ROXBORO MARKET EQUALS THE BEST

AVERAGE HIGH, BUT GRADES
LITTLE OFF

The Sales Last Week Were Good,
With Big Averages, But Offer-
ings Not so Good.

On account of election day there were only four sales days, but the breaks were very good, amounting to 264,817 pounds, which brought \$75,462.51, and average for the entire sales being \$28.49. Considering the quality of the tobacco this was a most excellent price, in fact we doubt if there was another market in this section can show a better price or higher average.

On last Friday there was one of the best sales of the season, with heavy sales and quite a liberal offering of inferior grades, the general average for the market was close to \$30.00 per hundred.

Again, we want to remind you that for the same grades you can not find a market which will give you more for your tobacco than Roxboro. Don't take our word for it, just make a test and convince yourself.

LODGE SUCCUMBS TO AN APPO- LECTIC SEIZURE SUNDAY

Cambridge, Mass., Nov. 9.—Senator Henry Cabot Lodge died at the Charles Gate hospital at 11:14 to-night. He suffered a stroke on Wednesday, November 5.

Stricken at about noon Wednesday, the senator from Massachusetts lingered for four and one half days before the end came. During the greater part of the time, he had been in a state of coma but after nearly 48 hours of unconsciousness he awoke for a time to take a little nourishment and recognized persons in the room.

Mr. W. J. Brogden of Durham delivered an address last Sunday evening in the Palace theatre to the boys. This address was under the auspices of the Rotary Club and the town is under obligations to this club for a most excellent address. No one can hear Mr. Brogden without receiving benefit, and we hope he will come this way again.

All who are interested in co-operative marketing, and every one is one way or the other, should take the time to hear Dr. Joyner. He is a gentleman of the first water, well versed in the subject and will give you something to think about. If such men as Dr. Joyner had canvassed this county earlier there would have been less contract breaking for our people have confidence in him and know what he says is true, for he is no demagogue.

MR. SANDS SPEAKS.

Saturday Was Co-Operative Market-
ing Day in Roxboro.

Last Saturday Mr. Oliver J. Sands was advertised to speak in the court house, with all of the business men of the town especially invited to hear him. Just how many of the business men were present we can not say, but this we can say, the court house was packed with people, and standing room all occupied.

Mr. Sands is no great speaker as far as oratory is concerned, but he is a plain, level headed business man and he spoke in a convincing, conventional manner. He was not abusive to any one though he did come down pretty hard on the contract breaker. He showed by statistics that the Association had made millions of dollars, not only for the members, but for the non-members as well. He cited statistics showing that tobacco had sold for more than one hundred per cent more during the time since the organization of the Association than it averaged previous to that time.

All in all, it was a strong speech and we wish every man, and especially every member of the Association could have heard it, for we believe, they would have been strengthened in their Association.

Director C. T. Hall, Mr. R. R. Patterson and Dr. J. Y. Joyner addressed the meeting, all stressing the fact that the Association was stronger today than at any time since its organization.

Box Party at Leasburg.

School Girls Ban The Vanity Case

Ashville, Nov. 7.—Girl students of the Asheville high school at a meeting of the student's club today, in a resolution almost unanimously passed promised "not to powder or primp in public, either at school or outside of school."

The girls called upon the girls of all other schools of the state to discontinue the practice of "powdering their noses in public" and urged them to "return to the ways of our mother and grandmothers."

Card of Thanks,

Mr. and Mrs. J. Malmage Gentry wish to thank their relatives and friends for the kindness shown them during the illness and death of their little daughter, Dorothy.

To My Friends:

I desire to take this method of thanking all of my friends who so faithfully supported me in the election on Nov. 4th. Not only do I appreciate the privilege of serving you, but the fact that you deemed my past work worthy is of the highest interest to me. I shall strive in the future, as in the past, to do my very best to serve every one in the County to my best endeavor. If I make mistakes, and all of us do, rest assured it is an error of the head and not of the heart.

Very respectfully,
D. M. Cash.

"KATHLEEN"

Is the Assassin of Gloom.

