## Varsity vs A & M.

The first game of the season was played at the Athletic park on University Day. It was against A. & M. and resulted in a victory of 36-0. The teams lined up at 4 P. M. as follows:

UNIVERSITY.	A & M.
Gregory,	L. E. Ramsay.
Steele,	L. T. Grier.
Hurley,	L. G. Jenkins.
White,	C. Hodges.
Collier,	R. G. Hunter.
Wright,	R. T. Wright.
Merritt,	R. E. Thomas.
Whitaker,	Q. B. Clark, D.
Moore,	R. H. B. Sigishita.
	(Kendall, Capt.)
Nicklin (Stevens) L. H. B. Wooten.	
MacRae,	F. B. Alexander.
Subs: Carson, Williams, Winston, Haywood, Stevens, McAlister; A. & M: Clark, C. E., Kendall, Howard.	

The game was started by a kick off of forty-five yards, Moore catching the ball and gaining fifteen yds. Then Moore gained three yards, Nicklin one yard, Moore five yards, Moore four yards, Nicklin then lost a yard, but Moore gained fifteen yards on the next rush and Nicklin twelve right after that. The ball was then given to "Johnny" who scored the first touchdown of the game after ten minutes play. MacRae kicked goal—score: U. N. C. 6, A. & M. 0

Clarks kicks off 35 yards to Whitaker who passes it to Moore and the play results in a gain of 25 yards. Nicklin then makes two yards but a foul by Collier gives the ball to our opponents for the first time. "The Jap" fumbles the ball but manages to advance it one yard. Then Alexander bucks the line for the three yards. Grier carries it three further but Segishita is not able to gain. Grier then makes four yards but Alexander hits a wall and the ball is our's. It is advanced ten yards by an offside play by Jenkins, and Nicklin then scores the second touchdown by a very pretty run of sixty-seven yards. McRae missed an easy goal. Score: U. N. C. 10, A. & M. 0,

McRae catches the ball on kick off and gains 20 yards before he is downed. Moore gained only a half yard on the next play and a bad fumble by Whitaker loses six yards. The ball is then advanced 20 yards by "Johnny," two by Collier and 4 by Nicklin, but the second foul by Collier gives the ball to A. & M. However, it takes only three downs to take it away. It is given to Nicklin who makes a yard and is then carried over line by Collier after a run of forty-two yards. McRae kicks goal. Score: U. N. C. 16, A. & M. 0.

Clark kicks off 47 yards—McRae catches the ball and carries it back 17 yards. One play only is required, Nicklin scoring after the longest run of the game, eighty yards. McRae misses goal, score: U. N. C. 20, A. & M. 0.

Clark kicks to Whitaker, who passes to Moore and the ball is down on the 33 yard line. Then Moore and Nicklin fail to gain, the

ball is fumbled and regained but a foul by Merritt gives it to A. & M. Alexander surprises the boys by gaining ten yards, but Gregory gets under the crowd and comes up with the ball. Moore and Nicklin then gain ten each and the half is over. Score: U. N. C. 20, A. & M. 0.

At this point Kendall and Howard are substituted behind the A. & M. The half is opened by a 40 yard kick by McRae to Kendall who takes it back 15 yards. The next play Kendall is downed in his tracks and Grier is not able to find a hole. So Alexander punts but only 25 yards to Whitaker who is downed by nice end work. The ball then goes to Nicklin who digs the sand for fifty-seven yards and a goal by McRae makes the score 26-0.

Clark kicks 30 yards to Steele who comes back 15. Moore and Nicklin gain 10 each, and an offside play gives us ten more. Collier then gains but Nicklin finds no hole. Collier redeems himself by making ten yards. Whitaker fumbles again but Steele regains the ball. Nicklin then goes 2 yards, then 25 for a touchdown. McRae misses goal and the score is 30-0.

Clark kicks 48 yards to "Johnny" who brings it back 24 Collier then gets off badly and loses 7 yards but Moore gets around for 20. Nicklin then tried twice but makes no gain. Collier, Moore, and Nicklin each make small gains. Hurley then has the ball for the first time with a gain of 5 yards. Nicklin and Moore fail to gain. Nicklin makes 14 and Collier 20 yards and a touchdown, from which a goal is kicked. Score: 36-0.

