**SOLICITOR NORRIS
RETURNS WITHOUT
ECTOR SMITH**

Raleigh, April 21.—Solicitor
Herbert E. Norris, who represented
North Carolina at the habeas corpus
proceedings in Birmingham, Ala.,
returned here today without Ector H.
Smith, president of the States Trust
Company. Because of an irregularity
in the papers sent the judge by the
governor of Alabama the hearing was
continued for one week. Smith has
employed six lawyers, and firmly
resists extradition to this state to
answer the charge of violating the
banking laws.

For a good time go to the
Skating Rink. 21-3t

Davidson County Farmers Don't Want Good Roads?

Lexington, April 22.—Mud
wins in Davidson county. The
\$300,000 bond issue for good
roads was defeated today by a
majority not less than 1,200, and
this may go to 1,500 when the
returns are all in. The bond issue
carried in only two townships,
Thomasville and Boone. In
Thomasville the south precinct
broke exactly even and in the
north precinct there was a majority
of 24 for good roads. Boone
Township's majority for the
bonds will be small.

Lexington Township's vote
was the biggest surprise of the
day. The vote stood 554 against
bonds, 312 for, a majority of 242.
In one township, Conrad Hill,
only seven voted for the bonds
and in Abbots Creek, nine.

The campaign was hard-
fought. From the beginning,
President Varner of the State
Good Roads Association was as-
sisted by many of the most prominent
citizens of the county. Gov.
Craig and State Geologist Pratt
made addresses in the county
in behalf of the bonds, the Govern-
ment making no other prominent
men of the State came in to
help out. The proposition was
placed before every voter in the
county.

Under the bill another election
may be called in 90 days, and ar-
rangements will be made for a
second contest within the next
six months.

THE FREIGHT RATES

The probable adjustment of
the freight rate situation in North
Carolina is one of the most im-
portant matters which has ever
come before the people. The
railroads concede that a rearrange-
ment should be had but they
have not as yet seen that the peo-
ple are going to have an adequate
adjustment.

By adequate adjustment is not
meant a rearrangement of rates
which will result in a loss to the
railroads that they can not afford,
nor one which will give to the
people of this state a better
freight rate than those of other
states now enjoy, but an adjust-
ment which will give North Car-
olina an even break with other
states in the handling of her own
freight, in bound and out bound.
Just a fair arrangement is all
wanted.

PRESIDENT AND HIS DAUGHTER HAVE NARROW ESCAPE

Washington, D. C., April 22.—
President Wilson and his young-
est daughter, Miss Eleanor, were
being congratulated today on
their narrow escape from an ac-
cident while automobiling last
night.

Just as the President's auto-
mobile turned the corner at the
Peace Monument, near the Cap-
itol, a street car was brought to
a sudden stop within a few inches
of the Presidential motor car.
The President was somewhat
disturbed by the incident, but did
not stop.

Motorcycle men tailing the
President took the name of the
motorman, but the subject was
dropped today by the White
House.

The President made his ar-
rangements today to attend a
ball game between Washington
and Boston. He has taken great
interest in the local team's recent
successes.

WHISKEY SEIZED.

Salisbury, April 22.—Sheriff J.
H. McKenzie, Deputy F. C. Tol-
bert and Deputy G. L. Baker last
night seized fourteen barrels of
liquor near the Salisbury city
limits alleged to be the property
of P. H. Thrash of Asheville.

NORTH CAROLINA HAD MANY DELEGATES

Dr. J. V. Joyner, State Super-
intendent of Public Instruction,
said Monday on his return from
Richmond that North Carolina
had more delegates to the Con-
ference for Education in the
South than any other state with
the exception of Virginia. Be-
tween 75 and 100 men and wom-
en, including farmers, bankers,
teachers and college presidents,
were present from the Old North
State. The selection of the place
for holding the next conference
will be decided later.

PRESIDENT FIXES DATES FOR JERSEY SPEECHES

Washington, D. C., April 21.—
The President today decided
upon May first and second as the
dates for his speaking trip in
northern New Jersey in behalf of
jury reform and the proposal to
call a state constitutional conven-
tion. President Wilson will
speak in Patterson and Jersey
City and will appeal to the peo-
ple to bring pressure on their as-
semblymen to support reform.

NO HOSTILITIES FOR TEN DAYS.

Constantinople, April 22.—The
Greeks and Servians today con-
cluded an agreement with Tur-
key similar to that made be-
tween Bulgaria and Turkey, by
the terms of which hostilities will
be suspended for ten days.

GOV. WILSON TO MAKE AN APPEAL TO LEADERS

Washington, D. C., April 22.—
President Wilson, after a confer-
ence with the Democratic delega-
tion from California in Congress,
decided to telegraph Governor
Johnson and the legislature's
leaders in California, appealing
to them not to enact any anti-
alien land laws in contravention
of the treaty obligations of the
United States and Japan.

