Some women get divorced and live happily ever after—with another man. Army's going to use airplanes in killing mosquitoes, but they don't grow quite that big here. More than 12,000 people murdered in this country last year, and only a few of them were bootleggers. These are the days when the really efficient photographer adds bathing suits to his equipment. What do April showers bring? Why, that's easy. Bring May floods. "I must do something to reduce my overhead expenses," said the man as he paid for his wife's Easter lid. Mr. Herbert Patterson Quits Mill. Stately News-Herald. Mr. Hubert Patterson has tendered his resignation with the Lillian Knitting Mill. He does not know exactly when he will stop work, but it will be in the near future, just as soon as it is convenient for the mill company.

He has not announced as yet what business he will go into, but his friends are hoping that he will enter some business here in the city. Mr. Patterson has many friends in Albemarle and the town would be the loser, should he decided to leave town.

Now Is The Time to Exterminate Flies, Aants and All Other Insects BY USING CENOL Sold and Guaranteed by Gibson Drug Store (Agents) GETTING UP NIGHTS Tells you there is danger ahead. A healthy bladder does not act at night. J. H. Dorton, W. Graham, Va., says: "I had to get up seven or eight times at night for forty years. I thought it was my age. After taking Lithiated Buchu a short time I am all right." Lithiated Buchu cleanses the bladder as Epsom Salts or the bowels, thereby relieving irritation, driving out foreign matter and neutralizing excessive acids. These are the causes of unnatural action of the bladder at night. Lithiated Buchu (Keller Formula) is not a cheap medicine. The tablets cost 2 cents each. Sold at the Gibson Drug Store or Keller Laboratory, Mechanicsburg, Ohio.
