GENERAL CARR DIES IN CHICAGO

PNEUMONIA PROVES FATAL

Grand Old Man Left Durham Last Saturday To Pay His Daughter a Visit.

Chicago, April 29.—General Julian S. Carr, former commander of the United Confederate Veterans, died at the home of his daughter about 10:15 o'clock tonight.

General Carr left his home at Durham where he was a well known banker last Saturday to come to Chicago for a visit with his daughter, Mrs. H. C. Flowers. On the train he contracted influenza and was seriously ill when he arrived here.

His condition grew worse and today several specialists were called into consultation. They announced tonight that he had contracted pneumonia and that his illness was complicated by a heart affection. It was stated at that time that he probably would not survive the night.

He died at 10:15 o'clock. Arrangements for the funeral have not been completed but it is probable that the body will be taken to his home for burial.

ATTENTION

The annual reunion of Confederate Veterans of Person County will be Memorial day, May 10th.

The address by Mr. Lasker A. Polk of Warrenton will be delivered in the auditorium at eleven o'clock. The Person County Chapter—U. D. C. feel they were exceedingly fortunate in getting so fine a speaker for this occasion. Dinner will be served to the veterans and their wives. All ministers, and their wives, of every denomination in our town are cordially invited to take dinner with the veterans.

Mrs. J. A. Long, Sr., Pres. Person County Chapter U. D. C.

THE PUBLIC LIBRARY.

The average person in Roxboro does not realize the extent of the library which the different departments of the Woman's Club have given the town. The Review Club gave a set of Stoddards Lectures, and just recently the Study Club presented a complete set of H. G. Wells's History. The library is open on Monday and Friday from 3 to 5 o'clock, and you are cordially invited to make use of the books. In addition to these books above mentioned you will find quite an array of leading novels.

A LIVELY CHASE SUNDAY.

Sunday morning Shery Long was called to the southern part of town on account of Jake Cozart being reported drunk and recklessly driving an automobile. When he drove up Jake stepped on the gas and made for the Virginia line. The officers chased him to within a short distance of South Boston when they caught him. Being in Virginia they detained him until officers were notified and he was arrested. Laying on the seat beside him was a large No. 48 gun, and in the car was found 13 quarts of liquor. Declining to return without requisition papers he was taken in custody by the Virginia officers and upon failure to give a \$1000 bond was committed to jail to await trial.

REPORT OF GRAND JURY FOR 1924 SPRING TERM PERSON COUNTY SUPERIOR COURT.

We, the grand jurors of the Spring Term of Person County Superior Court, beg to submit to His Honor, Judge Sinclair, judge presiding, the following report of what we have done:

(1) We have examined and acted upon all bills sent to us and have returned true bills and made presentations in cases we thought needed such action.

(2) The whole body visited the County Home. We found the inmates installed in the new home, a place of beauty, comfort and convenience, and everything running smoothly. We found about 1000 pounds of home-made cured meat on hand, feed and hay on hand enough to make this crop, about 45 barrels of corn, 8 bushels of stock peas, 40 gallons of pure apple vinegar and 70 gallons of home-made molasses. We find that the superintendent, during his spare time, has made four very nice and neat looking coffins to be used by the inmates, thereby saving the County the expense of purchasing expensive coffins. We recommend that the little white girl of about ten years of age, now an inmate of the County Home, be sent to the school for feeble minded persons at Kinston as soon as possible. We also recommend that the little deaf and dumb colored boy be sent to the State School for such persons. This boy has been thoroughly examined by Dr. Long, the County Health Officer, and found to be sound and free from tuberculosis. We recommend that a door be cut where the window now is situated on the stairway, leading from the basement to facilitate bringing out ashes from the large furnace of the heating plant. We wish to compliment the Superintendent of the County Home for the good work he is carrying on.

(3) We have visited the jail and found everything in good condition, sanitary and comfort for the prisoners. We have also investigated and found that the Health Officer has examined each prisoner within 24 hours after the prisoner's confinement since the jail has been renovated and rearranged.

