REPORT OF GRAND JURY

We the Grand Jurors for the October Term of Person County Superior Court, beg to submit to his Honor Judge E. H. Cranmer, judge presiding, the following report of what we have done:

1. We have examined and acted upon all bills sent to us and have returned true bills and made presentments in cases that we thought needed such action.

2. A committee from our number visited the County Home, we found the affairs there well managed, with plenty of supplies on hand and all evidences that the inmates are well cared for. The home itself was clean, the bed clothing and clothing of inmates were clean and well looked after. The County Home as a whole was looked after very nice. The grounds were well kept and the front yard was beautiful.

We recommend to the County Commissioners that they are in need of grates for the furnace for they are in a bad condition and also provide for a top for one of the commodes.

3. We visited the convict camp and found everything in a well kept manner, the prisoners being well cared for, the bed clothes and their clothes were in a wholesome condition.

4. We visited the offices of the Court House, inquired into the record and found everything well

kept. We visited the J. P. of County and mayor in regard to their reports to Clery's Office and found that this report had been returned. We also inquired into the minor children for guardian, all this had been attended to. We found the jail well kept and in a good wholesome condition, the bed clothes were clean and no indication of vermin. Prisoners well cared for. The Court House grounds were well looked after. Having reported this work of ours we feel that we have carried out the duties of our office and ask that we be discharged.

Respectfully submitted this the 16th day of Oct., 1934.

R. H. Gates, Foreman.

CENTRAL GRADED SCHOOL NEWS

We were glad to have Mr. J. P. Herbert bring Dr. Love of Raleigh, who was conducting a revival at the Edgar Long Memorial Church, to visit us and bring a message on Thursday morning, Oct. 11th. Mr. Herbert introduced the visiting minister, after which Dr. Love read the first Psalm, from which all listened to a beautiful interpretation. The comparison of a growing tree to a man was made illustrating the importance of a sound foundation if life is to be full and rich. Nature may cover the scar made on a young tree but the scar may cause a defect inside and later the weakened spot—the unsoundness at heart—may be the cause of its downfall during the trials and tempests of life. The child's life may be weakened by bad habits which can be kept covered for years but when the tests of life increase, he, too, may suffer downfall because of early defects. As the tree bears fruit, so does man. He warned the children that many of them would fruit into chaff without constant care of their habits in early life, and left the questions, will you? When asked later in life to take a man's job, will you be strong enough or will your weakened life yield to temptation and bring to you sorrow?

Mr. Herbert added the lesson of the sunflower turning its face to the east in the morning and to the west in the evening. He urged boys and girls to follow the example of this beautiful flower and begin early in life, and always keep their faces toward God. By looking to Him and worshipping Him, they would be like that real, good, true and faithful tree in life.

Mr. Craven conducted our chapel devotions Monday, Oct. 15, and from the Bible verse, "It is more blessed to give than to receive," left a lesson that should be a comfort throughout life to everyone who heard. The fact that God has nothing to sell but is always abundantly giving was impressed and the truth emphasized that no matter how much we give God we can not outgive Him. The more we invest with Him the greater our return. Giving to God and to the world of others about is like an echo, it comes back to us.

The principal's report for the first month shows an enrollment of 505 pupils, with an average daily attendance of 483, or 97.44%. The regret of the report is the great number of tardies which was 249. Parents, please help to avoid such during the second month.

Miss Sue Merritt's second B grade won the attendance banner for the first month for having the greatest per cent of attendance and Mrs. E. M. Bailey's fifth A grade won the attendance banner from all A sections of the Central school for having greatest per cent of attendance.

Relieves Headache Due To Constipation "Theford's Black-Draught has been used in my family for years," writes Mrs. J. A. Hightower, of Carthage, Texas. "I take it for sick headache that comes from constipation. When I feel a headache coming on, I take a dose of Black-Draught. It acts and my head gets easy. Before I knew of Black-Draught, I would suffer two or three days—but not any more since I have used Black-Draught." THEFORD'S BLACK-DRAUGHT Purely Vegetable Laxative "CHILDREN LIKE THE STRAP"
