Lousy poultry will be unthrifty this winter. Some farmers are finding their flocks heavily infested at this time of the year.

Fair Enough

Teacher: What holds the moon in place day after day and year after year?

The boll weevil has knocked as many home runs as Babe Ruth this season and he will have good quarters for winter training if the cotton fields are not cleaned and the stalks plowed under.

Good roads in North Carolina have again aided in the marketing of farm produce. Some farmers of Eastern Carolina have used trucks rather than railroad cars in shipping their fat hogs to market.
