**EARL DEVORE WINS AUTO**  
**CONTEST AT CHARLOTTE**

Hartz is Second, Fred Comer Third  
in Memorial Day, 250-Mile Test.

Charlotte, May 10.—Earl Devore,  
the Frenchman, whirled his silver  
colored nickel plate special around  
the mile and a quarter bowl here this  
afternoon at an average speed of  
120.080 miles an hour to capture the  
Memorial Day 250-mile grand and  
\$10,000 in prize money. Devore's time  
was given as 2:04 54-60. Harry Hartz  
lived up to his reputation of being  
the greatest of second place drivers  
by showing his Miller special across  
the finish line a scant lap behind the  
flying Frenchman. Fred Comer came  
in third. Norman Batten fourth and  
Frank Elliott fifth.

For the last half of the race there  
was a battle of speed to stir the most  
sluggish pulse. Cliff Woodbury was  
setting the pace around the half way  
mark and giving his orange colored  
No. 9 a grueling test to which it  
proved unequal and near the 131st  
lap Devore slipped into the lead,  
never to be headed when Woodbury's  
motor began to fail. The bulky en-  
gine finally forced Woodbury to the  
pits and out of the race and Harry  
Hartz pulled up into his accustomed  
place behind the leader of the pack  
where he remained throughout the  
remainder of the race.

Batten Has Trouble.

Norman Batten looked like a sure  
blazer until the final stages when his  
engine started giving trouble and be-  
fore it could be adjusted the veteran  
Fred Comer had annexed third place  
and refused to be ousted.

Bob McDonough, protégé of "ter-  
rible Tommy" Milton, in the first part

of the grind set a terrific gait and  
piled up a comfortable lead but he  
was unable to maintain the pace and  
was forced completely off the track.

DePaolo Forced Out.

Pete DePaolo's yellow No. 1 re-  
fused to start at the hour for lining  
up but after some delay he finally  
got out but decided to trade places  
with Ralph Hepburn. With DePaolo  
in the seat, Hepburn's machine was  
forced out by engine trouble before  
it had gotten well warmed up. Then  
the little Italian took over his entry  
mount from Hepburn, only to have  
it fall under him and both he and  
Hepburn were definitely out of the  
race.

Peter Kreis took the lead from Mc-  
Donough in the first hundred miles  
and had the race more or less to him-  
self for a time but he was forced to  
quit because of motor troubles and  
failed to finish. Kreis on his first  
thirty laps averaged 127 miles an  
hour, it was announced.

Only half of the sixteen cars en-  
tered were still in at the finish. In  
contrast, neither Devore nor Hartz  
visited the pits once during the 250-  
mile journey.

The only near accident recorded  
was early in the race when Eddie  
Hearne skidded around in front of  
the grandstand and slid down to the  
inner rim. He was uninjured, how-  
ever.

Boarding-House Proprietress—I'm  
afraid I shall have to give you notice.  
You're not quite what I want.

Cook—Oh, ma'am. And I under-  
stand the boarders liked my cooking  
very much indeed.

B. H. P.—They do. That's just the  
trouble.

IN AND ABOUT THE CITY

**DR. PENTUFF INTERESTED**  
**IN NEWSPAPER CHARTER**

**One of Incorporators For the Review**  
Publishing Company—Will Publish  
Weekly Paper.

Two new North Carolina corpora-  
tions have been created as a result of  
the anti-evolution campaign getting  
underway in the State, it was an-  
nounced in Charlotte Monday, head-  
quarters for the evolution opponents  
being established there.

One of the concerns, The Anti-Evolu-  
tion League of North Carolina, will  
conduct the campaign. It is a non-  
stock company authorized to raise \$50-  
000 by subscriptions to fight the teach-  
ing of alleged anti-Biblical studies in  
the tax supported schools of the State.

The other concern is a publishing  
company, and is an organization formed  
for the purpose of publishing a week-  
ly newspaper devoted to the interests of  
the anti-evolution campaign. It will  
be the official organ of the league, and  
its editor will be Dr. J. R. Pentuff,  
pastor of the McGill Street Baptist  
Church of this city.

Rev. A. R. Shaw, of Charlotte, Dr.  
Pentuff and Dr. T. T. Martin, of the  
National Anti-Evolution League, are  
incorporators. E. A. Hilker, of Char-  
lotte, is attorney for the newspapers  
corporation and H. Grady Goodie also  
of Charlotte, is attorney for the State  
League.

"This campaign is not under the  
auspices of the Committee of One  
Hundred, though it is in full symp-  
athy with their work and along the line  
of their campaign," said Dr. Martin.

"I came to North Carolina as field  
secretary of the Anti-Evolution League  
of America, a national organization,  
and to work under their banner; but  
there has been organized and incor-  
porated the Anti-Evolution League of  
North Carolina, which will issue a  
weekly campaign paper to be known as  
"The Citizens' Review," with Dr. J.  
R. Pentuff, of Concord, as editor, and  
this campaign is under the auspices of  
the Anti-Evolution League of North  
Carolina. This is not a campaign  
against any individual nor against any  
institution; but solely to fight against  
evolution in tax supported schools.

