## A GOOD CITIZEN

A good citizen is one who is loyal, in every sense of the word, to his home town, and county. Mr. W. R. Hambrick is just such a man. He has been in the drug business in Roxboro for forty years and commands the respect of all who know him. He was superintendent of the Sunday School of Edgar Long Memorial Church for twenty-nine years, and seldom missed a service during that time. He loves his church devotedly. Mr. Hambrick has always been particularly interested in the schools of Roxboro and is at present a member of the Board. He is a director of the Roxboro Cotton Mills and Peoples Bank. All civic work or any movement toward the growth and development of Roxboro appeals to him. He is a member of the Rotary club and gladly responds to any worthy cause.

It can be truly said of him that "He lives in a house by the side of the road and is a friend to man."

Mary Hester Austin.

## BOOMERS MEET

The Boomers had their regular meeting at the home of Carolyn Michaels on Saturday night. There was a long business meeting followed by two very interesting contests. The first was won by Louie Marshall Satterfield to whom the hostess gave a beautiful manuring set. The second was a contest called "Questions and Answers." The questions were asked by Marie Spencer and were answered by members of the club. Anna Catherine Love received vote for having best answers and received a lovely compact.

The hostess, assisted by Louise Warmack, served a delicious salad course with hot tea. The meeting closed with every one singing the club song.

Mary Lee Elmore, secretary of Miss Morris' sophomore has been confined to her home in Ca-Vel Circle for the past few days on account of serious illness.

The Sophomore Class, room 9, had as its visitor Monday, Mrs. C. H. Montgomery of Alexandria, La. She was visiting her sister, Miss Tex. Morris.

## Taking Unknown Drugs A Great Folly

Doctors throughout the world agree there is no greater folly than to buy and take unknown drugs. Ask your own doctor.

So—when you go into a store for real Bayer Aspirin, see that you get it.

Remember that doctors endorse Genuine Bayer Aspirin as SAFE relief for headache, colds, sore throat, pains of rheumatism and neuritis, etc.

Just remember this. Demand and get Genuine Bayer Aspirin.

of the present Senior class, was a Roxboro visitor Sunday. We are glad to report that Annie Long Bradsher, after a week's illness, is again in school.

## WE WONDER?

Why Jean Morton's daddy was mad with his daughter Sunday night.  
 Who Nell Wagstaff dated Sunday night.  
 Why Margaret Hannah Critcher likes the Oldsmobile.  
 Who James Abbott's new crush is.  
 Why Annie L. Bradsher was unusually happy this week-end.  
 What James Brooks' favorite flower is.  
 Who Bob Michaels has a habit of building fires for.  
 Why Reade Gentry fails to rate South Main anymore.  
 Why the entire student body seems lazy this week. (We'll answer this one) next week!

## ROXBORO HIGH TO BE REPRESENTED AT HIGH POINT

An essay contest is to be held at High Point College, Friday of this week. High school students from a large number of schools in central and western North Carolina will take part. Those engaged in the contest have submitted their essays in manuscript and will also deliver their compositions orally before a committee at the college. The award to the winner will be a scholarship to the college.

Miss Margaret Ann Perkins is the representative from Roxboro and stands an excellent chance of winning. The school is backing Miss Perkins in this enterprise and hopes she will be successful.

## SENIORS PRESENT GOOD PROGRAM LAST FRIDAY

Last Friday the Senior, gave a very interesting chapel program in honor of St. Patrick's day. The characters were dressed in green carrying out his color.

The program consisted of two features. One, a song, dramatized by Billy Miller and Isadore Long. "Pat and his Countrymen," a short play, was given by Reade Gentry and William Fox.

The school body was also honored with two songs by Mr. Kendall Street, "Mother McKree" and "Wearing of the Green." He was accompanied by Mrs. Street at the piano.

## Bethel Hill P. T. A. Holds Mar. Meeting

The March meeting of the Bethel Hill P. T. A. was held Monday night, March 12, in the school auditorium. About 250 people were present, the unusually large crowd attending as the result of a specially planned program under the direction of Miss Mary Joyner, program committee chairman. The "Miscellaneous Program," as it was called, was made up of selections taken from the different chapel programs which had been presented during the year. Seventy-five children took part on the program.

At a business meeting the same evening the following officers of the association for next year were chosen: President, Mrs. W. B. Humphries; vice-president, Mrs. H. S. Barnette; secretary and treasurer, Miss Mary Joyner; reporter, Miss Janie Rogers.

## Roxboro Is Your Market

We, the business firms of Roxboro, are appreciative of the fact that, through the co-operation of our farmer friends, the Roxboro Tobacco market was able to sell five million pounds of tobacco during the season just closed. We want to begin now to pound it into the heads and hearts of our many farmer friends that there is no better market than the one we have right here at our front door. Roxboro's average for the entire crop sold in the 1933-34 season was about seventeen dollars per hundredweight.

"United we stand; divided we fall." Immortal words just as true today as they were the first time they were ever uttered. Continue to unite with us in the future as you did last year and we pledge that we will all work together for a bigger, better, more successful market for the seasons that are to come.

### WE THANK YOU

Before the opening of the Roxboro Tobacco Market every member of the Rotary Club pledged their unselfish efforts to make this market equal to the best, and we are satisfied every one lived up to that pledge. It was most gratifying the manner in which the farmers fell in with the idea, and the result was our market picked up wonderfully, and

### WE THANK YOU
