Mr. Wm. R. Kenan has accepted a position with the Westinghouse Electric Company. He will be located at Niagara Falls where the Company has extensive electric works. His many friends over the State will regret to hear that he will leave the State. He will assume the duties of his position on January 5th 1896.

A few evenings ago Dr. Battle delivered, at the request of the ladies of the village who are interested in the Vance monument, a lecture for the benefit of the monument fund.

While Senator Vance was a student in the University, Dr. Battle was a tutor; after that he was more or less intimately associated with Vance in public life; so, he could draw on his personal knowledge to a great extent, and he made his lecture correspondingly interesting.

The residence of Mrs. Burch, on Main street, was burned on Tuesday morning. The origin of the fire is not known. It occurred about 4 a. m. and when discovered the fire was so well under way that it was impossible to extinguish it or to save anything from the building. The house was an old landmark.

Many gentlemen who had rooms in it when in College have since become prominent men. Judge Settle is among the distinguished gentlemen who had quarters there during their college days.

Some students were rooming there this term and had most of their belongings consumed in the fire.

A very pretty little dance, in which about a dozen couples participated, was given last Saturday evening in Gymnasium hall under the auspices of the University German Club.

The german was lead by Mr. W. A. Graham and seemed very much enjoyed by all present.

Let everybody go to hear the famous Taylor brothers Saturday night.

RECEPTION OF THE TEAM.

The reception given the team on their return from Richmond, demonstrated very clearly the fact that the true college spirit still exists in our student body, and in no small amount.

A mass meeting was held on Thursday evening to formulate plans for receiving the team. A general committee on arrangements was appointed, and each class was requested to organize in a body to meet the train.

The boys were expected at 11:30 on Friday, so promptly at eleven the classes formed at the Post Office and with flying colors marched to the depot. The procession was led by a tally-ho containing President Winston. College colors floated from every store in town. Imagine the chagrin of the crowd when on reaching the station they were told that the team would not arrive until 6:20. So the procession turned and marched back to college, but not until plans had been arranged for meeting the boys in the evening in the same style.

At 6 p. m. the procession was again formed at the Post Office and marched to the depot. The train arrived in a few minutes, and the team were conducted to seats in the carriages, Capt. Gregory being seated in the tally-ho with Pres. Winston, at the head of the line. Mr. Thomas delivered to the team a few warm words of welcome and the line of march started for college.

The boys were escorted to University Inn amid the deafening yells of hundreds of college men. Arrived at the Inn the crowd waited until the team had supper and then conducted them to the Chapel, where one of the most enthusiastic mass meetings ever known in college was held. Speeches were made by members of the faculty and student body, expressing their gratification at the record of the team for the year and for the manner in which they had sustained the reputation of the University by their gentlemanly bearing and conduct. After the meeting adjourned, the freshmen gave the crowd one of the grandest bonfires ever seen on the campus.

Remember the Taylor brothers tomorrow night.
