LOCAL MENTION

Miss Myrtle Fink, of the clerical force at Ethel's, is confined to her home by illness.

Miss Minnie Lefler has accepted a position with the Cannon Manufacturing Company.

Charlie S. Wall, clerk in the shoe department at Ethel's, is confined to his home on Reed street by illness.

Mrs. Flynn Johnson is reported today as resting more comfortably following an operation here Wednesday for sinus trouble.

Marriage license was issued here Thursday by Register of Deeds Elliott to Ralph Shoe, of Mt. Pleasant Route No. 2, and Miss Ethel Dry, of Albemarle.

No meeting of the Concord Kiwanis Club was held today, the joint meeting with the Rotary Club on Wednesday taking the place of the meeting usually held on Friday.

No movies will be shown at the Y tomorrow night. Instead J. W. Turner's vaudeville show will present an entertainment including singing, dancing, mimicry and ventriloquism.

The condition of Mrs. Joe Deaton, who has been ill for several months at her home here, has been critical for the past two days. No improvement in her condition is reported today.

Several members of the Concord Gun club plan to go to Pinehurst next week to attend the State shoot. Members of the local club have always done well at the State shoots and they expect to win some of the prizes again this year.

The condition of Mr. and Mrs. Mack Jones, of Chester, Pa., continues to improve. Miss Louise Irum, of Concord, is still with them, but expects to return home Sunday. Mr. and Mrs. Jones will accompany her as far as Washington.

The State tennis tournament for Y. M. C. A. players will be staged here on August 14th. Both singles and doubles will be played and practically all of the associations in the State are expected to send representatives here for the meet.

Walter Hammill and others have sold to Richard Hammill for \$550 property in Cabarrus county, according to a deed filed Thursday. Another deed records the sale of property in No. 7, by G. C. Lentz to Walter, Joseph and Albert Hammill for \$1600.

The fame of Concord and the European tour being arranged by H. W. Blanks has spread to all parts of the world. This is indicated by a letter Mr. Blanks received this morning from a woman in Porto Rico who wants to join his European party.

Meeting at the Y. Thursday night representatives of teams in the City League Baseball League discussed plans for the year. Rules and regulations were discussed and the schedule will be announced after the six teams have been signed for the season.

Junior Misenheimer, son of P. M. Misenheimer, who had the misfortune to get his leg broken in three places January 6th, was taken to the Concord Hospital Thursday to have the limb reset, which operation was performed. He is getting along as well as could be expected.

Britt (Rube) Wilson, member of the Charlotte pitching staff, is recuperating at his home in this county from an attack of influenza. He was out for the first time Thursday and reports that he will report to the Hornets for further workouts as soon as he regains his strength.

Between 175 and 200 boys, members of "Our Sunday Gang," left this afternoon at 3 o'clock in trucks and autos for Charlotte to visit the ice cream plant of the Chapin-Sacks corporation. They were accompanied by the high school band which will play for the march down Tryon street.

Concord was well represented in Charlotte Thursday afternoon at the baseball game between the Yankees and Robins. The former won, Babe Ruth aiding in the scoring with two singles and a home run. Many in the crowd left when the Babe connected with a fast one and drove it over the right field wall.

Thursday was a typical April day. There were showers in the morning, a bright sun at noon, more showers in the afternoon, and threatening clouds early in the evening. By 9 o'clock at night the skies were studied with a million stars, all signs of rain having disappeared. Temperatures were a little lower during the night.

Primary teachers of the county will meet at the court house tomorrow morning at 10 o'clock for their last meeting of the year. Prof. J. B. Robertson will preside at the meeting and in addition to their regular work the teachers at the meeting will discuss plans for county commencement to be held on the 24th of this month.

Police officers this morning reported that nineteen cases are to be tried in recorder's court this afternoon. The cases cover a variety of charges, including intoxication, abandonment, larceny, leaving liquor and speeding. This will be the first session of the court since last Friday and the docket includes all cases that have arisen since then.

