

Lehigh defeated Lafayette, at Lehigh, on last Monday, by a score of 9 to 6. Virginia defeated Georgetown on last Saturday by a score of 5 to 2.

Joe Graham, the heavy weight right fielder of the "Fusion" Base Ball Club, has signed with the Hillsboro (N. C.) League Team.

Next week, a review of Athletics for the closing year, foot-ball and base-ball, will appear. Whoever wishes to remember each contest will do well to file the number.

"The melancholy days are come the saddest of the year"—when the Senior divides his time between launching copper riveted cuss-words at an inoffensive thesis, and making engagements for his best girl.

If "Mickey" Sutherland does not have his whiskers moved very soon, the "Sons of Rest," of which he is a prominent member, have decided to have him hypnotised by "Sven-gali" McAdoo, and remove them with a jack-plane.

A Wonderful Invention.  
Zoology teaches us that the hairs of the  
head are hollow, and contain an oil that  
gives them life. In clipping the hair with  
scissors, this hollow is left open, and the hair  
loses its life-giving properties.  
I have a Machine named the Singeing  
Machine, which removes the hair and at the  
same time closes up the hollow causing the  
hair to retain its life-giving properties, and  
therefore stopping the hair from falling out  
or dying and giving it a soft life growth.  
Call and examine this machine and have  
your hair singed.  
Special attention given to dressing Ladies  
hair. Cutting hair done with exquisite and  
artistic skill by the old University Barber of  
twenty years experience.  
The Singeing Machine is highly recom-  
mended by scientists throughout the coun-  
try.  
Very respectfully,  
T. D. DUNSTON,  
Professor of Tonsorial Art.