Ball Game

Asheville High School tomor-
row, April 24th.

To have these boys in our city
means something to the High
School of High Point in the
schedule line of base ball, and
every one should see this game.

So far the High School boys
have not been backed up by a
large crowd. Everyone come out
tomorrow afternoon at 4 p. m.

THE WOMAN'S STORE

The great introductory sale now
going on only lasts until Satur-
day night, 26th.

Many prices reduced. No fake,
Good merchandise. New mer-
chandise at a price that will ap-
peal to every lady.

Just come and see for yourself
is all we ask. Remember these
prices last for 4 days, ending Sat-
urday night.—Tilley's Emporium
—in Allen Bros. old stand.

It is stated that 40 per cent. of
the railway mail clerks in the
division embracing the District of
Columbia, Virginia and North
Carolina are negroes. In one in-
stance a negro is over a number
of white clerks. This news caused
a sensation in Washington
when brought to the attention of
the Postmaster General by Sen-
ator Oyerman and Representa-
tive Faison, and it is safe to say
that there will be a change in the
complexion of the railway mail
clerks in the third division before
long.

Only three more days more in
which to register.

Rabid Cat

The first rabid cat come upon
during his medical experience
was found in the county this
week by Dr. W. M. Jones and
sent to Raleigh for the test by
pasteur expert. The report came
back yesterday evening that the
cat was mad, the examination of
the brain determining the dis-
ease.

The animal was owned by Mr.
Arthur Stanley, who lives in the
county on the Summerfield road.
After it had showed signs of ir-
rationality, biting a number of
the household, the cat was killed
and the head sent away.

THE FURNITURE EXPO- SITION

Secretary Clark of the South-
ern Furniture Manufacturers Ex-
position is away calling on out of
town manufacturers and is meet-
ing with fine success.

Manufacturers and furniture
merchants are realizing that High
Point is the natural place for an
exposition of this kind and by
united effort, wisely directed,
this town should be the same to
southern manufacturers as Grand
Rapids is to the West.

FEAST OF PASSOVER BE- GINS

Beginning Monday at sunset,
the Hebrew Feast of the Pass-
over will be celebrated for one
week, in commemoration of the
deliverance of the Jews from the
Egyptians nearly 6,000 years
ago. The week, while religious
in nature, is also of a festive
character, a season of rejoicing.
It is the most important event in
the year of the Jewish church,
and is observed in the homes as
well as in the synagogues.

THE MEETING

The meeting now being con-
ducted at Washington Street
Methodist church by Rev. J. E.
Abernethy and the pastor, Rev.
J. H. Barnhardt, continues to
grow in interest. A large audi-
ence was present last night. The
sermon was strong and forceful,
the music was good, and those
who did not attend lost a fine op-
portunity.

POLK MILLER COMING

More attractive than ever—two
old Confederates in old times
down South. An evening of Old
Plantation and War Time stories
and songs by Mr. Polk Miller as-
sisted by Col. "Tom" Booker, and
Mr. Miller's famous quartette of
Old Virginia negroes. Tuesday,
May 13th, auspices Graded
School, at Auditorium. Popular
prices will prevail.

Our Boys Win

Among those that made the
varsity track team this year were
D. W. Holt, McLeansville, N. C.,
and Chas. Matton, of High Point,
Guilford county boys. Holt tied
with Farrar of Apex in their at-
tempt to take the first place from
Wake Forest last Monday in the
discus event. Though Holt has
won a place in class athletics, this
is his first experience as a var-
sity man. Matton made first
place in the vaulting event, and
second in the high and broad
jumps last Monday. Though
Trinity lost the first meet men
like Holt and Matton promise to
develop into a winning team for
Trinity.

DESTRUCTIVE FIRE

Wilmington, April 22.—A spe-
cial from Georgetown, S. C.,
states that practically half of the
Atlantic Coast Lumber corpora-
tion's two million dollar plant
there, said to be the largest in the
world, was destroyed by fire yes-
terday. The loss is reported to
be fully covered by insurance.

Judge Council May Be A Compromise Candidate

Hardy Gregory Pro- moted

Friends of Mr. H. T. Gregory
will learn with pleasure that he
has won a well deserved promo-
tion by being appointed chief
post-office inspector of the Wash-
ington division. Mr. Gregory has
been a postoffice inspector for a
number of years and his splendid
work has attracted the admira-
tion of the officials higher up to
the extent that he has been given
a better place. His promotion
may necessitate the removal of
his family from Greensboro to
Washington.

