IN AND ABOUT THE CITY

BROWN TO ATTEND THE WELFARE LEADERS MEET

Meeting Will Be Held in Greensboro on March 24.—Many Prominent Persons to Attend.

J. H. Brown, welfare officer for Cabarrus county, plans to go to Greensboro to attend a meeting of superintendents of public welfare on March 24th. The Greensboro News of March 17th, has the following to say of the meeting:

The mid-winter meeting of the North Carolina association of superintendents of public welfare, set for Wednesday of next week, the day before the conference for social service begins its sessions, will bring a number of people of importance to this city for carrying on the work of that organization in its headquarters at the O. Henry hotel, according to Glenn Johnson of North Carolina college.

The professor of sociology pointed out yesterday that the afternoon conference of the association would hear addresses by Mrs. Kate Burr Johnson, commissioner of public welfare, Dr. F. Carter, executive of the state child welfare commission and H. L. Stanton, supervisor of vocational rehabilitation. That conference, he said, would follow the registration, which is to be held at 1:30 o'clock at the ball room of the hotel.

Conferences with representatives of the bureaus of public welfare and of the state institutions at 3 o'clock, a business meeting at 4 o'clock at which there will be reports of committees and round-table discussions, and a dinner 7 o'clock at the Jefferson Standard cafe, where B. S. Royster, A. W. McAllister and Dr. Howard W. Odum are booked for speeches, will round out the day.

Officers of the association are as follows: Mr. M. Grey, of Charlotte, president; J. Jackson, of Oxford, vice president; and Miss Mary Robinson, of Wadesboro, secretary and treasurer. The executive committee has the following membership: J. H. Brown, of Concord; W. E. Stanley, of Durham; and Mrs. C. C. Harmon, of Gastonia. W. W. Holland, of Statesville; J. A. Martin, Jr., of Fayetteville; and Mrs. Blanche Carr Stone, of this city, are on the legislative committee.

SPELLING CONTEST TO BE HELD IN COUNTY APRIL 13

Countywide Contest as Usual Will Result in Certificates of Efficiency to Students.

Plans are being perfected now for the county-wide spelling contest to be held April 13th among the students of the public schools of Cabarrus county.

For the past several years such contests have been held annually in the county schools, with certificates of efficiency awarded to those students making certain averages in the contest.

In discussing the contests Prof. J. B. Robertson, superintendent of the public schools of the county, explained that they were held for the purpose of arousing interest in spelling among students of the county. They have proved very effective, he reports, and have shown many excellent spellers in the county each year.

Last year the following words were chosen for the contest, being picked from the spelling book used in the schools with the foreword attached: Abruptly, admission, adorable, acquire, arouse, automobile, appreciate, assistance, altitude, biscuit, bureau, bouquet, behavior, business, comparison, continue, cultivate, courage, courtesy, character, disappeared, disappear, difficult, device, description, dissatisfied, determination, dramatize, energy, especially, exercises, expression, founder, fortune, features, faultless, guest, gallery, glimpse, happiness, hurried, intelligent, improved, introduce, industry, integrity, influence, junction, universal, accordingly, knowledge, kennel, leisure, language loosened, liquid, license, league, masculine, milliner, manufacture, miscellaneous, muscle, niggardly, noble, obliged, oily, occasion, particle, president, partner, various, victor, popular, perpetual, quickly, quorum, quiet, relative, registered, representative, sensible, society, series, stylish, surrendered, successful, tongue, thorough, through, tenor, traveled, typical, wealth, witness.

MEDICINE IS FATAL TO SEVEN-YEAR-OLD GIRL

Little Emma Hackney, of Spencer, Swallows Large Quantity of Fluid Prescribed For Sister.

Spencer, March 16.—Following an overdose of medicine prescribed for a younger sister and to be taken by drops in a very small quantity, little Emma Lee Hackney, the seven-year-old daughter of Mr. and Mrs. D. A. Hackney, residing at 908 Carolina avenue, died early today, 10 hours after she swallowed the medicine.

It is said the child took the bottle from a table and drank perhaps a spoonful Monday afternoon. Later the child took its usual nap and awoke violently ill and continued to get worse until the end.

The funeral takes place Wednesday at 4:30 p. m. from the home and the body will be laid to rest in Christman Hill cemetery in Salisbury. Mr. Hackney is a brakeman on the main line of the Southern.

WASHINGTON COUNTY IN INFLUENZA'S GRIP

One Hundred and Sixty Cases in the School of Plymouth.

