### The Fly and Typhoid.

Make a renewed effort to fortify your home against the deadly housefly this is the season of the year when typhoid fever is becoming prevalent, and the fly, as one of its chief carriers, is correspondingly more dangerous. During the warm summer weather most flies are content to remain outdoors in garbage cans and filth deposits, but during the cooler weather they stay in your homes in increasing numbers, just when they are most apt to be reeking with the germs of dangerous diseases.

### For the Weak and Nervous.

Tired-out, weak, nervous men and women would feel ambitious, energetic, full of life and would always have a good appetite, if they would do the sensible thing for health—take Electric Bitters. Nothing better for the stomach, liver or kidneys. Thousands say they owe their lives to this wonderful home remedy. Mrs. O. Rhevaunt, of Vestal Center, N. Y., says: "I regard Electric Bitters as one of the greatest of gifts. I can never forget what it has done for me." Get a bottle yourself and see what a difference it will make in your health. Only 50c and \$1.00. Recommended by Hambrick & Austin.

Andrew B. Willingham was killed and several others were injured when an automobile, owned by T. J. Walker, a director of the American Tobacco Company, and manager of the Richmond, Va., plant, turned over just after leaving the Country Club in Richmond early Tuesday night. While the extent of Walker's injuries are not known, it is believed that he is partially paralyzed. Several other occupants of the car escaped with broken ribs and bad bruises. Willingham was chief buyer of the American Tobacco Company in Richmond.

The United States government is asking for sealed proposals for the erection of the new post-office building at Hickory. The building is to be two stories with a basement and will have a ground area of 4,800 feet.

## FOLEY KIDNEY PILLS

### THE MEANING OF FLIES.

Cheer up, fly season is here, and the summer fight is on in earnest. The man that hasn't his screen up by this time eats at the second table to his guests, the manure pile fly. No, you may not like to look at it that way, but that is the truth just the same. If you don't like your guest, your fellow boarders, or your table companions, a mighty good thing to do is to put up screens. After the doors and windows are well screened you can easily get rid of the occasional intruder by means of sticky-fly paper and fly swatters.

In the country a man's flies are they of his own household. That is, each householder is largely responsible for his own crop of flies. But in the cities and towns the number of flies shows up the Board of Health. If a town has few flies they have a live, wide-awake board of health, but if flies are thick you can set it down that the board of health is asleep, and a town is usually just about as dead or as wide awake as its board of health.

The whole thing narrows down, therefore, so that you can judge a town by the number of flies it has.

### Constipation Cured.

Dr. King's New Life Pills will relieve constipation promptly and get your bowels in healthy condition again. John Subsic, of Sanbury, Pa., says: "They are the best pills I ever used, and I advise everyone to use them for constipation, indigestion and liver complaint." Will help you. Price 25c. Recommended by Hambrick & Austin.

A big haul was made by Sheriff Flynn and Winston officers Tuesday night when they seized 115 gallons of booze, a new wagon and two mule and one man near Pafftown. There were two men in the wagon, but when the officers caught up with it they both ran in opposite directions, one making good his escape, and the other, Thomas McKnight, refuses to disclose his identity.

### WEAK STOMACH MADE STRONG

## In One Week.

If your stomach is so weak that food won't stay down or fermentation takes place, causing gas, heaviness, and general misery, you need MI-O-NA Stomach Tablets and the sooner you get them the better for you.

Hambrick & Austin knows what one 50 cent box will do for they honorably offer to return the cost if you aren't splendidly benefitted.

Don't be timid about trying this great stomach prescription. It has cured thousands of cases of chronic indigestion, gastritis, dyspepsia and Catarrh of the Stomach. There is no reason on earth why MI-O-NA Stomach Tablets won't make you healthy and happy.

There will be no liquor saloons in the Panama canal zone after July 1. The isthmian canal commission has passed a resolution to grant no licenses after that date. There are 35 saloons in the towns of the zone. Sixty-three saloons were open at one time. During the present year the commission has collected \$48,800 for licensing saloons, and since 1907, when license were granted first, it has received \$326,000.

### This Interest Every Woman.

A family doctor said recently that women come to him thinking that they have female trouble, but when he treats them for their kidneys and bladder, they soon recover. This is worth knowing, and also that Foley's Kidney Pills are the best and safest medicine at such times. You cannot get better purer medicine for backache, weary dragged out feeling, aching joints, irregular kidney and bladder action and nervousness due to kidney troubles. Try them. They are tonic in action and quick in results. Morris-Webb Drug Co.
