

NOW AND THEN.

Dr. Alderman spent Tuesday and Wednesday in Raleigh.

Mr. John Lipscomb, witnessed the Trinity-Wake Forest game in Raleigh Wednesday.

It is expected that the schedule of examinations will be placed on the bulletin board by May 3.

Dr. Hume has consented to deliver the annual address before the graduating class of the Young Woman's College of Lynchburg, Va.

Miss May, sister of Prof. May, who has for the past two months been on a visit to her brother, leaves Saturday for her home in Boston.

Among the institutions at which Dr. Battle will deliver their annual address is the Ralbon Academy, Robeson Co., May 21.

Messrs. Ed. Lippatt and Fred Williams, former students of Dr. Whitehead, have recently graduated with honors at the Maryland Medical College.

Messrs. Francis Osborne, Hal Anderson, T. A. Cheatham and Adlai Osborne are the delegates and alternates to the Brotherhood of St. Andrew Convention in Raleigh on May 14th.

Prof. Horace Williams on Thursday evening delivered a logical and forceful lecture on "Philosophy and Life." The lecture was interesting and instructive and the audience unusually large.

Dr. Hume has declined six invitations to deliver commencement addresses at prominent Southern colleges on account of the great amount of work to be done in his department before June.

Dr. Hume will lecture before an educational gathering in Wilmington on Thursday the fifth of May. He will remain in Wilmington for several days at the Baptist Convention of the South, as the delegate from the Baptist church of Chapel Hill.

The Senior Class has appointed a committee to solicit subscriptions from this body in order to purchase a bust of General Lee. This bust, if gotten, will be left by the class to the University, and will be duly presented on Class Day.

Our foot ball record wasn't good, And this we must admit, But in the base ball world you know We've gained the name of "Nit."

The Water Supply.

The arrangements made by the special committee on the part of the Board of Trustees to furnish the college with an ample water supply have already come to the surface. In the north end of the campus directly south of the Episcopal Church a force of hands is at work digging a series of wells. These wells are to be lined by a series of pipes and water will be pumped to the power house at night when steam is up for lighting purposes.

This will be a great improvement and next fall shower-baths will be opened as was suggested by the TAR HEEL several weeks since.

A good deal of excitement was manifested in the game on Tuesday between the "Scrubs" and a team under the caption of The College (men taken from the different classes). At the end of ninth inning the score was a tie, but the new impetus to the rooting for The College and dire lack of support of the "bleachers" on the part of the Scrubs, proved fatal to the latter in the tenth inning by a score of 12 to 10.
