Fifth Grade: Loyd Clayton Garrett Hicks, Nathaniel Hicks, Standman Rhew, Sylvia Clayton, Pattie Daniel, Stanley Clayton. Sixth Grade: Shirley Mooney. Seventh Grade: Maynard Gentry, Dolphin Whitfield. Eighth Grade: Sophia Clayton.

2. Always signal to drivers following you when preparing to stop or turn right or left. Remember the most dangerous turn is the left turn. Be sure you have the right-of-way and a clear road, front and back, when making this turn.

3. Have your lights well focused. Poor lights do not show you the road and glaring lights blind oncoming motorists—either is hazardous to both parties.

4. Observe all speed laws—for the safety of others and for your own safety.

5. Be sure your brakes are in perfect order. They must be well-lined, tight and equally effective on each wheel. On slippery roads, apply brakes without throwing out your clutch. This also applies in descending hills. Always make the motor help hold back the car by leaving the clutch in.

6. Be sure you have the right tire equipment to make your brakes take immediate effect. Balloons are the best solution here and the more flexible they are, the better brake-action you will get. Tread design and completeness of road contact are important.

In this latter condition, I can speak authoritatively and say that Firestone Tires are your "best bet." Firestone's tread has the greatest number of non-skid edges of any low pressure tires made. Furthermore, this tread is in complete contact with the road surface because the sidewalls are more flexible, owing to their Gum-Dipped cord construction, a feature found in no other tire.

**Making Traffic Safe**

Making traffic safe for all, is more a matter of the "Do's" than the "Don'ts" according to a well-known Roxboro business man. "To often the emphasis is placed on what they should do," he said.

This statement was made by J. M. Featherston of Central Service Station, local dealer for the Firestone Tire & Rubber Co. In addition, Mr. Featherston gave what he believes to be the six fundamental rules of safe driving under present conditions of heavy traffic:

1. Keep to the right side of the road; be sure the way is clear before going around a car ahead and sound your horn before passing.

**Sale - Personal Property**

I will sell to the highest bidder for cash on Saturday, Nov. 20th, a lot of household and kitchen furniture, wagon and wagon harness, 2 horses, feed cutter, plows and hoes, 1 riding cultivator, 1 boiler for ordering tobaccos, 2 stacks of straw, 1 stack of hay, 1 stack of peavines, lot of stalk feed, 25 to 30 barrels of corn, and lot of wheat, and 1 Studebaker touring car in good running shape.

Sale will begin at 10 o'clock. J. M. Jackson.

On same date, beginning at 1 o'clock, we will sell at auction to the highest bidder 1 horse, 2 wheat drills, 1 binder, 1 mower, 1 rake, 2 corn planters, 1 cotton planter, all kinds of farming utensils, plows, cultivators, etc. 1 cook stove, range,

of Durham  
OPTOMETRIST

Specialist in examining eyes and fitting glasses will be in Roxboro at Davis' Drug Store every first Wednesday in each month. His glasses will give you real pleasure and satisfaction. They are accurately fitted in every detail. They feel right and look right. Charges reasonable.

My next visit will be Wednesday, December 1st.

stalk feed, hay, corn, wheat straw, etc. Mrs. J. W. and A. E. Jackson, Administrators.

**Notice Of Sale Of Valuable Land**

Under and by virtue of the authority conferred upon me by a judgment of the Superior Court of Person County, in that special proceeding entitled A. F. Duncan et al vs. Cornelia Duncan et al, I will, on Monday, December 6, 1926,

at 12 o'clock P. M., in front of the court-house door in Roxboro, North Carolina, sell to the highest bidder, for cash, the following described land: That certain tract of land in Al-lensville Township, Person County, sixty (60) acres, more or less.

This land will be offered first in lots and then as a whole, and the court ask to confirm the sale bringing the greater price. This November 3, 1926. WALLACE DUNCAN Com.

**Bad Color (liver trouble)**

"OCCASIONALLY I am troubled with spells of constipation and inactive liver," says Mrs. John L. Pence, Broadway, Va. "I always use Thedford's Black-Draught when I feel a spell of this kind coming on, for it saves me a bad headache. My color gets sallow at times. I get real yellow, showing that the trouble comes from the liver.

"I have found Black-Draught to be the finest kind of a remedy for this. I take Black-Draught and make a tea out of it, and take it along in small doses for several days. I have never found anything that served me so well.

"Since I have known about Black-Draught, I have not suffered nearly so much with headache, caused from indigestion. If I find my tongue is coated, and I wake up with a bad taste in my mouth, I know I have been eating indiscreetly, and I immediately resort to Black-Draught to straighten me out."

Steady market for your cotton any day, except Saturday.

T. T. HESTER & CO.

**Fat Broilers In Eight Weeks!**

Just suppose you started with 500 chicks, costing about 20c a piece or \$100.00. Your feed bill for eight weeks would be around \$38.00—total cost \$138.00.

Let us say 200 of the chicks are cockerels. Tuxedo-fed for eight weeks, they're now market broilers worth at least 80c each or \$160.00! Eight weeks from the start and you clear a profit of \$22.00 and still have 300 pullets that cost you nothing! Sure there's money in poultry if you feed Tuxedo after chicks are 48 hours old and stick to it all the way. If you haven't tried Tuxedo yet, start today. We recommend Tuxedo Feeds.