Stephen takes Nicklin's place. Alexander puts the ball in play by kicking 40 yards. McRae catches and passes to Stevens who gains 25 yards. But he is unable to gain next time, and his foul gives the ball to A. & M. on the next play. Howard fumbles and 3 yards lost. And the ball goes over as Alexander and Wooten cannot gain. But Stevens, Collier, and Moore cannot make five so it goes back. It is then kicked 25 yards to McRae but is fumbled by Stevens, and Wooten falls on it. Wooten and Alexander do not gain so it is kicked, Whitaker catching it. But another fumble loses it, Wooten again getting it. Wright cannot gain so Alexander kicks. It is prettily broken up by Whitaker who falls on the ball. Moore fails to gain and Howard gets the ball on fumble. He immediately fumbles it losing ground. Then Grier ends the game by failing to gain. Score: U. N. C. 36, A. & M. 0.

For the Varsity, Moore, Nicklin, Collier, Gregory, Merritt and Hurley, played the best game, while Ramsay, Grier, and Hunter did much the best playing for A. & M.

### Richmond College Saturday.

Let everybody turn out to see the Richmond college game here Saturday. Game called at 3.30, p. m.

## Foot Ball Criticism.

Below will be found a criticism of the players in last Saturday's game against A. & M. College:

**White,** slow getting charge on his man. Snapped the ball poorly at times and did not follow the ball closely enough. Made very few tackles.

**Collier** did not play low enough in the line, allowing the opposite side to straighten him up and charge him back. Did not follow the ball closely enough and tackled high and ran too slowly with the ball.

**Hurly** did not play low enough and after charging through the line seldom got the man. Followed the ball poorly.

**Steele** allowed the opposing side to charge him back. Did not break through to stop any kicks and should charge interference harder.

**Wright** allowed opposing side to box him. Did not get down the field quickly enough on a kick and followed ball poorly.

**Gregory** meets interference too close to line and is often smothered, allowing runner to go outside of him. Tackles high at times and slow in getting down field on kick. Gave signals too slowly and hesitates too much.

**Merritt** is apt to meet interference too close to line allowing runner to go outside of line. Apt to overrun his man on kick and tackles high at times.

**Moore** goes at line too high, gives play away by looking at the spot to which the play is going. Turns in too close when going around the end. Apt too get mixed up in the line too soon on defensive play.

**Nicklin** slowed up in hitting the line, did not get close to his interference and used poor judgement in going in or out around the ends. Tackles too high and does not hit the end rush well on end plays.

**Whitaker** slow in passing the ball and apt to get in the way of the runner and on defensive play goes at the interference too high especially through the center.

**Stevens** fumbles too much, did not know signals well.

**McRae** does not interfere for runner well and in open field tackling does not watch man enough and goes at him too hard. Does not kick with regularity.

**General Criticism of the Game.**—Owing to the peculiar style of defensive play of A. and M. team, the men seemed to be at a loss as to who should take the extra men. On a kick off, the backs allowed the ball to strike the ground and did not start quickly enough when they caught it on a fly and hesitated too much when running.

Interference started and ran entirely too slow. Did not break through quickly enough to stop kick.

### Junior Class Meeting.

At a recent meeting of the Junior Class, Mr. F. H. Bailey was elected captain of the foot ball team and Mr. Joe Belden, Bus. Mgr.

## October German.

The dances given by the University German Club have long been among the most enjoyable social events of our college life, and the German last Friday night was no exceptions to the established rule, when, with some of Carolina's fairest daughters we gaily tripped the light fantastic until the wee small hours had begun to grow large again.

The German was led, with that ease and grace so characteristic of the leader, Mr. P. J. Thomas, assisted by Messrs. John Andrews and Stuart Hill.

After the dancing was over the scene of action was transferred to the University Inn, where an ample spread awaited the party, and after this was over the last good nights were said and the October German was numbered among the happy recollections of the past.

The following couples participated:—

- P. J. Thomas, with Miss Brem, of Charlotte.
- John Andrews, with Miss Shipp, of Raleigh.
- C. R. Dey, with Miss Carrie Holt, of Graham.
- W. A. Graham, with Mrs. Bridgers, of Chapel Hill.
- R. S. Busbee, with Miss Henkle, of Chapel Hill.
- T. F. Sanford, with Miss Mallett, of Fayetteville.
- W. S. Howard, with Miss Bagley, of Raleigh.
- T. Webb, with Miss Stronach, of Raleigh.
- W. D. Grimes, with Miss Philips of Tarboro.
- A. Henderson, with Miss Ashe of Raleigh.
- Jas. S. Stevenson, with Miss Hinsdale, of Raleigh.
- V. A. Batchelor, with Miss Strudwick, of Hillsboro.
- R. T. S. Steele, with Mrs. Martin, of Chapel Hill.
- V. Graves, with Miss London, of Pittsboro.
- Dr. and Mrs. London, of Chapel Hill.

The chaperones were Mrs. Bridgers, Mrs. Martin, and Mrs. Shepherd.