Mackey, March 16.—Nearly the whole of Washington county is now in the throes of a flu epidemic. In the Mackey's school, two teachers and about a dozen students are in bed with the malady. At Plymouth the schools are forced to close for 12 days, there being 160 cases in the student body. The town of Plymouth reports about 400 cases of flu including the two doctors. Columbia reports about 30 cases while in other parts of the county in some cases whole families are in bed. Except for being milder in form the epidemic is virtually a repetition of that of 1918. No deaths have been reported.

Post and-Flag's Cotton Letter.

New York, March 16.—Although the market fails to score any material advance it displays a steady tone with a resistance to pressure which is really striking in view of the strongly bearish sentiment in professional trading circles reflecting the persistent talk of large acreage, heavy stocks and poor demand even at concessions reported in the basis. If the market can hold as well as it has under such conditions the interesting question is what it would do under the influence of any really bullish developments if such should arise.

The short interest is large and confident though experiencing an occasional qualm due to the unseasonably cold weather delaying the crop in some sections and uncertainty as to what the report on weevil emergence due presently may show. Long range forecasters find the outlook to be for more than normal moisture during May and June which is just what the doctors order for weevil recently out from winter quarters.

The latter situation may be saved by another scorching dry summer though that is hardly probable and those who imagine that the weevil is a thing of the past because of the lack of damage last summer will have to wake up when the coming summer proves cool and showery.

The market does not encourage decided views or actions but it is not difficult to picture a situation which would lead many to wonder how cotton ever got as low as it is at present and why they did not buy some while the opportunity existed.

POST AND FLAG.

SALE OF PERSONAL PROPERTY

On Saturday, March 20th, 1926, at 1:30 o'clock P. M. I will sell at public auction, to the highest bidder for cash at the late home of Mrs. W. H. Steele deceased, the household and kitchen furniture of the late Mrs. W. H. Steele, including a lot of chairs, New Home Sewing machine, refrigerator, tables, etc.

MRS. M. L. HOKINS, Adm. of Mrs. W. H. Steele, Dec'd. 17-31-c.

Smedley Butler Starts Dry Fight at San Diego

This picture of General Smedley Butler (right) and Colonel Alexander Williams shaking hands is probably the only one that ever will be taken showing these two marine corps officers shaking hands. Shortly after Butler succeeded Williams as commandant of the San Diego marine base, the former reported Williams to superior officers for alleged intoxication and the serving of cocktails at a banquet he gave in Butler's honor.

STAKE OFF SITES FOR TWO HIGH SCHOOL BUILDINGS

Architect, Builder and School Board Members Present When Locations Are Decided Upon.

The exact locations for the new high school buildings at Bethel and Harrisburg were decided upon Tuesday.

M. H. Marsh, architect, C. B. Mooney, builder, and members of the county board of education, were present when stakes were driven in the exact spots for the two buildings.

While in Concord Tuesday Mr. Mooney conferred with the board relative to the kind of brick to be used in the two buildings. After a conference the matter was agreed upon and Mr. Mooney announced that the bricks of the Norwood Brick Company would be used.

Contract for the erection of the two structures was awarded last week by the board to Mr. Mooney, the cost of the buildings to be approximately \$80,000. Contracts for the heating and plumbing also were awarded at the meeting, and when completed, with equipment and furnishings, the structures will represent an expenditure of about \$120,000.

Mr. Mooney expects to begin work on the two buildings in the near future. The work will be rushed during the summer months so the schools will be ready for occupancy in the fall.

DUXBURY RECITALS TO BE GIVEN HERE TODAY

Noted English Reciter Arrived in Concord This Morning—Two Recitals During Day.

John Duxbury, recognized as one of the leading reciters in the world, arrived in Concord this morning for two appearances here during the day.

This afternoon Mr. Duxbury will recite "Pilgrim's Progress" at the high school auditorium and this evening at the same place will be heard in his interpretation of "The Book of Job."

Mr. Duxbury is spending one week in the South and Concord was fortunate to secure him for two engagements.

Persons who have heard Mr. Duxbury are loud in the praise of him, many declaring his recital of the "Book of Job" the finest thing of its kind they had ever heard.

Mr. Duxbury is brought to Concord by the Concord Ministerial Association. Quite a number of tickets have been sold for the two performances and it is predicted that the audience this evening will be in keeping with the prominence of the speaker.

Editor Cook Refuses to Get Mixed Up in Problem.