One great evil of the radio is that burglars can't start to work before two or three o'clock in the morning. Save your money so when you are old you can be sorry you did instead of wishing you had. The last thing to turn green in the spring is an amateur's garden. The difference between good luck and bad luck is usually the frame of mind you happen to be in. What could be better than being better? People who long for the olden days forget they used to put people in jail for owing money. (Copyright, 1926, NEA Service, Inc.)

NORTH CAROLINA TRAFFIC TOLL

It is Predicted that It Will Exceed that of Florida in a Few Months. Greensboro, April 7.—(AP)—A prediction that North Carolina's traffic toll will, within the next few months, exceed that of Florida, is made by C. T. Matthews, director of accident prevention, of the Carolina Motor Club. His comment followed publication of the Associated Press announcement of motor accident fatalities in the South for the first quarter of 1926, in which Florida was shown to lead the list with 120 traffic deaths, North Carolina being a close second with 115. Mr. Matthews expressed the belief

Butcher's Wife Didn't Eat Any Meat

"My wife suffered for five years and practically lived on toast and hot water. Doctors said she would have to be operated for gall stones. A lady advised her to try MAYR'S 'One Dose Will Convince' and after taking 4 bottles over two years ago, she has been entirely well ever since." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at Gibson Drug Store and druggists everywhere.

Beauty Comes from stimulating Glands

The new way to beauty, health and vim is through stimulating glands. Let us show you at our cost how much it means to you. The largest gland is the liver. It is the most important gland. We thought for generations that drugs made it active. Now we know they don't. A torpid liver wrecks both health and beauty. It means lack of bile. Then germs breed and form toxins in the intestines, and those poisons are absorbed by the blood. Some results are these:

- Indigestion
- Constipation
- Impure Blood
- High Blood Pressure
- Heart and Kidney Troubles
- Bad Complexions
- Lack of Youth

The cathartics you take do not affect the liver cells. The ill results continue. But we have found a gland secretion which does stimulate the liver. It is ox-gall. Physicians the world over now prescribe it. And to millions it is bringing new beauty, new health and new vim.

Ox-gall is now embodied in a tablet, the name Dioxol. Each tablet contains 10 drops of purified ox-gall. All druggists supply them. We ask you to learn what Dioxol does. The results start in 24 hours. In a day or two these tablets may bring you a new conception of life. Let us send you enough to try. See what you gain in a day. Do this for your own sake.

"Clip this advertisement, take it to our special agent, Pearl Drug Co., and they will give you a liberal sample of Dioxol free."

that nation-wide traffic laws for motorists and pedestrians in the solution of the problem presented by the ever-mounting death toll taken by the motor vehicle.

"Out of every six traffic accidents in America, at least one involves a stranger in the community," says Mr. Matthews. If the fatal and non-fatal accident figures run in the same ratios this lack of uniformity in traffic regulations is certainly responsible for many deaths each year.

"A nation-wide drivers' license with uniform requirements would go a long way towards separating the morally, mentally and physically unfit drivers from the safe and sane drivers and tend to create a mutual understanding between all concerned.

"Good roads and the great number of tourists who stop over in North Carolina and Florida, I believe, are the two chief factors in piling up such large accident tolls in these states. The fact that states having poor highways, notably Virginia and Georgia, and also fewer strangers and visitors who remain for weeks or months, show fewer fatalities, indicates that the majority of accidents are not on the main highways but in the localities where strangers drive unacquainted with local laws and conditions.

"There were 327 fatal automotive accidents in North Carolina in 1924 and 365 in 1925, but this increase did not keep pace with the advance in the number of cars, as two years ago there was an average of a fatality to every 758 cars and last year the toll was reduced to one death to every 928 cars.

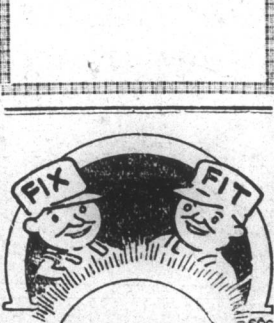

"Simultaneous education of pedestrians and motorists, by teaching the former, especially school children, to
