We have built this lumber business of ours slowly but surely, using the old reliable tools known as Quality, Service and Fair Prices. Satisfied customers have spread the word till it seems as though everybody should know that this is the place to buy lumber. Still, there may be a stranger in town, so we'll run this ad anyway and tell him!

### Resolutions

We, the undersigned, wish to take this opportunity to express publicly our deep sorrow and keen personal loss to the tragic and untimely death of Butler Gentry, our beloved friend and companion. The terrific shock of the manner of his death may be softened by the passage of time, but his going from us leaves the pain of an emptiness in our hearts and a break in our circle of comradeship which the years may make easier to bear, but which no passage of time can heal. We esteemed him and revere his memory for his sincerity and integrity of character and for his beauty and generous friendship. We are made poorer by losing him but we feel our lives have been enriched by having known and loved him. We extend to his family and relatives our deepest sympathy and mourn with the great host of those who loved him well.

### HURDLE MILLS SCHOOL NEWS

Mrs. Dickerson's first grade had charge of the program on last Friday morning. The program was enjoyed by all. It was as follows: Come Little Leaves—played by a group of girls. Songs: Whip-poor-will, by the grade; Jacky Frost, by the grade; A true story, by the grade; Dramatization of Billy Bob Tail, by the grade.

On last Friday afternoon the stew given by the P. T. A. was enjoyed by everyone. Even Mr. Currin, our principal, reports that he ate a bowl of very good stew, but we think that he is mistaken because it must have been at least six. While stew and other eatables were served two very interesting games of basket ball were played by the boys and girls with Helena. The score for the girls was fourteen and twenty-three in favor of Helena; for boys, six and twelve in favor of Hurdle Mills.

Roxboro Ice Company donated 100 pounds of ice for the cream and other things. We greatly appreciated Mr. Wallace Woods' generosity for this donation.

About 6:30 the crowd assembled in the school auditorium where a program was given which lasted about one hour and a half. The size of the crowd spoke their enjoyment of the program.

Work will begin soon on the improvement of our school ground and buildings. We expect to paint the building and the annex. A rock wall will be built around the front and more shrubbery planted.

Hurdle Mills will close Wednesday, Nov. 28, for the Thanksgiving holidays and will return to our work the following Monday.

Other games have been played with Allensville and Aycock high school.

Hurdle Mills met Aycock high on its home court Tuesday afternoon. It was a very interesting game with the score for the girls being 14-13 in favor of our team; for the boys 18-20 in favor of Aycock. Florence Moore, Lucille Bradsher,
