## Gov. Craig Charges S. A. L. Ry With Contempt Toward State

Raleigh, N. C., April 19.—  
The conference between officials  
of seven railroads was con-  
tinued this afternoon until noon  
Saturday because of the absence  
of representatives of the Seaboard  
Air Line. C. R. Capps, freight  
traffic manager of the Seaboard,  
was said to be on his way to Ra-  
leigh, and the adjournment was  
taken out of consideration for the  
men who represent six other rail-  
roads, Governor Craig and mem-  
bers of the special commission  
made it plain that they thought  
the action of the Seaboard in not  
having representatives here was  
nothing short of contempt for the  
state of North Carolina and the  
other railroads interested. Judge  
Council in announcing the decision  
to continue the conference un-  
til Saturday at noon, said that the  
railroads would be expected to  
submit a basis of settlement and  
that the details could be worked  
out later.

It was 11.20 when Governor  
Craig called the conference to or-  
der, he saying that it was un-  
necessary to explain the objects  
of the gathering. He instructed  
Clerk Griffin to call over the list  
of roads that were represented at  
the other two conferences, and all  
answered except the Norfolk  
Southern and Seaboard. The Nor-  
folk Southern representatives  
subsequently arrived.

Representative E. J. Justice, a  
member of the commission, told  
of the work done since the last  
conference. He said that Cap-  
tain Thom spoke authoritatively  
at the last meeting for all the  
railroads. Mr. Justice and Judge  
Council went to Washington for  
a conference with General Coun-  
sel Thom, and were told by Cap-  
tain Thom and President Finley  
that a full statement could not be  
made until after conference with  
the other roads. On April 15 all  
roads were represented at a con-  
ference in Washington except the  
Seaboard and Norfolk Southern.  
Captain Thom said, The Seaboard  
informed Mr. Justice they could  
not be in Raleigh today because  
of the absence of Mr. Capps, but  
two telephone calls early today  
finally elicited the information  
that Mr. Capps was en route to  
Raleigh from Tate Springs. He  
is expected tonight or Saturday.

ers in any large amounts, that it  
is not now insolvent and that it

**ALIEN BILL IS DEFERRED**

Tokio, April 18.—The situation  
brought about by the California  
alien land holding bill is becom-  
ing increasingly serious. A mass  
meeting today composed for the  
most part of irresponsible people,  
demanded the most extreme  
measures of retaliation by Japan.  
During the gathering the sing-  
ing of war songs aroused the  
feelings of many of the lower  
classes who were present.

Mrs. A. C. Jones.

of the larger city life and a new  
phase is added almost every week.

**Crowds of Farmers in Davidson  
See Guilford Roads**

There was an unique excursion  
today that passed through High  
Point, one in keeping with the  
progressive spirit of the Piedmont  
section. Lexington, Thomasville  
and High Point citizens convey-  
ed more than 100 farmers over  
the Guilford good roads in auto-  
mobiles to show them the advant-  
ages of improved roads. Davidson  
and Randolph will soon vote on  
road bonds and the entire state is  
anxious about the result. The  
elections have a state-wide im-  
portance in consequence of which  
Gov. Craig has been actively can-  
vassing Davidson county in be-  
half of the bonds. There is no  
politics in it and leading citizens  
of all parties are out working to  
carry the elections. If the bonds  
are defeated it would very unfor-  
tunate for these counties, retard-  
ing their progress perhaps for  
years.

**REGINNING REVIVAL SER-  
VICE TOMORROW**

Sunday school at 9.45 a. m.  
Preaching at 11 a. m. and 7.45 p.  
m. by the pastor, Rev. J. H. Barn-  
hardt. The Ladies Aid Society  
and Church Improvement Circle  
will meet with Mrs. Geo. A. Mat-  
ton Monday at 3.30 p. m.

The services tomorrow will  
mark the beginning of the revival  
meeting which is to continue for  
ten days or more. Preaching ev-  
ery day next week at 10 a. m. and  
7.45 p. m. Christians are asked to  
co-operate in the work, and ev-  
erybody will receive a cordial  
welcome to the meetings. Rev.  
J. E. Abernethy of Gastonia will  
arrive Monday and preach each  
day and night. The pastor and  
church extend a hearty invitation  
to all the people to assist in the  
work of saving souls.

**REV. J. E. ABERNATHY**

Rev. J. E. Abernethy who is to  
assist Pastor Barnhardt next  
week in a revival has recently  
closed a most successful meeting  
in Wesley Memorial church, At-  
lanta, Ga. The pastor, speaking  
of the results, says: "This has  
been the greatest meeting for a  
downtown city church I have  
ever seen. Every service has  
been an inspiration. The bless-  
ing the church has received is  
beyond expression." There were  
more than a hundred additions to  
the several churches.

High Point is fortunate in hav-  
ing an opportunity of hearing  
Mr. Abernethy, and it is expected  
that much good will be accom-  
plished in the meeting here.

**THE SALE TUESDAY.**

Penny Bros. will conduct one  
of the most important sales here  
Tuesday ever held in the state.

The Ragan property next to  
the post office will be sold for  
business lots.

They are in the center of High  
Point's population.

The most available business  
property in the city and property  
which has the best future. The  
man who buys one of these lots  
at good price even will double his  
money in 5 years.

There is no question about the  
opportunity offered in the sale of  
these lots. Remember the date,  
Tuesday, April 22.

**SPEAK FOR GOOD ROADS.**

Messrs. W. P. Ragan and W.  
M. Edmonds, spoke at Pine  
Stump School house in the inter-  
est of good roads. They made  
splendid speeches, though nine  
tenths of their audience were  
against them. Judge Edmonds  
said only 2 out of 75 favored it.

Geo. C. Leach, of Aberdeen, is  
spending a few days in the city.

Think of yourself as you  
come home tired and worried.  
Music is the best medicine in

wonders. Then think of moth-

Have you thought what a good
