

The Idler's Plaint.

Holidays' over;
Work is begun,
College opened,
Good-bye to fun.

Night comes, study,
Early to bed.
Prayers in morning:
Wish I was dead.

Go on classes,
Can't take a "grat,"
Or I go on probation,
No fun in that.

Got to live quiet.
Not get on a tear.
Or "Wince" next morning
Hears it in the air.

Up before faculty
Asked to go home
Round the cold world
To ramble and roam.

He loafs in the library
Reads "Outing;" tells jokes.
Always grumbling
And generally smokes.

If you want to be entertained for a few moments, just drop into the room of a member of last year's ball team and hear him tell his exploits to his freshman room-mate. First floor, Old East.

An adjourned meeting of the Athletic Association will be held Saturday afternoon at 2:30 o'clock in Gerrard Hall. Let every member attend. It will be definitely decided whether we will join the proposed Intercollegiate Athletic Association.

NOTICE.

In the TAR HEEL of Jan. 10th appeared a notice from the managers and captains of the Senior and Sopomore foot-ball teams, in which they announce that the Seniors are class champions of U. N. C. and the Sophomores Second, the Juniors and Freshmen being left out altogether for "failing" as they say "to carry out their agreement." We who are thus left out would like to state for the benefit of all concerned just what the agreement made by the class teams was:

(1) The Seniors were to play the Sophomores, and the Juniors the Freshmen, the number of games to be decided by the managers of the opposing teams.

(2) The winning teams were to play a series of three games for the championship.

(3) Any difficulties arising were to be settled by a meeting of the eight managers and captains and in case they could not agree, the point in question was to be referred to the advisory committee of the general Athletic Association. Now the only point of difficulty lies in the fact that the Juniors and Freshmen agreed to play only one game and that its result should decide finally their respective places. The game was played and resulted in a tie, the score being 4-4.

On the same day that the Seniors beat the Sophomores, both the Juniors and Freshmen offered to play them for the championship, informing them that there would not be another Junior-Freshman game and that they might settle the championship by playing either team. Neither offer was ever accepted and the championship, therefore, never decided. *They were not expected to play both.*

Now if the Seniors wanted to settle the matter by arbitration why did they not refer the matter to a meeting of the managers and captains or to the advisory committee of the Athletic Association as was agreed?

Instead they say that they have "waited patiently" for another Junior-Freshman game—something that they have known all the time would never come off; and now after the foot ball season is over and there is no danger of their having to play another game, without saying anything to anybody, they coolly announce the Seniors as champions and the Sophomores who never won a game from anybody as second. We fail to see how they draw their conclusion.

JAS. A. GWYN, W. R. WEBB, Manager and Captain of the Junior team; F. LANIER, FRANK ROGERS, Manager and Captain of the Freshman team.