The Uplift.

Associate editor William Sherrill, of the Concord Tribune, advertised for a "setting hen." Mack, our chief linotype youngster, says that to move a "setting hen" changes her desire to become a mother; and Mack tried to get The Uplift to settle a confusion that has overtaken him. He wonders, which is right, "setting" or "sitting" hen. We assured Master Mack that editor Sherrill knows what kind of a hen he wants, and we refuse to get mixed up in this problem.

NORTH CAROLINA BONDS OF LONG AGO SEEN HERE

Bonds Are Property of Relatives of J. Lee Crowell.—Issued to Aid Cause of Confederacy.

J. Lee Crowell, member of the Concord bar, brought to this office Tuesday a North Carolina bond, issued to aid the Confederacy, that is very interesting.

The bond is in the sum of \$1,000, with thirty dollar coupons attached. Most of the coupons are still on the bond as new ones were issued to replace the ones issued during the War Between the States.

The bond was the property of V. Mauney, relative of Mrs. Crowell, and is held by the Crowell family as an interesting relic of the War Between the States.

In the left hand corner of the bond is a picture of Jonathan A. Work, public treasurer of the State, and in the right hand corner is a picture of Zebulo B. Vance, governor of North Carolina at the time of the issue.

The bond was issued on January 1st, 1863, and bears this inscription: "Issued under act of the General Assembly entitled 'An Act to Provide Ways and Means for Supplying the Treasury'."

Death of Dr. J. Y. Fitzgerald.

The Lexington Dispatch contains the following in regard to the death at Indian Trail of Dr. J. Y. Fitzgerald, formerly of Concord:

"Dr. J. Y. Fitzgerald, native of Linwood, this county, for a number of years a successful practicing physician in Indian Trail, Union county, died at his home there of pneumonia about seven o'clock Friday evening, according to a message received here by his brother-in-law N. R. Kinney, county surveyor at Davidson. Funeral services were held yesterday at 10 o'clock and interment was at Monroe.

"Dr. Fitzgerald was a son of the late Mr. and Mrs. Ad Fitzgerald, of Linwood, and married Miss Ethel Kinney, daughter of Mr. and Mrs. A. D. Kinney, of this county. After completing his studies in medicine, Dr. Fitzgerald practiced for a while at Jackson Hill and at Linwood, later moving to Union county. The old Fitzgerald farm near Linwood is now owned by Lexington men.

"The deceased leaves the widow, one daughter, Miss Jessie, student of North Carolina College for Women, one son, Ira, at home, and one sister, Mrs. Sam Houston, of Monroe. Clyde and Fletcher Fitzgerald, of Linwood, are cousins. Dr. Fitzgerald was around 56 years old."

Funeral of William Nelson Spears.

Funeral services for William Nelson Spears, well known Harrisburg man, were held Tuesday morning at 11 o'clock at the Rocky River Church. The services were conducted by Rev. T. H. Spence, pastor of the church, and interment was made in the church cemetery.

Mr. Spears was about eighty years of age, having died Monday morning about 7 o'clock at his home. Death was due to a complication of diseases brought on by his advanced age.

The deceased was born and reared in Cabarrus county and served with the 17-year-old class in the Confederate Army. He was successful as a farmer and business man.

He is survived by several brothers.

Dr. Smith to Speak Here.

Rev. D. Burt Smith, D. D., Secretary of the Parson and Church School Board of the United Lutheran Church in America, will speak at the Sunday School of St. James on Sunday morning at 10:15 and will preach at the morning service. Many will remember Dr. Smith from the County Sunday School Institute in February of last year and also having held a series of lectures in St. James Church in April.

Uruguay is the only South American country to grant divorce.

Fertilizer Makers Facing Indictment

Washington, March 16.—The department of justice is preparing to bring court action against certain fertilizer manufacturers on the charge of price fixing in violation of the Sherman Anti-Trust law.

The department has just completed an exhaustive inquiry throughout the south in response to a resolution introduced by Senator Harris, Democrat, Georgia, and passed by the senate more than a year ago.

PHYSICIAN SURPRISED

"Hearing of some good results from the use of May's 'One Dose Will Convince' I decided to try it on a chronic case of indigestion and gastritis I was interested in. After the first dose the patient was relieved of gas trouble and was soon able to eat radishes and many things he had not eaten in years." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at Gibson Drug Store and druggists everywhere.

The annual university golf match between Oxford and Cambridge will be held March 23.
