### \$250.00 IN CASH

A Special Fund of \$250.00 in cash has been set aside to be distributed in the form of salaries among active non-prize winners on a ten per cent basis. To be eligible to this feature a candidate is expected to turn in a report at least once a week and to turn in not less than \$25.00 in subscriptions during the campaign.

This assures all those who are active compensation for their efforts. No losers, but every one wins.

Just think, one tenth of the business you do comes back for sure if you do not win a prize.

This is a good guarantee and especially for collecting money and subscriptions with such an array of prizes back of it.

You can make \$2.00 a day easy in the Courier campaign, if you shouldn't win a prize. If you only collect \$20.00 worth of subscriptions a day you are sure of the above amount. There is nothing to hinder anyone in making money in this profit-sharing campaign.
