QUALITY-PROOF

THAT SHOWS EXACTLY HOW FINELY THE HUPMOBILE IS MANUFACTURED

The inside of a motor car is what determines the worth of your investment. Because that is so, the Hupmobile presents in a new way quality-proof to the buyer before he pays his money.

Quality-proof pertains to Hupmobile parts. It is made up of the parts which you can't see in the completed car. It is on display in our salesrooms all the time.

It establishes, in the surest, most positive way in

the world, that Hupmobile quality is unique and superior for a car of its class.

It shows you clearly that parts cannot be more finely made, or of finer materials, no matter what the cost.

It shows you things, even though you may not be an expert in motor car manufacture.

Come and see Hupmobile quality with your own eyes before you sign an order for any car.
