**LET'S FORGET IT.**

The election is over and every one should be happy, both Democrat and Republican. Democrat over the result in North Carolina and Person county, and the Republican over the winning Mr. Coolidge gave our man. So why harbor ill feeling towards any one for any little something which might have been said or done during the heat of the campaign, for you know it is said "everything is fair in love" and it is generally conceded the same thing holds good in politics. Most of us say something during election times which we know is not literally true, and do things we would not do any other time, and it is foolish to remember these little things after the election is past.

We believe one should be just as honest in election affairs as in any other affair, but you know it is not the rule or custom. Both sides, and all sides, take advantage of any little slip which will accrue to the interest of their party and use it for all it is worth, and while this is not right, it is done by all, and if there is any one harboring ill will towards a neighbor for any little slip which might have been made during the campaign the very best thing that one can do, is to forget it.

Let every man in Roxboro and Person county give the same time and work for the next three months to boosting our section that he gave to his party the past three months and see how great a change there will be in things in general, and it will be worth hundreds of dollars more than all of your party work.

We believe it pays to get together and talk over matters. For instance the little meeting held here a few weeks ago to discuss the tobacco situation seems to have resulted in great good, for there are many more farmers coming to Roxboro with their tobacco, and the warehousemen and buyers seems to have a kinder feeling for the farmer. Yes, as Mr. Willie Wilkerson well said, "it pays to pat a farmer on the back and say a kind word."

The North Carolina Cotton Growers Association seems to have fared much better than the Tobacco Association. According to a statement issued by the Association the deliveries for the week ending November 15 made a record for the season, the total being several hundred bales above any other week, and almost double the same week last year. The Association management continues to advance \$70 on every bale.

Business is good in Roxboro and every one seems to have an air of thrift about him. The farmers are well pleased with their tobacco sales and the members of the Association are proud of their advances, and everybody has lost that pessimistic air. Good, let's go.

On Thursday, November the 27th, Thanksgiving day, you will have the opportunity to show how much sympathy you have for the poor orphan child. You are asked to contribute one day's income to the orphanage of your choice. Will you do it?

We still have something to look forward to. After Thanksgiving comes Christmas, and then we will have with us the Legislature. Always something to look forward to.

**NOELL-STEPHENSON**

A ceremony of much interest and great surprise to the many friends and relatives was performed in Raleigh on Nov. 2nd at 4 o'clock at the Baptist parsonage when Miss Sadie Stephenson, the popular young daughter of Mr. Lynn Stephenson, 101 Maywood Ave., became the bride of Mr. Arthur B. Noell, the youngest son of Mr. James S. Noell of Person county.

After the ceremony the young couple left for a visit in Eastern Carolina with relatives of the bride. After returning they will make their home in Raleigh.

Farm Agent T. J. W. Broom of Union County is placing a demonstration with vetch and oats or rye in each community of his county to show the value of vetch in soil improvement.

**SOCIETY**

Characterized by her usual charm, was the delightful luncheon given on Saturday by Mrs. E. V. Boatwright, at her attractive home on North Main street. Predominating throughout were the colors of Carolina and V. M. I., the former of blue and white being used exclusively in the living room, with blue bowls of white chrysanthemums arranged in artistic effect, while in the dining room, the colors of the latter, red, yellow and white chrysanthemums in vases were placed in pretty array.

The table was lovely with its appointments, the centerpiece being a huge football, surrounded by a miniature team. Bonbon dishes of red yellow and white mints were used as a further color motif. A menu of salad, crackers, pickles, Virginia ham, hot biscuits, individual pies, and hot coffee was served the guests. The colors of the respective colleges were given the guests as favors.

Immediately following the luncheon, the party left for Chapel Hill to attend the football game. The affair was given as an honor to Miss Martha Page, of Richmond, Va., with the following guests: Mr. and Mrs. Roy James, Mrs. John Overby, Miss Marion and H. L. Boatwright, all of Danville, Va.; Mrs. Harry Young, Helena, Ark.; Mr. and Mrs. Edgar Smith, Danville, Va.; Mr. and Mrs. M. R. Long, James Broadhead, John Morris, Robert and Merrimon Burns, Dawes, and Rev. J. L. Martin, all of Roxboro.

