### Notes Here and There.

Every year the wrath of all good men is poured forth on the thick-skinned miscreants who mutilate and steal the papers in the reading room. They are worse than ever this year, slashing and tearing whatever suits their fancy.

If the author of the lyric entitled "Lines to the Commons Hall Cook" and beginning "Just tell her that you saw me, and I was starved to death" will send the rest of the poem we will be glad to publish it.

We understand that the University Dramatic Club is to be re-organized and will put on the boards Goldsmith's "She Stoops to Conquer". If this club is to modify its name by "University" its composition should be determined like all other organizations bearing that name. Places should be obtained by competition and not by favoritism.

Anyone looking for a light story with which to pass away an afternoon will do well to get F. Hopkinson Smith's "Tom Grogan". It is not only an interesting tale but a well written one.

The conduct of the Yale students at the Bryan meeting in New Haven has been the subject of universal newspaper comment. And Yale has suffered much in consequence. The cause of greatest surprise is that there were so many engaged in the outrage and that it was preconcerted.

### Exchanges.

Franklin and Marshal lost her first game to the U. of Pa., by a score of 24 to 0. F. & M., is very jubilant over the result, and well may she be, for the U. of Pa., is one the Big Four. F. & M., are very unfortunate in losing Bull as coach.

Sewanee will be coached this year by Mr. J. E. Blair "who played half back last year on the Pennsylvania team, and was in all the games except the one with Harvard. Sewanee is having the same trouble about pledges, getting heavy men on the field, etc., that we are experiencing ourselves.

University of Georgia will have a good team this year. Many of her old men are back and she confidently expects to defeat N. C. this season.

Vanderbilt hopes to improve upon her very excellent team of last year. We have a very distinct recollection of our encounter with Vanderbilt last season, and if our memory is perfect she had one of the strongest and best trained teams in the South.

We are always glad to note any honor paid to the University men, and under this head we know our reader will be pleased to learn that Mr. Wilkes Caldwell has been elected Chief Marshal of the Colored State Fair. The selection is a good one and we are sure the position will be filled with grace and dignity.

A lecture by Prof. Cobb delivered at the Summer School on "Political History as Determined by the Geological Structure of the State," seems to have attracted the attention of the Western papers. We note with pleasure two, *The Freeport (Ill.) Daily Journal* and *The Chicago Inter-Ocean*, which have copied the lecture as reported by the *News & Observer*.

Tankersley has just received a fresh lot of Queen Olives in quart bottles. Call and try a bottle.

### A Wonderful Invention

Zoology teaches that the hairs of the head are hollow, and contain an oil that gives them life. In clipping the hair with scissors, this hollow is left open, and the hair loses its life-giving properties.

I have a Machine named the **Singing Machine**, which removes the hair and at the same time closes up the hollow, causing the hair to retain its life-giving properties, and therefore stopping the hair from falling out or dying, and giving it a soft growth.

Call and examine this machine and have your hair singed.

Special attention given to dressing Ladies' hair. Cutting done with exquisite and artistic skill by the old University Barber of twenty years' experience.

The singing machine is highly recommended by scientists throughout the country.

Very Respectfully,  
T. D. DUNSTAN,  
Professor of Tonsorial Art.
