IN AND ABOUT THE CITY

MEDLIN FREED WHEN HIS BOND WAS EASILY RAISED

Concord Police Officer Given Freedom on Bail at Habeas Corpus Hearing in Albemarle. A. B. Medlin, Concord police officer and deputy sheriff, was freed on bail by Superior Court Judge Schenck in Albemarle Thursday, he having easily raised bond in the sum of \$5,000.

The officer last week shot and killed Mark Simpson, Union county farmer, and had been held in the Union county jail. His lawyers arranged the habeas corpus hearing before Judge Schenck, who is presiding at court at Albemarle this week. The hearing did not last but a few minutes and friends of the officer who were present arranged for the bond.

The bondsmen are J. L. Hartzell, C. J. Cannon and I. I. Davis, Jr., all of Concord. Mr. Medlin left Albemarle immediately after the hearing, going to the home of relatives. He returned to Concord later, and has resumed his police duties at the Hartzell and Franklin mills. His case is scheduled to come up in Union County Superior Court in July.

No witnesses were called by Judge Schenck, who had been given a copy of testimony taken at a preliminary hearing in Monroe on Monday. Recorder Lemmond ruled at that time that the case was a bailable one but was not in the jurisdiction of his court. His decision led to the habeas corpus writ.

While Mr. Medlin did not take the stand at the preliminary hearing, he told officers when he surrendered that he shot Simpson after the latter had advanced on him with threats. State's witnesses at the hearing testified that Mr. Medlin was not mad when the fight started and that apparently Simpson was not mad, although he was quoted as saying he was going to beat the officer "half to death." The shooting occurred on Mr. Medlin's farm in Union county and the only eye-witnesses were Mr. and Mrs. Britton Helms, brother-in-law and sister of the dead man, and friends of Mr. Medlin argue that their testimony at the preliminary hearing was very favorable to the officer.

ALDERMEN WORK LONG ON YEAR'S PRIVILEGE TAXES

Board Was In Session About Three Hours, Most of the Time Being Devoted to Tax Question. The aldermen had few matters to discuss at their April meeting at the city hall Thursday night, but one of them—the special privilege taxes—occupied about two hours of their time and as a result the meeting lasted about three hours.

There were several other matters that had to have attention but they were easily disposed of. The meeting began with about half a dozen spectators and ended with fewer than that, for when the board started the discussion of the privilege taxes, after disposing of everything else, those present left.

The board was asked to purchase for the city State flags to be displayed on April 12th and May 20th. The aldermen decided they would purchase the flags if similar action is taken by the county.

Property owners on Carolina Avenue presented a petition asking that a curbing be laid on the street and the sidewalk improved. The matter was referred to the street committee with power to act.

Only a few changes were made in the privilege taxes. A few new items were added to the list and the amount of taxes was increased in a few instances. The full list will be published in the near future.

City Engineer Smith submitted his March report showing he had collected in licenses \$99.80. During his term of office he has collected a total of \$2,385.24.

The board was advised that M. J. Corl expects to erect a new building on his property near the square, so an action was taken looking to the clearing off of Union street at that point. Material placed for the hotel building must be moved, the board was advised before Mr. Corl can place material for his building.

Plans for an extension of the city's sewer system were discussed at the meeting. It is probable that the system will be enlarged if present plans of the board can be worked out satisfactorily.

The law requiring plumbers and others who cut holes in the street to give bond, is to be changed, under action taken by the board. The new ordinance is being drawn up now and will be enacted probably at a meeting in the near future.

COUNTY ELECTION BOARDS ANNOUNCED BY JUDGE NEAL

Chairman of State Board of Elections Announces Personal. Names of the county boards of elections in North Carolina for the primaries in June were named by the State board of elections and announced Thursday by the chairman, Judge Walter H. Neal, of Laurinburg.

The following are the members from this immediate section: Cabarrus: C. A. Isenhour, Concord; J. O. Moore, Concord; Democrats; W. T. Alexander, Derita, R. F. D., Republican.

Mckenburg: W. C. Davis, Charlotte and J. L. Delaney, Charlotte, Democrats; W. E. Bogie, Albemarle, R. F. D., Republican.

Rowan: E. C. Gregory, Salisbury, and C. F. Montgomery, Salisbury, Democrats; M. L. Gant, Salisbury, Republican.

TRUSTEES OF JACKSON TRAINING SCHOOL MEET

Routine Matters For Most Part Presented to Board at Regular Quarterly Meeting. The regular quarterly meeting of the Board of Trustees of the Jackson Training School was held on Thursday at the institution. Present at this meeting were E. C. Whitlock, of Charlotte, Herman Cone, of Greensboro, D. B. Coltrane, C. A. Cannon and J. P. Cook, of Concord; and Mrs. W. N. Reynolds, of Winston-Salem, and Misses Katherine Robinson, of Fayetteville, and Easdale Shaw, of Rockingham.

No business of outstanding importance was up for consideration other than the routine business of hearing reports from the several officers. The board members were impressed with the orderliness of the grounds as Spring was putting on its inspiring garb. The next meeting is to be held the first Thursday in July.

For Better Railroad Connection at Salisbury. Recently The Tribune took up with the State Corporation Commission the matter of a better railroad connection at Salisbury for those between Charlotte and Salisbury desiring to use the Western North Carolina Railroad between Salisbury and Asheville. We are pleased to report that hereafter train No. 135, of the main line, will be held at Salisbury fifteen minutes if necessary to take passengers from train No. 12 from Asheville. Heretofore a wait of only five minutes has been made and often this connection was missed.

It is also hoped so that a bus schedule will be arranged so that connection can be made at Salisbury with Western No. 11, leaving that city at 8:30 a. m.

Shinn School Team Winner

The Shinn school baseball team won its first game of the season Wednesday afternoon in a close game with the Cold Water school team. Clive, York and Moore did stellar work for the winning team while the playing of Stewart, Tarlton and Goodman, of the losing team, was spectacular.

The game was fast and interesting throughout. The pitchers showed good form for an early season game. Umpire Joyner gave satisfaction.

A woman with a large dog dyed green to match her costume was seen on one of the fashionable promenades in London.

Conductor—Lady, you wanted to get off at 23rd street, and this is 27th. Lady—You are going too far with me, young man.
