

**Planters Warehouse**  
South Boston, Va.

We sold last week 673,166 lbs. at an average of \$25.82, the largest week in the history of the Planters Warehouse. The town sold 2,130,004 lbs. at an average of \$34.89, giving us 31.60% of the total sales with an average 93c above that of the market.

There are reasons for this: First, good salesmanship; having good judges of tobacco to run the sale and look after your interest on every pile. Nothing counts more in selling your tobacco than for the buyers to realize that the warehouseman is a good judge of tobacco and will make it bring the top market price.

Second, having a good auctioneer who knows how to start each pile, and last, but not least, having the confidence of both buyer and farmer. All these combined have given the Planters Warehouse **FIRST PLACE** in both quantity and price.

Why not join the crowd, pick your favorite sale, wait for it and sell your tobacco with us where the highest average is obtained? It took you six months to make this crop of tobacco, can't you afford to wait a day or two to hit our early sales if you save money by doing so? Below we give our sales for next week:

Monday, Nov. 28th, 1st sale.  
Tuesday, Nov. 29th, 3rd sale.  
Wednesday, Nov. 30th, 2nd sale.  
Thursday, Dec. 1st, 2nd sale.  
Friday, Dec. 2nd, 1st sale.  
Wishing every one of you a happy and joyous Thanksgiving, we are,  
Your friends,  
HODGES & DeJARNETTE.

# AT AUCTION

The P. S. ROGERS ESTATE

Saturday, Nov. 26  
10:30 A. M.

**Location**

The Splendid Farm is located 4 miles South of Roxboro, N. C., on Highway No. 13. The property lies on both sides of this great Paved Road, also on the Norfolk & Western Railroad.

**SUBDIVISION**

We have subdivided this plantation of about 400 acres into 20 tracts most of them fronting the Highway with good building sites on each. We have also considered the open or tenable land, timber and wooded land in this subdivision, and given running water on practically all tracts.

**SOIL and CROPS**

This property is centrally located in the best tobacco section of Person County and quite likely the State, growing any type of wrappers, bright yet rich and waxy which sells high always. On the low grounds of this farm you will find as good corn land as anywhere in the State, in fact is a combination Farm. The soil is a light sandy loam with yellow clay subsoil—will take and hold improvement, in fact this is considered one of, if not the best, farms in the section, and its past yield justifies the reputation it has.

**ADVANTAGES**

The advantage of this paved highway passing through the property is of an untold benefit, also the Norfolk & Western Railway, but had you thought of the electric light and power lines which pass through the property, or school bus service over this road, giving your children even better than city conveniences. All of these advantages plus the free-out door country life—country freedom with city advantages.

**IMPROVEMENTS and TIMBER**

On Tract No. 10 there is situated a large frame dwelling of six or seven rooms, in good condition. This is the old home place and a splendid farm of 26 acres. On Tract No. 7 there is a tenant settlement; this tract contains only about 8 1-2 acres. And on several of the tracts you will find some of the best timber in the County. You can't go wrong on buying this property. Space forbids giving all the points of merit of such a good farm.

**TERMS:** 25 per cent cash, balance 1, 2, and 3 years.

**FREE**—Brunswick Stew Dinner for everybody—bring the family and your friends. Band Concert—**FREE**

## We Are Thankful

On this day, which is set aside as Thanksgiving Day, we feel that we should be most grateful, and ingratitude is the basest of all sin, if we did not tell you how very thankful we are to the farmers of Person and adjoining counties for the splendid manner in which they have stuck to the Hyco.

We have tried, day in and day out, to look after your every interest, and if we have failed it was an error of the head and not of the heart. We rejoice with you that the Lord has given you such an abundant crop, and that we have been able to help you get such a good price for what we have sold for you, and we want to assure you that we shall ever feel grateful for every blessing which comes to you, for your prosperity is our chief aim.

Your Friends,
