A DIFFERENT CASE.

"I'm not expecting any package," said the lady of the house. "This is the number persisted the driver of the delivery wagon, looking at his book again. Name's Higgins ain't it. "Yes." "No. 274?" "That's our number." "Then its for you." "I think not. It must be a case of mistaken identity." "No, mum. It's a case of beer."

The *Banner*, *Olio*, *Index* and the *Aegis*, annuals respectively of Yale, Amherst, Massachusetts Institute of Technology and Dartmouth have appeared.—*Ex.*

We wonder if we will have a *Hellenian* this year.

Only 33 of the 651 students at Cornell this year are pursuing the classical course.

The new Harvard athletic rules exclude three men of the baseball nine, one man of the crew and Mott Haven team and one man of the football eleven.

A bequest at Harvard has been made of \$5,000 to found a scholarship for poor but deserving students.

Capt. Hinkey intends to offer prizes for drop-kicking and punting, the contests to take place next spring.

HIS LETTER.

UNIVERSITY, Nov. 1893.

"DEAR FATHER:

Please excuse," he wrote, "The hurried shortness of this note, But studies so demand attention That I have barely time to mention That I am well, and add that I Lack funds; please send me some. Good-bye.

Your loving son."

He signed his name, And hastened to—the foot-ball game.—Exchange.

The library of the university of Wisconsin is used at night by the students, the building being thoroughly lighted by electricity.

Harvard has 3,156 students this year.

Tufts enjoys the distinction of having two glee clubs, one male and the other female.

Hackie! Hackie!! Hackie!!!

Siz! Boom!! Bah!!!

Rah! Rah!! Rah!!!

Four Hu-n-d-r-e-d!!!! My—!

"They say" that "my secretary Mr. Murphy was there largely."

I loved her, and I told her so, I expected "Yes," she answered "No."

Oh! Lordy!

Mistletoe time, and, as you guess,

I expected "No," but she said YES,

Oh! Lordy.

Prof. W.—Mr. H. will you give me an example of a syllogism.

Mr. H.—"All flesh is grass" says the Bible, all grass is green. All Freshmen are flesh, therefore all Freshmen are green.

YE WHILOME HAPPENYNG.

Some tyme agone a jolly crowde  
Didd fixe a Christe masse tree,  
And thereonne dyde hange many  
thynges

For oure sayge facultie.

Amonge the firste of these gude  
thynges

Which we didd chance to see  
Was a lyttle browne vessele,  
Inscrybed to Georgie T.

And in thatt lyttle browne vessele  
With corne cobbe stucke in toppe,  
There was a quarte of Syke's best,  
Which breedeth skippe & hoppe.

And then there was a daynte bowe  
By some fayre ladie sent,  
To hym who is our conics prof.  
And who to fyddlyngs bent.

Beside there was an ivory combe  
Of fynest tooth and keen,  
And this was for the one who runns  
The dynamoe machyne.

Highe up hunge a Vedic booke  
Of version polyglatte,  
Which didd well show that Tolly boy  
Was not alle quite forgotte.

For hym of soothying syruple fame,  
Ther hunge a singyng booke,  
A tennis nette, a sprunge racquette,  
Some skates and a fyshyng hook.

And for oure goode athletic prof.  
Was swunge no more nor lesse  
Than a ryght beauteous bokay  
Perfumed with achtwoesse.

A catalogue there was for hym,  
Who bowing sayeth umnn!—  
And if he gott yt by oure troth,  
He muste have said umn—humnn!!

O there were menne other thinges  
Of quaint and comelye make,  
But to discerne for whom they were  
The time wee didd not take.

*This was writ by Meister Percy.*

Books, Books, Books,  
Are the English professor's plea;  
And I would that my tongue could utter  
The thoughts that arise in me.

Oh well to be a millionaire!  
I sure would have to be  
To purchase the books that "Tommy,"  
That "Tommy requires of me.

So I run up my bill  
And still he goeth on  
But O the touch of my emptied purse  
And the amount of money that's gone.

Broke, Broke, Broke,  
Is what I am sure to be  
For the the tender clink of my vanished  
chink

Will never come back to me.  
—An unpublished fragment of Tennyson

Uncle Billy has a curly bang  
And hair of light brown hue,  
And in the class he sits and smiles;  
And Katie sits there too.

This is the way he says to her,  
With his voice all in tune:  
"Oh, Katie! if you only would  
Just let me take you home in June."

He had never seen the mistletoe,  
And hardly knew its name:  
But he knew what red lips are for,  
And got there just the same.  
—Kansas City Journal.

"Non paratus" dixit Junior  
Cum a sad et doleful look,  
"Omne Rectum," Prof. respondit,  
Et "Nihil" scripsit in his book.

The Senior is the climax  
Of earthly good, 'tis true,  
If you can cap the climax.  
Why not gown him too?