"It is not a fight of ignorance and  
fanaticism. It is not a campaign of  
ignorance and assent and yokes." When  
asked this morning whether he would  
devote all of his time to the newspaper  
Dr. Pentuff said he had not decided.

"That matter will take care of it-  
self at the proper time," he said.

"It will be some time before we can  
open our own plant in Charlotte and  
for the future I will make no change  
in my work here."

Dr. Pentuff added that for the pres-  
ent the newspaper will be printed by  
a Charlotte concern, the first edition  
to make its appearance within the  
next two or three weeks. "It will  
take us several weeks to secure our  
equipment and furnish our plant," he  
said, "and until that has been done  
we will make arrangements to have  
the actual printing done in a Char-  
lotte plant." Dr. Pentuff and his  
associates will prepare all copy  
and other matter for the paper.

**Pythians Win in Ten Innings.**

The Jackson Training School team  
was defeated last Saturday afternoon  
by the Pythian team of Concord, by  
the score of 7 to 4. It was necessary  
to play an extra inning to decide the  
contest.

Russell pitched an excellent game  
for the school team, and maintained  
a two-run lead until the eighth in-  
ning, when his team made several er-  
rors, permitting the visitors to score  
three runs. The Training School  
scored another in their half of the  
eighth, being the count at four-all.  
In the tenth, two errors and two hits  
gave the Pythians three runs and the  
game.

The school boys out-hit the visitors,  
but ragged defensive work lost the  
game. Russell fanned 11 batters and  
fielded his position nicely, accepting  
six chances without an error.

**Dr. Martin to Speak Here Tonight.**

It is announced that a mass meet-  
ing of the citizens of Concord will be  
held at the Court House at 8 o'clock  
tonight to hear Dr. T. T. Martin, field  
secretary of the Anti-Evolution League  
of America. Admission will be free  
and all citizens will be welcome and  
will be delighted with the lecture.

Dr. Martin is regarded by many able  
critics as the best informed man in  
America on evolution. He has writ-  
ten seven books on the subject.

Dr. Martin is personally known to  
some citizens in Concord. He is a  
"man of ability and high Christian char-  
acter. Come out and hear him." P.

JUDGE PARKER DIES

**SUDDENLY IN AUTOMOBILE**

Was Democratic Nominee for Free-  
State Against Theodore Roosevelt  
in 1904.

New York, May 10.—Albin H.  
Parker, who rose from the obscurity  
of a youth spent on a New York state  
farm to bear the standard of the  
Democratic party against Theodore  
Roosevelt in the presidential race of  
1904, died today while riding in an  
automobile through Central Park.

The former chief judge of the  
court of appeals contracted a cold  
three days ago and had been under  
a physician's care. He was on his  
way to his country home in Esopus,  
N. Y., with his wife and nurse when  
he was stricken with a heart at-  
tack. Death was almost instan-  
taneous.

The cold from which Judge Park-  
er was suffering was not in itself  
serious, but because of his 74 years  
it had been thought wise to keep him  
in his suite in the Ambassador Hotel  
until today.

Judge Parker seemed in good health  
as the journey began today, but  
when traversing Central Park, he  
gapsed suddenly, started upright and  
fell at his companions' feet. The  
chauffeur was ordered to race back  
to the hotel, where Judge Parker's  
physician said life was extinct. He  
gave the cause of death as a heart  
attack.

Judge Parker is survived by his  
widow (his second wife whom he  
married in 1923), a daughter, Mrs.  
Charles Mercer Hall, wife of a  
Bridgeport, Conn., clergyman, and  
two grandchildren. Mrs. Hall is  
the daughter of Judge Parker and his  
first wife, whom he married in 1878  
and who died in 1917.

Funeral services will be held here  
Wednesday and burial will be in the  
family plot in Kingston.

RECEIVER APPOINTED FOR BURLINGTON

Greenboro, May 10.—Order by  
Judge Webb appointing a receiver  
for the Elmira Cotton Mills, Burling-  
ton, pending adjudication in bank-  
ruptcy, was received here today at  
the office of the clerk of the United  
States court.

This order was made upon volun-  
tary petition and such petition was  
authorized at a meeting of the direc-  
tors of the mills company. It is  
stated in the petition also filed here  
today, that the mills owe \$200,000  
and are unable to pay it; that the  
property is worth \$600,000 and a re-  
ceiver was wanted to conserve the  
assets, not possible if the property  
should be thrown on the market now.

SIDNA ALLEN MAY LOCATE IN RALEIGH

Man Who Figured in Shooting Up Court Considering Real Estate Offer.

Danville, Va., May 10.—Sidna Allen is thinking about going into the real estate business in Raleigh, N. C., according to Wesley Edwards, who received his pardon ten days ago from Governor Byrd. Allen has had an offer and is thinking about accepting it. He thinks it best not to go back to Carroll county. Edwards and Allen are now engaged in going from place to place in Virginia returning thanks personally to those who have labored to win freedom from long terms. Edwards entered the grim walls of the penitentiary at the age of twenty and had the prospect of twenty-seven years in confinement in connection with the shooting up of the Hillsville court. He served nearly fifteen years and he comes out to find a new world and a big void in his life. He is unmarried. As well as pondering the offer from Raleigh, he
