NOTICE

The next regular meeting of the American Legion Auxiliary will be Sept. 21, at four o'clock, in the Legion Club Rooms in the Post Office building. We are very anxious that all members, and all who would like to become members, be present at this meeting.
9-12 2ts.

To our friends of Virginia and North Carolina:

We take this method to inform you that we have acquired the old Farmers warehouse which is known as the leading house here for years and years and will operate as an open sales house. It is useless to comment on how well lighted and how it shows your tobacco to every possible advantage. The accommodations will be as good as the best. Our Mr. Loftis is the oldest man in point of service, on our market having been identified with the business for 20 years and knows every phase of the business and has always deemed it a pleasure to look after your welfare and protection. What is said of him can also be said of our Mr. Pulliam with the exception of long experience. We were both raised on the farm and he is now one of the largest and most progressive farmers in Person county, therefore we know how to sympathize with you. We will have an experienced force to help us look after your interest.

We have no unkind or harsh word to say against the Co-operative association but knowing there were lots of people who prefer the auction way of selling and getting their entire proceeds the same day and believing every man entitled to his way of thinking and having a way to sell, the reason we are going to operate this house as an open sales warehouse and to all who prefer to sell this way, we appeal to you to bring us your tobacco and we will guarantee the highest market price. We extend an invitation to the public to drive in any time you come to town and share our hospitality.

When you get your tobacco ready pull straight for the "Old Farmers".

Your friends truly,
South Boston, Va. **C. M. Loftis.** **R. E. Pulliam.**

"Feeling Fine!"

"I was pale and thin, hardly able to go," says Mrs. Bessie Bearden, of Central, S. C. "I would suffer, when I stood on my feet, with bearing-down pains in my sides and the lower part of my body. I did not rest well and didn't want anything to eat. My color was bad and I felt miserable. A friend of mine told me of

CARDUI

The Woman's Tonic

and I then remembered my mother used to take it. After the first bottle I was better. I began to flesh up and I regained my strength and good, healthy color. I am feeling fine. I took twelve bottles (of Cardui) and haven't had a bit of trouble since."

Thousands of other women have had similar experiences in the use of Cardui, which has brought relief where other medicines had failed.

If you suffer from female ailments, take Cardui. It is a woman's medicine. It may be just what you need.

NATURE'S OWN METHOD OF PROTECTION

ONLY one method that gives absolute protection in burial has ever been discovered. This is the "diving bell" idea—based on a natural law that the air within an inverted vessel keeps out all water. A child proves this principle by placing an inverted glass in a pan of water.

This principle has been utilized in the Clark Grave Vault and made permanent by the use of twelve gauge Keystone copper-bearing steel which positively resists rust and corrosion and will not leak. (Stone, brick and concrete vaults allow water to seep in, and act as a basin to hold it.) Over a period of twenty years the Clark Grave Vault has proved this principle by completely satisfactory results in all climates and soils.

Supplying the Clark Grave Vault is in accord with our policy of rendering the most valuable service.