We have examined the Sheriff's office and found everything kept in an orderly manner and his books kept in a neat and systematic manner. Also the Register of Deeds office was visited and everything in order. The Clerk's office was also visited and found in order. We examined the office of the Supt. of Public Instruction and find his books in good condition, and we recommend that we have a County-wide special high school tax of thirty (30) cents on the hundred dollars as now in effect in some of the school districts.

In regards to remodeling the court house, we feel that this matter should be left to the Board of County Commissioners.

Respectfully submitted this, the 22nd day of April, nineteen hundred and twenty four.
C. H. HUNTER,
Foreman.

GRANVILLE PRESBYTERY WILL MEET HERE.

Mr. H. L. Crowell and Rev. W. O. Sample attended the meeting of the Granville Presbytery in Oxford last week. The Presbytery accepted an invitation to meet in Roxboro in the Fall. The four Presbyteries having taken over Queen's College it was necessary to elect four trustees and Mr. H. L. Crowell was honored with this trust representing Granville Presbytery.

SCHOOL NOTES.

Two of the High Schools, Bethel Hill and Olive Hill are having their commencements the last of this week and Sunday of next week. Both of them have exercises Friday night and Saturday night and all-day services on Sunday with dinner on the grounds. I wish very much that every one could attend all the exercises at both schools, but this is impossible. On Sunday there will be a sermon in the morning and an address in the afternoon at both schools. At Olive Hill Dr. H. E. Spence of Trinity College will preach the sermon in the morning and Dr. R. T. Vann of Raleigh will deliver the address in the afternoon. At Bethel Hill Dr. C. L. Greaves of Raleigh will preach the sermon in the morning and Dr. J. Henry Highsmith of Raleigh will deliver the address in the afternoon. More detailed notices will be found elsewhere in this paper. Let all who can attend, as these exercises are decidedly worth while.

Miss Ramie Williams, the State Nurse, will be in the county the first of June to examine the children's eyes, ears, and throats. Parents having children who need treatment will please bring these children, whose ages run from 6 to 13 years, to the place designated so that she may determine what steps the parents should take to give the child the best treatment. There will be five or six places designated to which each parent will have access. The places and dates will be announced later. Please look out for them.

The white summer school will begin on June 2, 1924 and run for six weeks. Mr. A. C. Gentry of Bethel Hill High School will be Director, Miss Emma Noell of Helena High School will be Grammar Grade Instructor and Miss Lillian Nance of Lumberton, N. C. will be Primary Instructor.

The colored summer school will begin on May 26, 1924 and run for six weeks. Dr. J. D. Martin will be Director, Mrs. J. D. Martin, Grammar Grade Instructor, and Miss Pearl Hoover, Primary Instructor. Colored teachers will please bear in mind the date of opening as it has been changed.

All the six months schools have closed and the most of the teachers have handed in their final reports, registers and Course of Study, but a few are still behind with this work. Two weeks after the close of the school is the limit for handing in this work. You may not need your money, but I need the report. So do not fail to hand in these reports this week. The Principals are responsible for the reports, but all the teachers will suffer if these reports are not brought in by the Principal this week.
Mrs. J. A. Beam.

Miss Lillie Duke was present to represent her "young people." She told of the influence exercised by older people, over the lives of the boys and girls, and of how they tried to copy the lives of their elders. Miss Lillie is very much encouraged over the work this year, fifty four organizations and forty four, reporting. One question was asked, "How to keep order among young folks, during a meeting? The answer was, Give them something to do."
Miss Mattie Pulliam, District Sec., led the Round Table discussion.
Mrs. Kendall Street told of her unique plan for her next Mission Study Class.

Stewardship, when and how to present it, was brought out by Mrs. Gates.
Mrs. R. B. Smith spoke of her Social Service work, interesting every one present, in her work among the crippled children, and also in her Christmas baskets, sent to needy families.

Oak Grove was given a rising vote of thanks, and the meeting adjourned to meet with Lea's Chapel in Sept.
Mrs. Mamie Merritt, Rec. Sec.

