## PERSON COUNTY FAIR

Everything in Shape—Get Your Ex- hibits Ready and Be on Hand.

Never have I seen everything work- ing so nice for the Fair, every one is seemingly interested and we are ex- pecting a great fair, with larger ex- hibits than ever before, and of course, all of the people are coming.

The racing this year is going to be one of the strong features, there be- ing many horses already being groom- ed for the races, and the automobile races will be decidedly the best we have ever had. Mr. P. T. Freeland will be in charge of these races, and he has already had entered four machines, including a special machine, the red, white and blue Sammie which he has recently made for this occasion. If you want to see some real sporty racing you want to come every day and witness these races. If you have a car which you would like to enter for these races, for the more the merrier, call on Mr. Freeland and make the entry. There will be no expert drivers, just all home boys and you will stand as a good show for this money as any one.

Again I want to call the attention of the ladies to the fancy work de- partment. Do not overlook the en- tries for this department, for it has been one of our very best and we are exceedingly anxious to see it sur- pass anything before shown. I will take especial pleasure in aiding any one wanting to exhibit in this depart- ment, and if you will kindly call on me I will try to make everything plain and satisfactory as to entries here.

Again thanking you for your past efforts and trusting to have your help in making this the best, I am,

Yours truly,  
**JOE H. CARVER, President.**

## SECOND QUOTA CALLED.

Fifty of Roxboro's Choice Young Men Left This Morning for Camp.

While the leave taking of the soldier boys must from necessity be a sad accession still, the send off this morn- ing could but bring joy to their hearts, for it showed in no unmistakable man- ner the high esteem in which they are held by the home folks. ## DO YOU KNOW A PERSON FROM PERSON COUNTY WHO HAS A BABY YOU'D LIKE TO SEE WIN \$400.

MOST LIBERAL OFFER EVER MADE TO PARENTS TO START A BANK ACCOUNT FOR BABY

Don't you know a baby that you would like to see come into the posses- sion of \$400.00 in gold money in just eight weeks. Perhaps you know several babies that you are absolute- ly sure would appreciate this nice sum of money. No doubt you have such a baby in your home that is un- der six years of age.

The campaign announced last week is a bonifide proposition in which seven babies will share in the eight hundred dollars to be awarded in a very short time. There is going to be a baby in this community who is going to get \$400. in gold. Another baby baby will receive \$200. in gold, and another will be awarded \$50. in gold. Four other babies will be awarded smaller gold prizes.

The winning of these gold prizes isn't going to be a big undertaking. In fact, the work will be pleasant and congenial. Suppose you make a list today of your friends and you will be surprised to know that you have so many who will be glad to give you a subscription and vote for your baby.

Now is the best time to get started. Start today before some one else gets ahead of you. Phone or write to the Campaign Department, the Courier and the campaign manager will be glad to come to your home and ex- plain the campaign in detail and show you how easy it is going to be to win the \$400.00 for your baby.

Use the information blank below for full particulars.

316 M. G. Bn.  
Camp Jackson,  
Columbia, S. C.

Dear Mr. Noell:  
As I promised, I will now write you about the camp life. Well you could not say that you are in prison or any- thing like that. Uncle Sam is pro- viding as well for his men as possible. Everything is real convenient. We only work about eight hours a day. Then we can go up to the Y. M. C. A. or anywhere else. It is always some- thing doing at the Y. M. C. A. at night and preaching on Sundays. We usually have a sermon each night.

All of the officers are as nice as possible to us, they have the patience of Job. But we boys feel sure that we have the nicest officers in camp. All of we fellows are making it fine. We have drilled two days. I guess we will have our uniforms by Monday p. m. I will be glad of that, but you all must remember this is some camp, it is seven miles long and four wide. I know I will never see all of it.

We have seen right much of Lieut. Bailey. He told us to remember him to all of you people back home, when we wrote, so if you will publish this it will reach all of his friends. Will be glad when the other boys come. Tell them it is not so bad, you just can't see your girl, that is what gets me. I haven't seen but a few since I left Durham. But I write all of my spare time, so I am afraid I will break Uncle Sam to furnish me stationery.

Must stop now as I guess you have heard enough about camp life.  
As ever,

## LETTERS FROM PERSON COUNTY SOLDIER BOYS

Dear Mr. Noell:  
No doubt you people back home are wondering how we boys are liking our home home and the service of Uncle Sam. This is a fine place and I want to assure the boys that are to follow us that they need not dread it so much. Now I am sure the major- ity of them are dreading it and had almost rather do anything than come here, and I want them to come here, and I want them to come here, feeling that we are doing the right thing, for what is more noble and patriotic than to serve one's country and defend its flag when assailed. The surroundings of camp life I know is quite different from what most of us have been used to, but we have the Y. M. C. A., here and believe me they are nice to us boys and you can hear preaching almost every night, some- where in camp. Lieut. Bailey sends his love and best wishes to the peo- ple of Person county and we all want to assure you that we expect to uphold the honor of Person County and shall come home proud of the fact that we have been called upon to help establish for all time a world's democracy.

