Professor Harrington is issuing hand books of his intended tour of Italy. The dance to be given by the German Club on the 14th. promises to be the best German given in years. The "Fair" will be here from all over the State.

The Ball Room came very near being burned Saturday night. Some one thoughtlessly threw a cigar or cigarette out of the window and this caught in the rubbish around the building.

The first performance of the Glee Mandolin and Banjo Clubs will be given on Feb. 14th. in Gerrard Hall. We should support our College enterprises, so let us all aid in giving the boys a good audience.

An ordinance passed the Board of Aldermen of Chapel Hill prohibiting the sale of anything on Sunday, except drugs, went into effect Feb. 2nd. This will be inconvenient for those who have been in the habit of buying cigarettes and tobacco on Sunday. The ordinance is a good one and should have been in effect before.

(Charlotte Freshman to his roommate—Time, 3, A. M.) "Say! Capt. I don't believe you know what it is to be in love."

May Heaven pity a man in such a state of mind that his inward emotions give rise to such a remark at such a time as this.

*Man in the moon.*

As Providence willed,  
By her bicycle killed,  
'Twas thus that her epitaph ran:  
"In bloomers and cap,  
Though sad the mishap,  
She went to her death like a man."  
Ex.

There was a little girl  
Who had a little curl  
Right in the middle of her brow;  
And when she went to bed  
She removed it from her head,  
In order not to crumple it, I trow.  
Ex.

**To "Bug Kelly"**

And now as down the campus walks I wander,  
In honest pride me gorgeous legs I flaunt,  
An all "de gang" brawls out in tones of thunder;  
"Vereindehell, cull, did you get dem pahnts?"