A very delightful event of the month was the reception given in the club room, by the Woman's club of this city to the faculty of the graded school. The receiving line was composed of the teachers, the president of the Woman's club, and officers of the Parent-Teachers association. The meeting was presided over by Mrs. W. T. Pass, president of the club, who introduced Mrs. J. A. Bean, who had the program for the evening. (Short biographies were given by the teachers at the request of Mrs. Bean, which afforded much information and amusement. The music department contributed to the program with several vocal and instrumental numbers. At the close of the evening, ice cream and pound cake were served the guests.

The first meeting of the Woman's club was held on Friday evening in the Kaplan building, with Mrs. W. T. Pass, president presiding. A short business session was held, after which a very interesting program was presented by the Review and Study clubs, both being formed under the Woman's club. Mesdames Moe Goodrich and T. C. Bradsher gave two vocal numbers. Miss Mary Cheek read a very instructive paper on "The Red Man." The remainder of the program was several readings given by several girls and boys representing the Review club. Mrs. E. E. Bradsher closed with a piano selection.

The Review club met Thursday afternoon with Mrs. A. B. Warren. After a short business discussion the meeting was given over to Mrs. R. H. Oakley, who discussed the life of "Patrick Henry," followed by Mrs. T. C. Bradsher who read short sketches of the life and works of L. Q. C. Lamar and Henry Woodfin Grady. After the lesson the hostess served a delicious salad course with coffee.

Miss Mary Cheek was hostess to the Study club on Thursday afternoon when the program for the study hour was "Growth and Expansion." The first paper was read by Mrs. J. Y. Blanks on "De Graffondeau's Townlet on the Neuse," followed by Mrs. Irvin Moore who gave the second paper, "Settlers on the Cape Fear." Mrs. A. B. Stalvey closed the study period with "The Passing of the Pruriety."

The social hour was then enjoyed, with Miss Cheek, assisted by her mother, Mrs. E. D. Cheek, serving a salad course with coffee.

Miss Mary Harris entertained the members of the Wednesday Bridge Club and few additional guests Wednesday afternoon. Beautiful flowers were placed in bowls and baskets throughout the house. The hostess assisted by her sister Mrs. R. L. Harris served a salad course with coffee and whipped cream. Sixteen guests were present.

The Friday Afternoon Book Club met with Mrs. A. S. deVlaming on Friday afternoon. Lovely chrysanthemums were placed over the house in an artistic manner. Six tables were placed for the game of Boston Rook and many progressions were enjoyed. The hostess assisted by Mrs. R. L. Wilburn served a delicious salad course, coffee and stuffed dates.

A Kruppenhauer, Griffon and Curlee suit will help you there and will be instrumental in keeping you there. Wilburn & Satterfield.

**Carry Thanks.**

We desire to take this method of expressing our heartfelt thanks to our many friends and neighbors who were so faithful during the illness and death of our Wife and Mother. Joe Wilburn and children.

**TWICE-TOLD TESTIMONY**

Roxboro People Are Doing All They Can for Fellow Sufferers.

Roxboro testimony has been published to prove the merit of Doan's Pills to others in Roxboro who suffer from bad backs and kidney ills. Lest any sufferer doubt this evidence of merit, we produce confirmed proof—statements from Roxboro people who again endorse Doan's Pills—confirm their former testimony. Here's a Roxboro case:

A. P. Simpson, prop. butcher shop Main St., says: "I have taken Doan's Pills on several occasions for backache and kidney disorder and have always found them beneficial. I can recommend Doan's to anyone in need of a kidney remedy for when I was down with my back Doan's relieved the trouble." (Statement given January 28, 1915.)

On December 12, 1921, Mr. Simpson said: Doan's have never failed to do me good and although I haven't needed them lately, I am glad to renew my former statement."

60c. at all dealers, Porter-Milburn Co., Mfrs., Buffalo, N. Y.

**EXPERT HERE**

F. H. Seely, of Chicago and Philadelphia, the noted truss expert, will personally be at the Malbourne Hotel, and will remain in Durham this Friday only Nov. 24. Mr. Seely says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—employing instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or occasional ruptures (following operations) specially suited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions."

Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seely has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section. P. S. Every statement in this notice has been verified before the Federal and State Courts—F. H. Seely, Home Office 117 N. Dearborn St., Chicago.
