THE ELECTION

Yes, there will be an election held on next Tuesday, Nov. 6th, and this County will take part in it. As a matter of fact you would never know it from talking with the folks, you never hear it mentioned. Several State officers, candidly we do not recall just how many, will be voted for, also a Congressman, solicitor and all of the County officers. This County is so overwhelmingly Democratic that little interest is felt in the general election, only the primary creates an interest. Of course, the County will go Democratic as usual, and we will send Mr. R. L. Harris to represent us in the next legislature.

However, we regret so little has been said or heard about the election, for it is very important we let the world know we are standing loyally behind our President in his New Deal. That the New Deal has lost none of its popularity is gen-

erally admitted, though a recent poll by the Literary Digest, seemed to indicate that it was on the wane. Few realize what the present National Administration has meant to Mr. 'Average Man'; until the time Mr. Roosevelt took charge said average man had had little consideration, and the farming man had just about seen the last ray of hope depart, but not so today. The most prosperous man of today is the farmer, especially the Southern farmer, and he owes it all to the wisdom of Mr. Roosevelt. The bankers may hate him, and many of them do, but every farmer should love him with undying devotion, for he has liberated them. So let's every one go to the polls Tuesday and cast our vote for men who will help carry on with the New Deal, and continue the prosperity which we are now enjoying.

WORTH ITS COST

In another column will be found an article headed "Story of what the New Deal has done." It shows what was accomplished in this County for one of the unfortunate ones during the depression and is a mighty fine illustration of what the New Deal was intended to do, and where carried out according to instructions what it has done for one family right here in our midst. Of course, here as everywhere, some have abused this manner of charity, but it was through no fault of those in charge, simply because they were deceived; however, this illustration alone is worth much, for it has taken one of the down-and-outs and made a self-respecting man, and family.

We expect many illustrations of this kind could be found in the County, probably not so marked, but still, several who in the near

future will own their own little piece of land and feel that they are indeed citizens and will be interested in education and everything looking to the good of the County.

"We admire the Kistler family more than ever. When Ed and his bride were killed in Morganton last Sunday in an airplane crash, the family requested all who would send flowers as a tribute to them, make out checks instead to the South Mountain Institute, an organization that cares for destitute children. The Kistlers were great friends of the underprivileged children."

The above is from the Cleveland Star of Shelby, and we are wondering how many checks the South Mountain Institute received. Funny, but folks will spend their last dollar, even buy on credit, flowers with which to decorate graves of the dead, but not even destitute children appeal to them.

Notwithstanding the hundreds of times we have stated we could not publish communications unless we knew who were the authors, they still come in. We have on our desk a splendid article concerning the reasons the farmers do not bring their tobacco to Roxboro, but it is unsigned, and we can not use.

BLACK-DRAUGHT
For
CONSTIPATION

"I am 71 years old and have used Theford's Black-Draught about forty years," writes Mr. W. J. Vanover, of Rome, Ky. "We are never without it. I take it as a purgative when I am bilious, dizzy and have swimming in my head. Black-Draught relieves this, and helps me in many ways."... Keep a package of this old, reliable, purely vegetable laxative in your home, and take it for prompt relief at the first sign of constipation.

MISS RUTH READE IS BRIDE OF EUGENE WOOD OF ENFIELD

A service of simple beauty and dignity uniting in marriage Miss Ruth Reade of Mt. Tizah, and Eugene Wood of Enfield, took place at Trinity Methodist church yesterday at 4:30 o'clock. Rev. E. L. Hillman, pastor of the church, officiated using the ring ritual.

The bride was given in marriage by her father, William F. Reade, and was otherwise unattended.

Serving the groom as best man was Ralph Smith of Durham. The ushers were R. P. Reade, Dr. A. P. Reade, W. R. Reade, Franke Reade and Ben Reade, brothers of the bride, and Watson N. Sherrod, of Enfield.

Proceeding the ceremony a lovely program of music consisting of the following numbers was played: Liebestod from Tristan and Isolde and "Dreams" by Wagner. The bridal chorus from Lohengrin was used as the processional. "Widmung" by Schumann was played softly while the vows were being spoken. "The Wedding March" by Mendelssohn from "A Midsummer Night's Dream" was played for the recessional.

The lovely church enhanced by candlelight and palms afforded a beautiful background for the marriage service.

The bride was lovely in an olive blue velvet with a slight train. Her hat was of matching velvet with a transparent crown. She wore a pearl pin and carried a real lace handkerchief which belonged to her great-grandmother. She carried a shower bouquet of valley lilies and orchids.

Following the ceremony Mr. and Mrs. Wood left by motor for a trip through the valley of Virginia.