PEARY TO SPEAK

22.—The coming commencement
at Trinity College promises to be
a notable event in the history of
the institution.

when the baccalaureate address
will be delivered by President
William Preston Few. The board
of trustees will hold their annual
meeting on Monday, June 2d, in

morning the commencement ser-
mon will be preached by Rev.
George P. Eckman, D. D., of New
York city, editor of the New
York Christian Advocate. The
alumni dinner will be given on
June 3d, also, at which time the
annual alumni address will be de-
livered by Dr. C. C. Woods, as-
sociate editor of the St. Louis
Christian Advocate.

On Wednesday morning, June
4, the annual commencement ad-
dress will be delivered by Rear
Admiral Robert E. Perry, of
Washington City.

BALL REPORTS.

The Carolina Baseball Associa-
tion starts tomorrow. The reports
by innings of all games will be
posted on the window of Mann
Drug Company.

THE ASSAULT ON SIMS

Washington, D. C., April 22.—
Formal notice will be taken in
the house today of the assault up-
on Representative Sims, of Ten-
nessee, Friday, by Charles C.
Glover, a Washington bank presi-
dent. A dozen members of Con-
gress, including most of the Ten-
nessee delegation, conferred at
the capitol an determined that
an attack upon a member on ac-
count of an utterance on the floor
of the house was too grave a mat-
ter to go unnoticed.

CARY POLICEMAN DEAD

Raleigh, April 22.—With the
unique record of probably hav-
ing arrested more tramps than
any other officer in the country,
William F. Jones, for 25 years
marshal of Cary, N. C., near here,
is dead today at the age of 64
years.

Judge George Connor, of Wil-
son, was a visitor here today.

Attorney Womble, of the firm
of Manly & Womble, Winston,
was here today.

C. F. Tomlinson spent today in
Greensboro.

Mr. and Mrs. J. J. Farriss re-
turned at noon from Washington,
N. C.

Miss Perkins, who was at one
time with the Standard Mirror
Co., passed through today.

Miss Sophonia Hiatt has gone
to Greensboro to attend a wed-
ding.

Judge W. B. Council of Hick-
is definitely in the race for Col-
lector of Internal Revenue for
the Western District. This be-
came known here today.

He is said by many to be the
most dangerous candidate who
has yet appeared in opposition to
A. D. Watts. If the President
should decide to recognize only
"Wilson progressives," as he was
urged by E. J. Justice to do, it
might greatly improve the
chances of Judge Council.

Judge Council is at present
serving as State Senator. He
was for 10 years judge of the
Superior Court, and resigned to
enter the race for the Senate.
While on the bench he made a
most enviable record. His friends
say he has been a "Wilson pro-
gressive" for many years and
worked untiringly for the suc-
cess of Wilson at the Baltimore
Convention.

DISTRICT MEETING OF U. D. C.

The North Carolina division
of the Daughters of the Confed-
eracy has been subdivided into six-
teen districts, one of which is ex-
pected to meet in this place on
Saturday, 26th. This district is
composed of Salisbury, North
Wilkesboro, Mooresville, Win-
ston-Salem, Greensboro, Graham,
Reidsville, High Point chapters.

The presidents of these chap-
ters, with two or more delegates
each, are booked to come, and
every member of the High Point
chapter is urged, by her presi-
dent, to meet these visitors and
assist in entertaining them. The
meeting will be held at the Man-
ufacturers Club rooms at 10 a. m.
and at 1 p. m. a luncheon will be
given them at the Elwood hotel.
At 2 p. m. the Daughters who
own automobiles will take them
over our beautiful city, and at
4:30 tea will be served in the
hotel parlors.

All who are interested in the
work of the U. D. C. are invited
to attend the meeting at 10 a. m.
High Point has only to be asked
to do exactly the right thing and
she does it.

Mrs. J. B. Richardson, Pres.

PERMANENT WORK.

Envoy W. A. Crandall, of the
Salvation Army announced that
he has opened a regular corps
here and that the Salvation Army
is now a permanent work here
and that the work will hereafter
be carried on under the orders
of Major A. W. Crawford, D. D.,
of South Atlantic Division.

Schools Entertained

The Sunday schools and many
friends of the Salvation Army
were entertained last night in
the Salvation Army hall on North
Main street. All had an enjoy-
able time. Excellent music was
furnished and about 9 o'clock re-
freshments was served.

The army is doing a great work
here among the sick and poor
people as well as spiritual work—
it is a good work. Everybody
help the work of the Salvation
army—it is a good thing. X

YIELDED A POINT.

Washington, D. C., April 22.—

tariff revision in the Senate
slightly yielded yesterday to the
demands for hearings upon tariff
schedules in addition to the per-
mission given all interested par-
ties to the statements with the
Finance Committee Senator Sim-
mons conceded to a group of
western senators the right to ap-
pear and state their arguments
against the free wool and free
sugar provisions that have been
