There has been much trouble caused of late, from the failure of our water supply. The well used at present does not afford a sufficient supply for all purposes in consequence of which the bath rooms have been closed for several days.

We are glad to learn that new pumping machinery has been ordered which in a few days will be put in the well in front of the New East Building. This, together with the one now in use will doubtless furnish an ample supply of water for all purposes.

The football men are especially enthusiastic over their hospitable treatment at Sewanee. The team was most royally entertained by Miss Lily Green a daughter of the late Bishop Green, and a former resident of Chapel Hill. It has been suggested that the substantial appreciation shown for the elegant dinner in a measure accounted for the result of the game. Be that as it may, the Carolina team is sure of one thing and that is the Purple was a good prophet when she prophesied a "hearty welcome" for us at Sewanee.

Oh Fresh.

You would think from his talks,
And the way that he walks,
And the glance from his eye that's fine,
And the look on his face
That he owns the place—
But he don't. He is just '99.—
U. of Pa. Courier.

In Georgia.

There is a football team somewhere—
in Georgia.
And it has quite a "rep" down there—
in Georgia.
They made a date to play our boys,
And at the thought they all rejoiced
And yelled and raised an awful noise—
in Georgia.
Full merrily they played away—
in Georgia.
And blew their own horn night and day—
in Georgia.
They thought they knew a thing or two,
And sang long songs of what they'd do,
And how they'd clean up N. C. U.—
in Georgia.
But that rejoicing was too soon—
in Georgia.
They're singing now a different tune—
in Georgia.
For twice we beat their team so tough,
Old Carolina is the stuff,
And everyone has had enough—
in Georgia.
