23. Are you in favor of putting the State penitentiary on a self-supporting basis without using conviet labor in competition with free labor? Ans. Can it be done? I think the State prison should first be self-supporting. I do not believe convict labor should be used to compete with free labor.

24. Are you in favor of spending any more money on the Governor's Mansion? Ans. I don't know because I have never been in the Governor's mansion. The Governor of North Carolina, however, should be given living quarters commensurate with his position.
