

92
cooked done by this roasting but we begun.

THE SECOND HALF.

With score 0 to 0, Princeton flying wedge gained 27 yards, but then it ended. Kenan having failed to climb the hill, though Gramam made two yards.

The ball passed through the hands of both sides now without either gaining 5 yards, when Va., made 6 with James, 6 more with Ramsburg, Harper then made prettiest run of the game for 40 yards around Rankin who had been fooled in on the double pass to quarter. Ramsburg, Pope and James brought it down to the 10 yard line when it was fumbled by Jones.

Graham went through tackle for 10 yards. Kenan missed his footing, N. C. got 5 yds for off side play, Graham made 3 more yds, Kenan went three yds when Price tackled him nicely; Baskerville and Kenan went for 10 yds more; the ball was lost but recovered, when Baskerville went through centre for good gain, but the ball was given over to Va., for holding in the line.

Virginia did heavy rushing then missing on tackles; Harper made another 25 yd run; Pope, Ramsburg and Hicks rushed the ball to N. C's., 5 yard line and Johnson was pushed just over the line for the first touch down, but Harper failed on his goal; score Va., 4 N. C., 0.

N. C's. V. made but 3 yards; the play now was fast and furious on both sides; everybody getting into every play; N. C. carried the ball up the hill to be driven back; then Harper made another long run, several of these runs were nicely spoiled by Rankin's nery excellent and low tackling, but he was too light, 135 lbs for Bowden who weighs 178; continual short rushes scored another touch down from which Harper kicked a nice goal.

Time was nearly up, but our boys played hard; Kiak was drawn back and Kenan made nice gain after the V had netted 10 yds; Pugh came back twice in succession once for 6 yds, then on a fake a good double pass was executed from Graham to Kenan with Pugh. Baskerville and Barnard closely blocking, but Pinton had broken through Snipe's and got Kenan from behind with no gain. Ball went over on downs, Johnson ran 20 yds and was downed hard by Kirkpatrick: James rushed 3 yds; Harper came the double pass act again going into touch' but the referee did not see it, so the ball was given Va., on N. C's., 5 yd line where he had been downed; Baskerville refused to tackle him when he went to in touch thinking of course the referee was close at hand, where he should be and could see it, as Harper was out side bounds for 4 yds almost touching the rope stretched 5 yds from the line. Alas! our full

back hath much to learn and must not take for granted anything more.

Pope was rushed over for the third touch down and Harper kicked the goal; making the score 16 to 0. Mr. Boshier said there were 4 seconds more time after that touch down, so the teams did not line up in the middle of the field. But the North Carolina men rallied around their captain and cheered Virginia and cheered the umpire and referee, whom they thanked; thus ended the game.

MISCELLANEOUS NOTES.

Many men have wished for riches,
While for power some hearts yearn,
Beauty many a maid bewitches,
With wisdom numbers turn.
But I do not ask for great things,
A little boon my soul would please
It is only that my trousers
Might not bag so at the knees.

His head was jambed into the sand,
His arms were broken in twain;
Three ribs were snapped, four teeth
were gone,
He ne'er would walk again.

His lips moved slow, I stopped to hear
The whispers they let fall;
His voice was weak, but this I heard,
"Old man, who got the ball!"—*Ex.*

Only forty-five per cent. of Vassa graduates ever marry.—*Ex.*
Probably about forty-six per cent. get a chance

Of President Cleveland's cabinet officers, Gresham graduated at Bloomington University; Lamont and Morgan, Union; Smith, Union, Ga.; Olney, Brown; Herbert, University of Virginia; Bissel, Yale, Carlisle received a common school education.

A Bill has been introduced into Congress for increasing to one hundred the number of army officers who may be detailed by Congress as military instructors in college.

At the State University of Illinois, credit for work on the college paper will be given under the following conditions.—The editors or associates will enter as regular students in one of the classes in English composition, and do the work of the class. For the required themes, however, printed matter or manuscript for the college paper may be substituted.

Only 43 out of 150 candidates for admission to West Point were successful at the last entrance examination.

President Harper, of the Chicago University, graduated at the age of fourteen.

The undergraduates of Columbia will produce a play called "Joan of Arc" during Easter week.

The Republican club of Harvard has asked Governor McKinley to address the club at his earliest convenience.

Columbia college has 600 graduate students, the largest number in attendance at any college in the United States.

Eleven of the general fellowships of Chicago University have been won by women.

The University of Cairo, founded A. D. 973, has the largest attendance of any college in the world, the number of students being 10,000.

It is claimed that it is the intention of the Yale authorities gradually to give Greek an insignificant place in their curriculum, and finally to abandon it entirely.

The largest scholarship given by any American college is the Stinecke scholarship at Princeton. It is awarded for excellence in Latin and Greek and amounts to \$1,500 annually.
