Foot Ball Notes.

The foot ball season for 1895 ended last week. In the "big four" the championship has not been decided, both Yale and Pennsylvania, who have not met, having defeated Harvard and Princeton.

The championship of the South was won by Virginia. The University of North Carolina holds the State championship.

Last week's games. Yale walked over Princeton to the tune of 34—0,

Pennsylvania did the same thing for Harvard, 18—0.

University of Virginia defeated the U. N. C. 34—0.

Vanderbilt defeated Sewanee by a score of only 12—0.

University of Mississippi 8, Tubane 2.

Vanderbilt 62, Cumberland University 0.

Leland Stanford 6, University of California 0.

Cornell 10, Lehigh 6.

Michigan 6, Chicago 4.

Union 32 Wesleyan 6.

University of Alabama 18, Auburn 0.

Lafayette 46, Bucknell 0.

Franklin and Marshall 33, Pennsylvania College 22.

V. M. I. 10, Blacksburg (Va.) A. & M. 6.

Bingham's School defeated University School of Knoxville Tenn., 12—0.

A. & M. defeated the Willington team, 22—0.

The *Hustler* says the Vanderbilt-Virginia game is off, and the Vanderbilt team out of training. Very lucky for Vanderbilt.

The Swedish Quartet Concert.

The concert given in the University chapel on last Wednesday evening was the finest we have had this season. The selections rendered by the Quartet were of the highest order. The banjo imitation accompaniment won the applause of the entire audience.

Miss Barden was received with storms of applause at every appearance on the stage, and was honored at the close of each recitation.

Exchanges.

The Orange and Blue is a neat little paper published twice a month by the literary societies of the Alabama Polytechnic Institute (Auburn). We welcome it.

The Crimson and White, the University of Alabama weekly, has been received. It is discussing with the *Orange and Blue* in regard to athletic scholarships.

The Furman Echo, the monthly magazine of the Furman University societies, is quite a creditable periodical, which we are glad to have on our list of exchanges. *The Erskinean* is another good South Carolina exchange.

The University of Mississippi is one of the best college publications we receive. Its last issue was especially good.

A Wonderful Invention.

Zoology teaches us that the hairs of the head are hollow, and contain an oil that gives them life. In clipping the hair with scissors, this hollow is left open, and the hair loses its life-giving properties.

I have a Machine named the **Singeing Machine**, which removes the hair and at the same time closes up the hollow causing the hair to retain its life-giving properties, and therefore stopping the hair from falling out or dying and giving it a soft life growth.

Call and examine this machine and have your hair singed.

Special attention given to dressing Ladies hair. Cutting hair done with exquisite and artistic skill by the old University Barber of twenty years experience.

The Singeing Machine is highly recommended by scientists throughout the country.

Very respectfully,
T. D. DUNSTON,
Professor of Tonsorial Art.