There was a man
In our town
Who had an awful frown
He just couldn't ever
See the bright side
Nothing was funny
He never smiled
Nor did he laugh
Because
Someone might
Smile back at him.
Someone gave him a
Ticket to "Kathleen"
And he went to see it.
First—he smiled
Then—he laughed
Then—he roared.
Now he isn't a
Crouch any more
For
"Kathleen"
Is
The Assassin of Gloom
That's all.

RED CROSS ANNUAL ROLL CALL.

Armistic Day, November 11th, will mark the opening of the Local Red Cross Chapters Annual Roll Call, when canvassers will personally visit each home and business house in the community and give every one an opportunity to renew their membership in the organization.

Three hundred members is the goal that the chapter has set for this year, and it is believed that the work that is being conducted here will receive adequate support when the campaign is opened. There has not been a resident nurse at Roxboro for the past two years, but the Red Cross has representatives to do special work on several occasions during the past twelve months. Among the activities fostered by the Red Cross was a class in Home Hygiene and Care of the Sick conducted last summer under the direction of one of their nurses. The purpose of these courses is to give students an elementary knowledge of nursing procedures necessary for the proper care of ordinary sickness in the home. It also teaches the rules of sanitation and hygiene pertinent to good health including methods for the care of milk in the home, the proper disposal of garbage and many other things essential to a healthy home. Many of our town-people took advantage of these classes and keenly appreciate the value of such instruction.

In addition to the above, their is at present a Red Cross representative on the field working for the interest of those of our county who are effected with tuberculosis. This nurse is visiting the schools, churches etc. and giving lectures on the care and preventing of tuberculosis. This disease is claiming a larger per cent of the population than any other, and this work is extremely important, as well as undeterrable in dollars and cents. While the above activities are being carried on here in Roxboro, similar work is being carried on by the Red Cross all over the United States. Hence, we are the more able to appreciate the great work this organization is accomplishing throughout the country.

The types of memberships will be \$15.00 for this year. They are \$50, \$25, \$10; \$5; and \$1 memberships. From each membership only 50 cents national and international work of the Red Cross. The rest of the money remains here to carry on the local work of the Red Cross Chapter. Therefore, from a \$10.00 membership, \$9.50 is spent locally, while 50 cts goes into the National Red Cross Treasury. With the money which it receives, the national organization carries on its relief work for disaster-stricken areas.

ROTARY MASS MEETING AT PALACE THEATER.

One of the many good things of Rotary is its interest in the boys. The Committee on Boys' Work plans to have these mass meetings every 2nd, Sunday afternoon. The plan was endorsed by the Rotary Club and sponsored by the various Churches. They are in interest of the boys, primarily, but they are for, and will be interesting to, everybody.

The speaker at the meeting last Sunday delivered one of the best addresses on the subject of the boy ever heard in Roxboro. It is regretted that every boy and every boy's parent in Roxboro could not have heard it. It is also regretted that several of the Rotarians only heard that it was good.

J. L. Martin, Chairman of Boy's Work Committee.

"KATHLEEN"

Is Here.

One of the most enjoyable evening's entertainment that will be presented in Roxboro for some time to come, will take place at the High School auditorium on Nov. 18 and 19, when the American Legion will present "Kathleen", the romantic musical comedy directed by Kathryn I. Morris of the John G. Rogers Producing Company.

The curtain will rise at 8:15 sharp on a scene of rural tranquility and peacefulness that is until the "sheriff tries to beat the best checker player in town at his own game, and the flashy college student arrives in town." Then complications arise which keep the interest at fever heat till the final curtain. Clever hilarious situations are interspersed with dances, songs, and scenes of intense dramatic interest.

All grousches are warned not to appear in the audience for they will lose their gloomy reputation by going home smiling.

The principal cast includes:

Lem Underdock—Flynnville's police force, Wallace Woods.

Teckley Bramble—Champion checker player, Jim Broadhead.

Marabell Wilkins—The town post mistress, and hero worshipper, Mrs. Carrie Bradsher.

Jimmy Stanton—Rich in love but poor in fact, Gob Sutherland.

