## College Notes.

The University of Chicago offers 1,086 courses.

\*\*

Lehigh has abolished compulsory attendance upon Chapel exercises.

\*\*

A Bryan and Sewal Club has been organized at Yale. About 100 men are enrolled as members.

\*\*

The donation by gift or will to colleges and universities in this country since January 1, 1896, amounts to \$4,075, 650.

\*\*

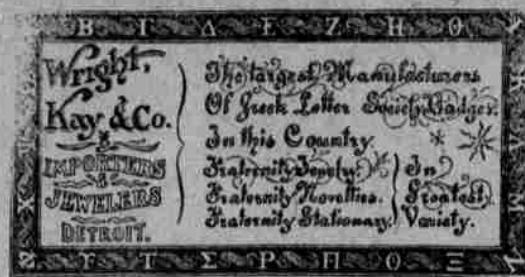

Lehigh has a flourishing Mathematical Club. We have all sorts of clubs, but, strange to say, we lack this particular club. Organize Major, and be in the swim.

\*\*

Princeton is to have a new library building which will not be excelled by that of any college in the country. The library will be in the form of a rectangular parallelogram, will have a capacity of 1,200, 000 books and will cost \$500,000.

\*\*

The honor system at Lehigh has been tested and has been firmly established. A mutual pledge is made between faculty and students. The President of the University reads the pledge to the new men who signify their approval by rising. The President then takes the same pledge and assures the men their word will be accepted by the faculty. This pledge not only includes examinations but recitations as well.

## A Wonderful Invention

Zoology teaches that the hairs of the head are hollow, and contain an oil that gives them life. In clipping the hair with scissors, this hollow is left open, and the hair loses its life-giving properties. I have a Machine named the Singeing Machine, which removes the hair and at the same time closes up the hollow, causing the hair to retain its life-giving properties, and therefore stopping the hair from falling out or dying, and giving it a soft growth. Call and examine this machine and have your hair singed. Special attention given to dressing Ladies' hair. Cutting done with exquisite and artistic skill by the old University Barber of twenty years' experience. The singing machine is highly recommended by scientists throughout the country. Very Respectfully,  
 T. D. DUNSTAN,  
 Professor of Tonsorial Art.
