Blinding Headaches

"For about twenty years," says Mr. F. A. Walker, a well-known citizen of Newburg, Ky., "one of our family remedies has been Black-Draught, the old reliable. . . I use it for colds, biliousness, sour stomach and indigestion. I was subject to headaches when my liver would get out of order. I would have blinding headaches and couldn't stoop about my work, just couldn't go. I used

Theford's BLACK-DRAUGHT

and it relieved me.

"About eight years ago my wife got down with liver and stomach trouble. . . We tried all week to help her. . . but she didn't get any better. One day I said to the doctor, 'I believe I will try Black-Draught, it helps my liver.' He said that I might try it and to follow directions. She was nauseated and couldn't eat or rest. She began taking Black-Draught and in two days she was greatly improved and in a week she was up."

Try Black-Draught. It costs only one cent a dose. Sold everywhere.
