball clubs in twenty-two different cities.

Economy is excellent, but not when applied to truth.

"ACHED & ACHED" Lady Says Her Back "Hurt Night and Day"—Least Noise Upset Her. Better After Taking Cardui. Winfield, Texas.—"My back hurt night and day," says Mrs. C. L. Eason, of R. F. D. 1, this place. "I ached and ached until I could hardly go. I felt weak and did not feel like doing anything. My work was a great burden to me. I just hated to do up the dishes, even. I was no-account and extremely nervous. "My mother had taken Cardui and she thought it would do me good, so she told me to take it. My husband got me a bottle and I began on it. I began to improve at once. It was such a help that I continued it until after the baby's birth. "I took eight bottles and I can certainly say that it helped me. It is a fine tonic. It built me up and seemed to strengthen me. I grew less nervous and began to sleep better. "I can certainly recommend Cardui to expectant mothers, for to me it was a wonderful help. In every way I felt better after taking it and I think it is a splendid medicine." Cardui is purely vegetable, and contains no harmful drugs. For sale everywhere. NC-163
