COMMITTEE VISITS

COLORED W. M. S.

A committee from the W. M. S. of Roxboro Baptist church visited the W. M. S. of our colored sisters at their church, Pleasant Grove, in Roxboro Tuesday afternoon. The visitors were given a cordial reception by Martha A. Peace, president of the society, and Pearl Burton, secretary and treasurer. We were especially impressed by the spiritual atmosphere that filled the meeting. These sisters most every Tuesday afternoon, rain or shine, and have their Bible study, hymns, sung with rich full voices and testimonials given by all present with a verse from a dear old fashioned hymn to suit every talk. We were also impressed with the magnitude of their benevolent work. Garments for the needy, food and supplies for the poor, visiting the sick and cheering them up, contributions to orphanage, home and Foreign missions making a splendid average. These sisters study a very interesting Christian magazine entitled, "Hope," with daily topics for Bible reading and discussion at their weekly meetings.

The committee was glad to respond to an invitation for a speech because each one felt that it was good to be there with these earnest Christian workers who seemed double charged with the Spirit as they gave fervent testimony. We felt strengthened in the Faith and in Christian experience and will want to visit our sisters often that we may drink together at that fountain of living water that never faileth, that we may be refreshed and made strong together as we run the race that is set before us looking ever unto God the author and finisher of our faith.

Mrs. Sallie Morris, Mrs. Frank Hester, Mrs. R. L. Wilburn, Committee.