Flossie Neverest—Who ramps and dances, Mrs. Moe Goodman.

Kathleen O'Day—The village sweetheart, Mrs. Baxter Mangum.

Michael Flynn—Flynnville's wealthiest citizen, Clyde Crowell.

Hans Swindler—Proprietor of the general grocery store, George Cushman.

Ned Rollington—With a college education, Charles Harris.

Higgins—The butler, Jack Strum.

The choruses include bevy's of local beauties and clever young men who will sing and dance to entertain and are quite versatile.

They present jazz in "Dance O'mania," rural delight in "By Heck."

Every one concerned in the play is working hard to make it one of the best ever presented here. The tickets are now on sale and it is wise to have yours in time as all seats are reserved and limited in number.

Don't miss the treat of the season.

FORMER GOV. KITCHEN DIED SUNDAY

WAS IN CONGRESS FROM THIS
DISTRICT 12 YEARS

Died Sunday At His Home
In Scotland Neck. Was A Rox-
boro Citizen For Many Years
and Most Loved Citizen.

(By the Associated Press)
Scotland Neck, Nov. 9.—W. W. Kitchin, 58 years old, former governor of North Carolina, former representative in congress and a brother of the late Claude Kitchin, Democratic house leader, died here today after a long illness.

William Walton Kitchin was a member of a family long prominent in North Carolina politics and which furnished at various times, three members of congress. His father, Captain William H. Kitchin represented the second North Carolina district.

Former Governor Kitchin represented the fifth district in congress for 12 years prior to elevation to the chief executive position in the state.

Governor Kitchin was born at Scotland Neck October 9, 1866. He graduated from Wake Forest college in 1884 and the next year became editor of the Scotland Neck Democrat. Meantime he studied law and in 1887 was admitted to the bar and took up the practice of the legal profession at Roxboro in 1890.

In 1890 he was chairman of the Democratic state executive committee and in 1892 was an unsuccessful candidate for the state senate. On December 22, 1892, he married Miss Musette Satterfield of Roxboro.

In 1896 Governor Kitchin flashed into the political limelight in the state when he was nominated for congress from the fifth North Carolina district against Thomas Settle, Republican, who had represented the district for many years and who was considered probably the most brilliant member of the North Carolina delegation in congress.

A young man, without great experience in the political forum he plunged into a series of joint debates with the experienced congressman and held his own so well that in the Republican landslide of that year in the state, he was the only Democrat elected to congress, unseating the man considered the wheel-horse of the Republican party in the state.

From that time until 1908 he continued to represent his district in congress.

In the memorable Charlotte convention of the state Democratic party in 1908 he was a candidate for the nomination for governor against the late Lock Craig of Asheville and Ashley Horne. Craig was backed by United States Senator Simmons and the neutral forces were backing Horne.

The convention was deadlocked for many days. Finally when the deadlock was broken Kitchin emerged the candidate and won easily.

In 1912 Kitchin was a candidate for the nomination for the United States senate against Senator F. M. Simmons. This was the first year in which a primary was held. After a warm three cornered race between Kitchin, Simmons and Walter Clark, then chief justice of the state supreme court, Senator Simmons was nominated.

Mr. Kitchin retired from politics and did not actively seek office thereafter.

Thus at the age of 46, when most men in public life are just beginning their career he retired to private life and resumed the practice of law. He was a member of the firm of Manning and Kitchin at Raleigh until 1918, when he retired because of ill health.

Governor Kitchin is survived by his widow, four daughters, Mrs. William T. Joyner of Raleigh; Mrs. L. Travis, Jr., Halifax, and Misses Elizabeth and Musette Kitchin, one son, Clement Kitchin, four brothers, J. Arrington, Leland M., T. A. and Dr. T. D. Kitchin, and two sisters, Mrs. A. McDowell and Mrs. Annie Kitchin McDowell, all of Scotland Neck.

Concord Circle Bazaar.

The Circle of Concord church will have their bazaar at Jackson's Garage on Nov. 22nd, 1924; opening at 10:30 o'clock. Dinner will be served also.