All the boys join me in thanking the Red Cross for their remembrance and all of the people that were so nice to us as we severed our connection with home-life and those that were so dear to us for the life in camp.

Tell all of the drafted boys to come cheerfully and with the determination to follow Old Glory wherever called upon to go even unto death.

With best wishes,  
Sincerely,  
**SAM P. JONES.**

Hot Meals at Any Hour.

We are serving hot meals at any hour of day between 6 a. m. and 8 p. m. The best of meats with experi- enced cook and moderate prices. Come to see us. J. H. Loy, at Loy's Meat Market.

Miss Maggie Painter Doing Her Bit.

Miss Maggie Painter had a little crop all her own this year and she sold at the Planter's yesterday a small portion of it, having 342 pounds on sale for which she received a check for \$104.72. Miss Maggie is doing her bit and showing what Person county girls can do in time of war.

The County schools are asked to take part in the Person County Fair, and I am asking and urging each teacher to send the best of each kind of the exhibits from that school shown at the County Commencement, one day of the Fair will be school day and we want all the schools to turn out in full force.

## At the Planters.

The following are the names of some of the men that sold at the Planter's this week: E. D. Morton, R. C. Hester, J. M. Brewer, S. T. Dameron, William Clay, col., Daniel Clay- ton, James Allen, Sidney Wiley, Smith & Mitchell, Mat Jordan, col., Hester & Clayton, Satterfield, W. Perkins & Farley. ALL OF THE ABOVE MEN AVERAGED OVER 30 CENTS FOR EVERYTHING THEY SOLD.

The Planter's is the place to sell your tobacco, they all agree.  
**J. H. LOY.**

## At the Hyco Warehouse.

We have averaged \$27.00 every day this week for everything sold on our floor. Can you beat it? We think not. All grades of tobacco are selling high at the Hyco. Bring your next load to Headquarters—THE HYCO.

## Pioneer Leads with the Biggest Sale in History of Roxboro Market

Last Monday the Pioneer Warehouse sold \$11,429.90 worth of tobacco at an average of \$27.25 for the entire sale.

Tuesday another big sale day, the Pioneer paying to its customers over \$8,000.00.

The new floor space is now ready, making our warehouse over one-third larger than before. Bring your tobacco on to the Pioneer, you can't over- load us now.

## COMMUNITY FAIR

Hurdle Mills Will Hold a Community Fair on September 28th.

On Friday, Sept. 28th, there will be a Community Fair at Hurdle Mills, and if you think this is not going to be worth while you are nursing a de- lusion, for this prosperous section, easily among the very fore-front of any section of the County, will pull of a stunt which will surprise you. We seriously doubt if there is a section of the county which can show more real progress than this section, and we sincerely trust there will be a large attendance from all sections of the county. Go out and see what these good people are doing along all progressive lines and then go home and do likewise.

These community fairs should be held in many sections of the county, for they are educational as well as inspirational, and no one can attend them and see the exhibits without being enthused to try to do better farm- ing himself, and then the work the Canning Club at this point is doing will be an eye opener to many of you. Remember the date, Friday Sept. 28th and make it a point to be at Hurdle Mills for that day.

## Mr. Henderson Resigns.

It came as a great surprise when we learned last week that Mr. T. W. Henderson, the very efficient and able buyer for the Export Tobacco Co., had resigned. Ever since the dissolution of the tobacco companies and the Ex- port was formed he has represented this Company on this market, and for a number of years before that time he was connected with the American Tobacco Company here. We regret very much to see him come off the market, for he had seemed a fixture and meant much to the market, though he will not leave the town for he has many interests here which will probably induce him to remain as a citizen, one of the most deserving in the town. Ever since coming among us he has looked with a steady eye and an honorable purpose to the build- ing up of the town, both materially and morally, and we know every one will rejoice to know that his resigna- tion in no wise prefaces such a thing as losing him from our midst.

## Prebyterian Announcements.

Prayer meeting tonight at 7:30 o'clock. Prof. Overcash will make the address.

Sunday School Sunday at 9:45 a. m. H. L. Crowell, Supt. You will find a hearty welcome at all these services.  
Rev. C. E. White will preach at Allensville High School next Sunday at 11 o'clock and at Caltolina in the afternoon at 3:30 o'clock.

Our first session of the teachers association for 1917-1918 will be held on next Saturday. All teachers are ex- pected to be present. We want to lay plans for a great session. The times demand progressive steps and earnest work in our schools. I call upon every teacher, every committeeman, and every citizen of Person county to render all assistance possible to make every school in the county a great suc- cess. We plead for the most co-oper- ative and loyal support of all our citizens. Each man owes to his school the best service he is able to give. Therefore the patrons of each school are invited and urged to be present on next Monday at the opening of the schools. It is very necessary to get a good start. And it is exceed- ingly important for all students to start the first day.
