## GEORGIA CRACKERS

### Win at Atlanta But Are Badly Worsted at Athens.

SCORES: GA. 11, N. C. 10; GA. 6, N. C. 15.

Nearly Three Thousand Spectators View Tuesday's Game at Atlanta. Good Luck Gives the Game to Georgia by a Lone Run. The Next Day at Athens the Georgia Players Are Outclassed at Every Point.

By H. G. Connor.

Atlanta, Ga., May 7th.

After an all-night's sleepless trip over the Southern the ball team reached Atlanta this morning at 5 a. m. and was driven at once to the Kimball House. A short nap and visit to the principal parts of the city occupied the greater part of the morning.

Immediately after dinner the team was driven to the Brisbane Park grounds and lined up for practice. The Georgia team reached Atlanta Thursday and practised on the Park diamond the same afternoon. Our team is not in the best of shape,—still somewhat jaded by the trip of the night before.

The grand stand is packed with the largest crowd of the season, fully twenty-five hundred enthusiasts filling the bleachers to witness the great game between the two Southern universities. The stand is almost a solid mass of Georgia supporters. Colors and flags wave here and there, showing gaily in the sun. This morning the team was presented with a beautiful basket of flowers with the compliments of Mrs. May Burnett Cobb.

The sponsors of the Georgia team are Misses Emily Lownes and May Hodgson, while Carolina's colors are held by Misses Bertha Willingham and Nellie Wright.

At 3 o'clock the game is started by Umpire Lynch of the Southern League. Below is given the game by innings.

#### FIRST INNING.

Georgia. Williams in box for Carolina. Tichenor base hit by pitched ball. Foster hits to short. Tichenor out at third. Lovejoy hits to right field scoring Foster. ## FRANKLIN'S SCORE

### In Last Week's Game Was Small.

It Was Sad. Sadder Because Franklin Was Assisted by Wake Forest.

The Varsity gave an exhibition of fine ball playing in the game with the Franklin, Va., team on Tuesday afternoon.

This time there was no weakening from beginning to end, but all the team played together in a manner seldom seen this year, with the result that they walked over the Franklin-Wake Forest combination to the tune of 18—0.

The visitors had three of the strongest Wake Forest players to help them, namely Edwards, Williams and Norfleet, but it availed nothing against the Varsity. While all our men played good ball, Capt. Stanly was easily the "star," and was continually cutting off hits and otherwise deporting himself between second and third bases in a manner to take one's breath away. His hitting and base running were both up to the top notch too, so that on the whole he gave our friends from Virginia quite a brilliant display of skillful, scientific ball playing.

Rogers made a beautiful play in right field in the seventh inning, when he gathered in a clean hit and cut off the runner at first base. Williams and Mangum did good work in the box for Carolina, only one hit being gotten off of each of them.

Franklin went to the bat first, but went out in one, two, three order, and continued the performance almost without let-up till the last man was out in the ninth inning.

## FIELD DAY

### Events Smash Southern Records.

Fab Haywood of Raleigh Does a Hundred Yard Dash in Ten Seconds.

Mr. Mechling did well in selecting last Saturday for Field Day. It could not have been prettier overhead and under foot the track was fast but a little too hard.

Virginia heretofore was in the lead in each of the six events, but now they need six inches on the pole vault, two seconds on the 220 yard run, four feet on the hammer throw and several seconds on each the high hurdles and 440 yard run.

Every undertaking must have its beginning and if we are to consider the results of last Saturday's contests as "starters" what glory and honor is laid up for the old Tar Heel University. The events and results were as follows:

100 Yard Dash.—Haywood, first—time 10 seconds; McEachern 2nd; Osborne, 3rd.

Pole Vault—Harris, 1st, height, 8 ft 10 inches; Wright, R. 2nd.

220 Yards—Haywood 1st—time, 23 3-4 seconds; McEachern 2nd; Osborne fell twenty feet from the wire when in second place.

Hammer Throw—Monk, H. L., 1st, 87 feet 7 inches; Baggett, 84 ft 10 inches; Canada, P., 72 ft. 6 inches Pond, G. B. 4th place.

High Hurdle (120)—Harris C. E., 1st, 21 1-5 seconds; Follin fell at next to last hurdle when a full hurdle in the lead.

440 Yards—McEachern 1st, 46 4-5 seconds; Pond 2nd.

Director, Mechling; Starter, Dr. Chas Mangum. Judges, Dr. Chas Baskerville, Mr. Butler and Geo. Stevens.

#### The Georgia Trip.

In Atlanta Frank Rogers sang "Marching through Georgia," and the patriotic Crackers hissed. The Georgia boys were losing breath running around the field. A fly over Whitaker's head in deep centre, a bouncing fly out of McKee's reach and a muff by our business manager let in seven runs. How can you blame him for muffing occasionally? Throw your \$1.50 subscription at him and keep him in in practice.

The team stopped at the Kimball in Atlanta, but Winston, it is said, tried to get lodging in a railroad ticket office.

All the girls on Peachtree Street thought Whitaker and Bailey stunning in "their" (?) golfs. They couldn't understand why Mangum never wore them.

In Athens McKee and Belden tried to find the Turks.