"DEATH TOLL AWFUL"
The death toll from automobiles in the United States is about one every thirty minutes throughout the year. The number injured is about one every three minutes. This menace continues to increase and being careful does not save you from the fool-hardiness of the other fellow.

A GOOD RECORD.
We take pleasure in publishing the following report from Mrs. C. D. Long, showing what she has done with two cows. Mrs. Long lives near Roxboro and from her two cows has sold three hundred and twelve pounds of butter, and a quart of sweet milk each day, and also one calf. In addition to this she cooks with butter and has had butter on her table at each meal during the year.

TO N. Y. FOR PRISONERS.
Sheriff J. Melvin Long left last night for New York to bring back two prisoners, Robert Brooks and Henry Paylor, both colored, and both wanted in the same case. This, it will be remembered, is the shooting scrape lawfully left my employ and to for which occurred about twelve months ago at a colored church in Woodsdale township. Brooks was captured year 1924. This 29th day of April, and brought back here, placed under bond and skipped before court.

DEATH BY OWN HANDS.
Sunday morning Mr. Charlie Painter, who lived near Ceffo, took a spoonful of paris gree, which caused death in a few hours. He leaves a wife and two children. No cause is known for the rash act.

PERSON COUNTY MISSIONARY MEETING.

The Person County Missionary Meeting was held April 25th, 1924, at Oak Grove church. The meeting was called to order at 10:30 with Mrs. B. C. Thompson presiding.

Rev. B. O. Merritt of Mt. Tizah Circuit conducted the opening devotional service.

In the absence of Mrs. Walter Connelly Mrs. Mamie Merritt presented the Superannuate Endowment Campaign.

Mrs. Preston Satterfield sang the beautiful solo, "Sometime, Somewhere".

Mrs. Gates of Durham, in her inimitable manner, brought before the meeting the Belle Bennett Memorial saying it was because Miss Bennett put so much into her life, that we want to have a small part in putting this memorial to her memory, and because the church has to send workers who have trained minds, to match the minds of the people to whom they go, showing also that our missionaries could not do the best work, with dull untrained minds, so we are anxious to establish an institution that will give our young people the right kind of training, also memorialize the life of this woman, who led her church to go forward in this great work, so near her own heart.

Mrs. B. T. Hurley of Brookdale sang "The Silent Voice".

Noon Devotional was taken from Luke, 8th Chapt., by Mrs. Gates. This beautiful talk on "Interruptions" will long be remembered by every woman present.

Oak Grove served a lovely picnic lunch to every body, in fact the people of Person County are always ready to go to Oak Grove, her hospitality is known far and near.

The afternoon devotional exercises were conducted by Mrs. Shamburger. A missionary recitation by little Myrtle Perkins was enjoyed by all.

Miss Lillie Duke was present to represent her "young people." She told of the influence exercised by older people, over the lives of the boys and girls, and of how they tried to copy the lives of their elders. Miss Lillie is very much encouraged over the work this year, fifty four organizations and forty four, reporting. One question was asked, "How to keep order among young folks, during a meeting? PROGRAM OF MEETING

Of Greensboro Division of Baptist Women's Missionary Union to Be Held at Cary Tuesday May 6th.

The meeting at Cary, Tuesday, May 6, bids fair to be unusual in its opportunities. Besides other attractive speakers, three returned missionaries are on the program, Mrs. Cooper from Africa, and Mrs. Braun and Mrs. Hayes from China. It is not often that one hears in one day three such magnetic speakers, such rarely consecrated experience, and gifted women, directly from the foreign field.

Mrs. Braun and Mrs. Hayes spoke at the State Convention at Goldsboro a few weeks ago, holding that vast audience spellbound by their message. Mrs. Braun has a beautiful singing voice, a low rich contralto, well trained. She will sing, as well as speak, at Cary. Mrs. Hayes is a native of Iceland, but a true Carolinian by adoption and marriage. She and Dr. Hayes have been supported in China for many years by the Sunbeams of North Carolina, which fact makes her presence here of special interest to Junior workers.

The program of the meeting is as follows:
